IN MEMORY OF HUGH DANIEL MORRISON

Hugh Morrison was born January 20, 1897, a son of Layfette and Emily Jones Morrison of Dana, NC. He was a resident of Henderson County all his life. Hugh graduated from Fruitland Baptist Academy in 1922, where he really dedicated his life to the Lord and remained a loyal supporter of Fruitland Baptist Institute until his death.

March 10, 1925 Hugh married Elma Newman. They were blessed with three wonderful children: Hazel Morrison of Hendersonville, NC; Hugh Morrison, Jr., of Memphis, Tennessee; and Ray Morrison of New York City.

Hugh began working for the Hendersonville Post Office in January, 1926 and worked for the Post Office for 42 years.

In 1926 Hugh joined First Baptist Church of East Flat Rock, where he put Christ and serving Him through his Church first in his life. Hugh served 45 years as treasurer of the church, was a member of the choir for 55 years, served several terms as deacon, also as trustee. He was a member of the Brotherhood for many years and taught the young boys Sunday Class.

Hugh loved his church and supported all activities of the church and the Carolina Baptist Association. Hugh always gave and believed in giving freely above the tithe to the Lord's work, and never missing a service at church. Hugh loved people and was always the last one to leave following services.

Hugh was an invalid almost three years before his death. His Lord blessed him by letting him live those three years without apparently a single pain and carried him home November 11, 1985.

Seldom can we find someone who faithfully serves as long as Hugh did.

These 1986 Minutes of Carolina Baptist Association are dedicated

IN MEMORY OF HUGH DANIEL MORRISON

IN MEMORY OF DORRIS BUTLER

Dorris Butler was born April 6, 1907 in Mills River. Her parents were James Thomas and Daisy Lance Butler. She has one brother who is deceased and two sisters, Mildred Butler and Wylma West. Dorris had retired from the Old Victoria Hospital in Asheville where she worked in the nursery.

At the age of 15 she joined Mt. Gilead Baptist church and was a life member. Dorris always loved children and that love was returned. Much of her time in church work was with children. She taught Sunday School for a number of years, teaching Beginners, Primarys and Adult Women. She served as Training Union Director in 1949-50. Other areas of service were Church Clerk since 1956, WMU President since 1959, and teaching in Vacation Bible School for 10 years.

Dorris faithfully attended Associational functions including WMU meetings, Church Clerk Clinics, and Annual Associational Meetings.

On September 27, 1985, Dorris was called home to be with her Lord.

These 1986 Minutes of Carolina Baptist Association are

DEDICATED IN MEMORY OF DORRIS BUTLER

IN HONOR OF IRMA AND A. ELLIS ROBERTS

Irma Morgan Roberts was born May 16, 1922 in Flat Rock. Her parents were Dora and Philip Morgan. Ellis was born May 18, 1911 in Asheville, NC to Alonzo and Addie Roberts. Irma and Ellis were married February 5, 1963. Irma has three children - Norma Pryor, Wayne Morgan, and Sandra Jarvis, and Ellis has two children, Shirley Mays and Cherry Thompson.

Irma became manger of the Carolina Baptist Mission Store when it opened at 300 Seventh Avenue East on July 20, 1968, and has worked faithfully for 22 years. In 1967 the Association purchased the Resuce Mission on Pine Street, and the Associational office and Resuce Mission operated out of this building. In the July, 1968 Executive Committee meeting the Mission Center was authorized to liquidate assets of the mission at the best price when the project was deemed no longer advisable and practical. The indebtedness on the loan incurred for the Mission Center project was $4,185.00. The Executive Committee voted to operate the Mission Store under the direction of the Missions Committee as a means of serving low income families in our area. Alex Booth reported in the 1969 Mission Store report that "Mrs. Roberts has gotten the store on a very sound financial structure. From receipts she has paid $1,600.00 on the indebtedness incurred by the Mission on Pine Street. ....The rent has been paid through next month. And at this writing, there is a balance in the bank of more than $300.00. Irma continued to operate the Mission Store on that basis through the years. Other projects funded by Mission Store receipts have been the Hospital Chaplaincy Program, $1,200.00 per year, and Interfaith Assistance Ministry $1,200.00 per year.. Ellis began helping Irma 13 years ago when he retired from Blue Ridge Cord Company, now known as Wellington-Cord. Ellis was available to help out and do whatever was needed.

Irma likes people and has enjoyed working at the Mission Store. She feels satisfaction that she has helped people have sufficient clothing who otherwise wouldn't have had adequate clothing. January and February, our coldest months, were always the busiest months. Clothes are necessary and Irma felt they should be reasonably priced. By selling them at a low cost, this gave people make a purchase rather than just receive a handout. However, if people were unable to pay this low price, clothing and other items were furnished when there was a need. Hundreds and hundreds of large print Psalms and New Testaments were passed out through the Mission Store, sold at a little under cost.

Irma said she had really enjoyed working with our present Director of Missions, Ron Pinkerton. Mr. Pinkerton was always available and ready to help when needed at the Mission Store.

October 30, 1986 marked the end of an era, the Mission Store closed its doors and ended 22 years of service to the low income families in this area.

Irma and Ellis are enjoying retirement. It gives time for reading a good book, watching baseball and basketball games, yard work, and a little traveling. Irma's favorite scripture is the Twenty Third Psalm and her favorite hymn is "Unseen Hand." Irma and Ellis are members of Refuge Baptist Church.

Thanks Irma and Ellis for your many faithful years of work at our Carolina Baptist Mission Store. These 1986 Minutes of Carolina Baptist Association are dedicated

IN HONOR OF IRMA AND A. ELLIS ROBERTS.

IN HONOR OF RUTH AND LESLIE KEARNS

Ruth and Leslie retired in 1976. Leslie from Dade County Schools and Ruth from Branard county schools. They came to Hendersonville in 1976 and purchased a home. They attended Hendersonville First Baptist Church and liked it so well they never visited another church.

In March of 1977, Allen Jewett ask Ruth to organize a Home Bound Department. By August she had a very active Home Bound Department and ministered to many. In September, 1977 Ruth was asked to take Sunday School Department VI Directorship and also keep the Home Bound Department. Ruth served in both positions for a few years.

During the year she became interested in the Migrant work in the Association. The Committee Chairman invited her to the meetings. She could forsee all those lost souls and a compulsion to win as many as possible. They had lived in Key West, Florida years before and taught first grade to Spanish children (Cubans).

Through God´s guidance the Migrant Committee gave of their love, understanding, and compassion to the Spanish - not only the Migrants but the year round people as well.

During this time Ruth worked and loved the people in Adult VI at First Church, Senior Citizens, and Baptist Women.

Ruth was born in Travelers Rest, South Carolina. She attended Fruitland Institute; graduating in 1931. She said at Fruitland she was guided in the right direction where Jesus became real to her and gave her compassion for sinners.

Leslie always supported Ruth in her work - helping in whatever way he could. His understanding and cooperation meant much to the work the Lord gave them to do. He was always dependable.

Ruth said she knows God wants a Spanish Church in Henderson County and is so thankful to the many who helped, especially the Migrant Committee.

Ruth served as Chairman of the Migrant Committee for eiight years. Ruth and Leslie moved to Clemson, South Carolina in early 1986. Their love and interest in the Spanish speaking and Migrants in Henderson County did not end when they moved. Ruth is still on the Spanish and Migrant Committees and Leslie is still supporting her in the work.

These 1986 Minutes of the Carolina Baptist Association are proudly

DEDICATED IN HONOR OF RUTH AND LESLIE KEARNS

IN HONOR OF FRANK NEVILLE

We want to honor Frank Neville in the Carolina Baptist Association Minutes for work he has inspired at Camp Bearwalla well beyond the call of duty.

Frank was born December 25, 1902 in Manchester, England. His father was Joseph Neville and his mother was Jesse Brereton Neville. He came to America at the age of two. Frank lives at 1816 Kanuga Road, Hendersonville, NC.

Frank has served on the Camp Council since 1981, promoting and helping Camp Bearwalla achieve its steady growth during this time. He has dreams for a growing ministry, especially to boys and girls the at camp. He is always encouraging support from all the churches in the Carolina Association.

Because of circulation problems, Frank had to have a leg amputated about the first of 1986. He is just now beginning to attend his church regularly again. He is a member of First Baptist Church of Hendersonville. Frank taught the young people for forty years. He is a member of the Anders-King Sunday School Class. He says it is the best class in the church, because the next promotion will be to Heaven. Frank´s favorite hymn is "The Love of God."

Frank, we appreciate the many years you have spent in investing in the lives of young people and your untiring effort, encouragement, and support of our Camp Bearwalla.

These 1986 Minutes are dedicated

IN HONOR OF FRANK NEVILLE

Another joint effort of the churches in our Association is the new Resource and Training Center. Plans are being made to move into it around November 14. DIRECTOR OF MISSIONS

What does the Association do for me? This is a question I often hear but it is the wrong question to ask. I would suggest that there are two questions every church member should ask themselves. First, does our church have a responsibility to train leadership and does our church have a responsibility to help meet needs in our area? This question deals with the purpose for which we exist as churches. What does God want to do through the people that make up your particular church?

The second question is - can we meet these responsibilities better individually or working with other churches? Of course there is much that is done individually by churches but some churches feel there is a part of your responsibility that can be better carried out by working with other churches and have formed an association with these churches called Carolina Baptist Association.

This association of churches has been busy this year. You have set out to build a Resource and Training Center. You have raised $92,000 with your Fund Raising Campaign which is over one-half of the $170,000 projected cost. Many of you have donated time and labor so the building could be built for this amount. Your building should be open by December.

This association of churches has also sponsored a growing Spanish Mission and, with Rudy Aguero's ministry, Spanish speaking people are growing in their relationship to Christ. The Camp owned by the Association has also made progress this year with an expanded kitchen and other improvements.

The churches decided you would like to have an Old Fashioned Camp Meeting. Plans were made to have it on the ballfield at camp in a tent but because of rain it was moved to First Baptist Church Tuxedo. This meeting met an important need for ministry and fellowship among your churches. Plans are being made to have another meeting next year.

The churches also held some important leadership training events for Brotherhood, WMU, Sunday School, and Church Training. A Family Life Conference trained you in the area of family relationships. Youth events and Senior Adults meetings helped in that area of your church work.

A three year plan was developed by the churches so you could have some goals to reach for and so you could be sure to minister in areas of greatest need.

What are these churches doing for you or your church? I'm not sure -- but you sure are getting a lot done by working together to fulfill what you feel is God's mission for you here in your Jerusalem. Congratulations Carolina Baptist Association of Churches for a year of hard work.

Ron Pinkerton, Director of Missions

HISTORY REPORT FOR 1985/86

As we look back over the past year, we stand amazed in all that God has done for us. Much has been accomplished toward the goals of our Association. It has taken a lot of hard work, co-operation and prayer. It is impossible for one Church to do all that needs to be done,but as we join together the work can be accomplished.

One of our"Dreams" is fast becoming a reality... our Carolina Baptist Resource Center. Ground Breaking was held on Sunday, October 3,1985 for our Resource Center, 601 Hebron Street, Hendersonville,N.C. We received a building permit and the work began on our new building. In January 1986, the foundation and block work was finished. After much prayer and seeking God's will in how to raise the funds needed for the building; it was decided to start a major Fund Raising Project. On March 16th a campaign was begun "$50.00 PER SQUARE FOOT". This was conducted in each of our Churches giving everyone a chance to have a part by buying a square foot. Appreciation Day was held at the Resource Center site on June 29th. Certificates of Appreciation were given to all those who had purchased a "Square Foot".

Copied from Associational News Letter ...
"The Executive Committee meeting of our Association at Balfour Baptist Church on July 29th was surley a highlight of the year and could well be remembered as one of the most important in recent years. The attendance was good, the spirit was high, and the business was conducted with hopeful anticipation. There were two highlights in the business in addition to the informative reports:

1) The Finance Committee recommended we secure a loan to finish our new building. This loan will be"secured only after enough churches have responded to the 1% increase to ensure the meeting of the budget and the payment of the loan". Our new building's completion will come soon with our continued support of the associations work.
2) A three year planning of our priorities was adopted. These goals were measurable and will serve to guide our progress and future work."

Some historical events reported by some of our Churches:
Balfour - Received the Eagle Award for Sunday School Super Spiral.
Crab Creek - Dedicated their new building on March 9.
Ebenezer - Opened a "Prayer Chapel" on September 16,1985.
Had a note burning on new aduditorium on June 1.($150,000.00)
First Baptist Hendersonville - Commissioned Rev. & Mrs Zollie Ward as missionaries.
Began a second worship service on Sunday mornings.
Age grading of Adult Sunday School.
Hoopers Creek - Presented their Pastor with a new car for Christmas, he has been their Pastor for 22 years.
Installed an elevator for those with problems climbing steps.
Mount Gilead - Started a food closet for the needy.
Pacolet - Paid off Church indebtness and had a note burning Sunday, February 16.

Providence Chapel - had Constitution Service on Sunday, May 4,1986.

The following men were ordained this past year to the Gospel Ministry:
John Mason - Balfour
Jeff Pennington - Refuge
Michael Fugate - Mud Creek

Changes in Pastors:

Rev. Bill Evans	- Shaws Creek

Rev. Doug Davis	- Horse Shoe
Rev. Bill Valentine	- Bearwallow
Rev. John Rymer	- Shaws Creek

Rev. Clyde Rhinhart retired from Oak Forest on October 30,1985.

Our Association provided several training opportunties for our Churches to help us better serve the Lord and do His work here in our area. Some of these were:
W.M.U. Leadership Training, September 11, 1985.
Family Life Seminar, with Dr. Gary Chapman, October 28-29,1985.
Sunday School Worskshop, February 10-11,1986.
New Church Member Seminar, February 15,1986.
Pastor's Workshop led by Truman Brown, March 17,1986.
Vacation Bible School Clinic, April 28,1986.

Several of our Churches participated in the Simultaneous Revival, "Good News America, God Loves You", in April.
We also has an "Old Fashioned Camp Meeting". This was planned to be held in a tent at Camp Bearwalla; but was moved to First Baptist Tuxedo, because of the weather. Rev. George Lockaby was the visitng evangelist.

We all have different abilities and talents, but together we can make Christ known to our area and throughout the world. Nehemiah 4:6 tells us; "So built we the wall; and all the wall was joined together unto the half thereof: for the people had a mind to work".

Respectively submitted,
Edna Corn, Historian

SPANISH MISSION

Since the arrival of Rev. Aguero in August, 1985 the Mission has grown in many ways. Sunday School was started in January, 1986. A Spanish class and an English class for adults. Graded classes in English for the children.

In March, Mt. Moriah gave us permission to move a trailer on their property. It was furnished by borrowing a pulpit from Naples and chairs from Providence Chapel. A piano was given through Hendersonville First and a table and Communion set by ladies at Naples. April 13 services began in the Mission trailer with seven members. Seven more have accepted the Lord, three have been baptized at Mt. Moriah.

Rev. Aguero has performed seven weddings and dedicated two babies. He has preached fifty three sermons, held eighty-three Bible studies this past year.

Thanksgiving and Christmas dinners with very good attendance. An all Spanish covered dish dinner December 31st with thirty-five attending. Other social events include Easter egg hunt and ice cream, a farewell dinner for Ruth and Leslie Kearns, two watermelon cuttings at the park and Naples had a picnic at the park in October, 1985.

Rebecca Tingler and youth from Salem, Virginia had services at the Mission August 10th. The Mission attended two Evangelistic services with the migrants at Camp Bearwalla.

Our average attendance is thirty to thirty-three each Sunday. We have been blessed in so many ways.

With the approval or the Association the Migrant Committee and the Spanish Committee were separated into two committees in April, 1986.

We are so thankful for the interest and help received from Mt. Moriah.

Matthew 25:40

CHURCH DEVELOPMENT COUNCIL

The work of your Church Development Council has been to focus on effective use of current associational resources and development of leadership, which will broaden and enhance the ministries of our churches. We have moved forward in this process in three ways:

1. Plan an efficient 1987 calendar which will offer a variety of equipping and training opportunities for church workers. We worked at coordinating dates and meetings with as little conflict as possible.
2. Each committee director prepared and presented an itemized budgets for the coming year. These were discussed and forwarded to the Associational body.
3. Plan Carolina Baptist Association's first Church Leadership Conference.

The Church Development Council is pleased to report early results of our first Associational Church Leadership conference. The conference was held at First Baptist Church of Hendersonville, September 22 and 23. The "Understanding" series was taught by State Convention workers. There were ninety-six individuals enrolled with seventy-one completing the five hours required for Study Course credit. There were twenty-two churches represented. Those in attendance reported gaining helpful knowledge and further skill development in ministering to their particular age group. A special appreciation goes to the active members of our council: Rev. Lawrence Goodman - Sunday School, Miss Barbara Jean Connell - Woman's Missionary Union, Hazel Duncan - Media Library, Rev. Jerry Hyder - Youth, Mrs. Doris McGee - Senior Adults, Rev. Ed St. John - Music, and thanks to Rev. Ron Pinkerton. A special thanks is also extended to First Baptist Church Hendersonville for the gracious use of their facilities.

It is our desire and purpose to promote the development of Carolina Association churches so that they might effectively reach our to the unredeemed, disciple the believers, and glorify our Savior and King. May the Lord Jesus Christ receive all praise as we work in the bond of unity and love for His kingdom.

Richard A. Clark, Chm. Church Development Council

YOUTH MINISTRIES

We believe our ministry purpose and functional goals are: 1) **To reach and teach.** To reach the youth of our Association for Christ and to teach them the basics of our Christian faith and Baptist heritage. 2) **To supplement the on going youth ministries of our local churches.** 3) **To provide activities** that will involve the youth from all our churches regardless of size. These activities are to provide fellowship, Christian growth and witness, and encourage a cooperative spirit among our churches.

In the past few years, we have sponsored youth camps, back to school retreats, concerts, and youth rallies. We will continue to use these and other activities that will seek to involve, reach, and minister to the youth of our churches.

BROTHERHOOD

Brotherhood work is divided into two groups, Baptist Men and Royal Ambassadors or R.A.'s. Our R.A. Director is Rev. Walton Marsh and his work will be reviewed separately. This report deals mainly with Baptist Men.

Although Baptist Men's work across our state is growing, we have seen very little change in our Association. We have very few active men's groups, although we do have several individuals who are active in Baptist Men's work on the state level.

It is hard to understand why we see such little interest in Baptist Men's work when there are so many opportunities for service.

Please pray that during the coming there will be a new vision and the Baptist Men will see this work as a priority in their lives.

Timothy P. Jones, Brotherhood Director

Royal Ambassadors

Nineteen eighty-six has been a good year for associational Royal Ambassadors. We have been involved in some new things that proved to be good. We have continued doing some old things that continue to get better.

Our first event of nineteen eighty-six was the R.A. Racers competition which was hosted by First Baptist in Hendersonville. R.A. Racers is an activity where the boys build a scale model racing car from a block of pine and then race these cars against other R.A.s down an inclined track. This year we had fifty boys competing in two divisions. The winner of the Older Crusader division (fourth through sixth grade) was M. Molton. The winner of the Younger Crusader division (first through third grade), was Preston Pierce.

The highlight of our year was the week of Missions Camp at Camp Bearwalla. This year was different in that both R.A.'s and G.A.'s were at camp together and it proved to be a wonderful experience for the campers and leaders. We had a total of 146 people at camp that week. 72 G.a.'s, 14 G.A. leaders. 46 R.A.'s and 10 R.A. leaders with 4 staff leaders for both organizations. These were just those who stayed over night. There were also 11 workers who commuted. During the week there were 17 professions of faith and many rededications.

I would like to thank all those involved in our Racers program, especially the R.A. leaders and Brotherhood of First Baptist Church Hendersonville and the R.A. leaders and Brotherhood of Main Street Baptist church who provided the race tracks for the races.

A special thanks to those who gave five days of their lives to the children at missions camp: Peggy Barton, Paul Decker, Marilyn Fletcher, Tommy Guthke, Audrey Dotson, Jan Gore, Hilda Sitton, Barbara Connell, Nadine Ashe, Rev. Richard Clark, Rev. Dewey Thomas, Mandy Griffin, Bradley Alston, Walter Hoyles, Rev. Max Smith, Kevin McCallister, Jane Searcy, Anne Russell, Lisa Fluitt, David Jones, Kelly Thelen, David Oates, Owen Brendell, Lee Sitton, as well as Edith and E.J. Jenkins who provided for our physical needs at camp well.

Walton Marsh, R.A. Director

WOMAN'S MISSIONARY UNION

Another year has passed, as we reflect upon it we can see how the Lord has given Woman's Missionary Union of Carolina Association opportunities of service and growth for Him.

The year started with the observance of Baptist Women's World Day of Prayer, hosted by the WMU ladies of First Church, Hendersonville.

In December the Christmas Toy Project, done for and coordinated with Interfaith Assistance Ministry, was an overwhelming success. Greater than the making of a number of children happy on Christmas morning was the opportunity to witness to parents about God's love. We look forward to having this opportunity for witness and sharing again this year.

At the conclusion of WMU Focus Week in February, there was a good attendance at the Missions Fair which was held at Ebenezer Church. Each WMU Council member had a table of materials for browsing; and refreshments provided a time of fellowship for all.

North Carolina WMU celebrated its Centennial during the WMU State Convention in April. Members from several Carolina churches were able to attend. Earlier in the year, a number of Carolina WMU groups celebrated the Centennial with special birthday parties. At our own Annual Meeting in May, we were blessed with an inspirational look at our past, present and future as we continued to celebrate 100 years of WMU in North Carolina. Looking back on a rich heritage of dedicated women from the past, spurs us on to a renewed vision of the work to be done today!

The last WMU event of the year was our Leadership Training Clinic held at East Flat Rock. There were 19 churches represented with 76 participating. We trust the enthusiasm shown there will be in evidence in churches throughout Carolina Association.

Age-level activities for the past year were as follows:

Mission Friends: Covered dish fellowship for leaders in May
Girls-in-Action: GA-RA Camp in August
Acteens: Get Acquainted Party October 1; Lock-in with emphasis on
studiact in April
Baptist Young Women: Spring Celebration at Camp Bearwalla in May
Baptist Women: Prayer Seminar in May at Camp Bearwalla

Last fall our organization, including all age-levels, supplied money to purchase 400 boxes of perfumed talcs to be included in Christmas gift boxes to the inmates of Women's State Prison in Raleigh. Again this year, we have pledged 400 talcs. We began collecting funds to furnish the Volunteer Room in our Resource and Training Center.

It has been an exciting year. Pray for us as we continue to make plans to educate and interpret in the area of Southern Baptist mission endeavors in Carolina churches.

Barbara Jean Connell, Associational WMU Director

ORDINATION COMMITTEE

The Ordination Committee of the Carolina Baptist Association met to examine three persons during the year. John Mason was examined at the request of Balfour Baptist Church. Bruce Laughter was examined at the request of Mountain Home Baptist Church. And Jeff Pennington was examined at the request of Refuge Baptist Church.

All these persons were approved by the committee and recommended for ordination by their home churches. It was the expressed opinion of committee members that all of these candidates were solid in the faith and cooperative in spirit.

Alex L. Booth, Jr. Chm. Ordination Committee

SENIOR ADULT

I count myself fortunate to have such a fine group of people to work with. Thank you for your help and cooperation for the success of Senior Adult work this year in Carolina Association. I appreciate the large number who attended the Workshop in Asheville, the Inspirational meeting in Mars Hill, the meeting at Mud Creek in May, and the meeting at Camp Bearwalla in September. The last meeting of the year will be at First Church, Hendersonville on November 6th. A very interesting program is planned.

This year Senior Adults gave $75.00 for the Associational Office Building, and $75.00 for Camp.

We rejoice in the new groups. A review ot the last few years:

Ending of 1982 - 7 groups
1983 - 13 groups
1984 - 17 groups
1985 - 20 groups
1986 - 22 groups

I especially want to thank Pauline Reese and Betty Graham for their faithful work. "E ku se - Well-done"

If I can be of help, call me at 685-8343.

Doris McGee, Senior Adult Coordinator

Annuity Board

Southern Baptists have always had an enduring love and respect for their pastors.

Southern Baptists support their pastors and church staff through the Retirement Program administered by the Annuity Board. Yet, there are some Southern Baptists, who are not aware of how the Annuity Board in partnership with the churches, serve those who serve the Lord.

The Expanded Church Annuity Plan, approved by the State Convention, will become effective January 1, 1988. This plan will allow all ministers and staff the ability to generate three dollars for each dollar they contribute. The church will match the individual's initial contribution on a two-for-one basis up to 10% of pay. After the required contributions are made by the individual and the church, the state convention will match one half of the church's contribution up to $35.00 per month for each participant.

I am sorry to report that we had a decrease in the ;number of participants in the Retirement Program this year. We had 28 employers which are the individual churches as well as the Association and there were 39 employees (Pastors and staff, etc.) who are members in the plan. Seven of these employers, however, contribute only $33.34 or less toward retirement. This was the least amount that was initially set up 68 years ago.

We would encourage all of our churches to participate in the Expanded Church Annuity Plan. This plan will be for ministers, Directors of Missions, church and associational personnel. This new plan will be of tremendous importance to all who are in the Retirement Program. For additional information contact your associational representative, your State Annuity, or call the Annuity Board -- toll free number, 1,800-262-0511.

E.W. McMurray

PROPOSED RECOMMENDATION

I make the motion that the Carolina Baptist Association participate in the Expanded Church Annuity Plan beginning January 1, 1988.

CAMP BEARWALLA

"To God be the Glory!" Great things he had done!!! Truly the Holy Spirit breathed on the activities of the camp this year.

A Christian camp such as Camp Bearwalla honors Christ through Christian teaching, action, setting priorities in evangelism, worship, developing responsible Christians and helps youth discover Christ's life-changing love, thus making it a great tool in the Kingdom's work.

It has been a good year. Over 1,382 people used the facilities with approximately 672 campers. There were 286 professions of faith and 673 other decision with amazing Christian growth and development of young people as well as adults.

A step forward in faith this year was the planning and execution of a yearly "Old time Camp Meeting" for the Association September 7-11. The response was good. The tent was donated by the Baptist State Convention. The committee directed by Rev. Doug Whitfield were Rev. Lawrence Goodman, Rev. Ed St. John, Rev. Gordon Corn, Brother Terry Robinson, Rev. Roy Waldroup, Rev. Harold Sitton, Rev. Doug Davis, Rev. Ken Fugate, Rev. Gary Pace, Rev. John McGee, and Rev. E.J. Jenkins. The evangelist was Dr. George Lockaby and C.W. Lyle directed the music. Due to bad weather the services were moved to the Tuxedo Baptist Church. Around 400 attended the Sunday evening service with attendance of 200 - 250 every other night.

Volunteer workers like John McGee, Bob Brown, Bob and Sandy Campbell, Avery Simpson, Earl and Ginger Smith, Tommy Martin, Bobby and Angie Deaver, Lawrence McCraw, J.B. Pace, Marvin Lively, to name a few; plus those who worked so hard repairing the cabins. No way anyone could appropriately give appreciation and credit for what these have accomplished.

The churches who support the camp year round, month by month with their offerings, plus their gifts to the Association, is the secret of the camp's success. The contributions and gifts over and above the budget made it possible to do so much more for the camp. Such as Tuxedo Baptist Church gave $500.00 for gravel to cover roads that had never been graveled before. Rev. and Mrs. John McGee gave over $2,500.00 to build the addition to the kitchen which was the greatest need the camp had to face this year. My what a blessing! May God honor and reward all of these for what they have done.

Some of the needs for the coming year are: Concrete the skirt around the bath house and swimming pool, remodel the old dining hall, paint all the main buildings roofs, redecorate the lodge dorms and add new mattresses, repair steps, etc.

This picturesque site of unexcelled splendor of beauty is under the direction of a committee of 21 people composed of pastors, men, and women from throughout the Association. These have worked diligently this year, but the challenge grows to plan financial support and to utilize the facilities for the greatest potential for making the camp an asset and ministry of Carolina Baptist Association.

GENERAL BOARD

Another year has almost passed for me as your representative on the General Board of the North Carolina Baptist State Convention and as stated before, a most rewarding experience for me. I have only one more year to serve and I would highly recommend to any of you who might be interested in learning more about your State Convention and would be willing to serve our Association for a term of four (4) years, to pray about this and contact our Director of Missions for more information. It will be the best four years of your life.

Highlights of the Year 1986

I. Main objectives:
   (1) Reach People
   (2) Develop Believers
   (3) Strengthen Families

II. Phase II of our Mountain State 200 NC/West Virginia Partnership to continue through 1988. Main emphasis on Church Development and starting new work. Phase I ended in 1985 with 91 churches and 46 missions established between 1981-85.

III. Separate offering planned and promoted for Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital.(May, 1986) $636,644 received as of mid-August and still coming in.

IV. New church group cottage completed at North Carolina Baptist Assembly at Caswell. Dedicated May 31, 1986. Cost $212,000.

V. North Carolina Baptist Mission project with Togo.
   Five Main emphasis:
   (1) Provide adequate drinking water
   (2) Catchment ponds (Provide water for cattle and livestock)
   (3) Building bridges
   (4) Build a demonstration village to improve living conditions
   (5) Evangelism and Missions.

Much accomplished in 1986 - Much more to go.

VI. History of North Carolina Baptist State Convention presented by Dr. Roy Smith, General Secretary.

1. Founded as such on March 26, 1830 - 14 messengers
   (Churches had been in existence in North Carolina 100 years prior to foundation of convention)
2. Challenged North Carolina Baptists to re-acquaint ourselves with our beginnings, where we have been and where we hope to go, that is the process we may discover where we are, and we might be able to be a part of the solution and not a continuation of the problem.

Remember me personally and Southern Baptists in general in your prayers that God will continue to use us in the Advancement of His kingdom.

Cecil Young, General Board Representative

BAPTIST CHILDREN'S HOMES

The Mission of the Baptist Children's Homes of NC, Inc. is continuing to expand into our 101st. year of child care; for broken, neglected, abused and homeless children and unwed mothers.

We as Christians are commanded by the Word of God, "to care for the widows and orphans," to provide for their welfare.

The overall purpose of this institution includes material needs and counseling toward the preservation of the home, working to rehabilitate families and striving to avoid separating a child from other members of their families.

The focus of this ministry is not only the emotional and physical care but also the spiritual redemption of their soul.

Our ministry includes the expression of love, education, and spiritual growth to manhood and womanhood.

What's new at Baptist Children's Homes? Thousands have joined in a campaign to "Build Children's Hope." What began as an effort to meet annual operating needs exploded into the most successful fund-raising projects ever undertaken by Baptists to raise money for current expanding expenses.

Twenty-one individuals were honored for their outstanding contributions to Moody Farm Ministries. The newest child care facility of Baptist Children's Homes of NC, Inc.

All Southern Baptist churches are encouraged to observe annual Children's Day in June. Every church is challenged to increase their responses to meet this vital ministry.

May I share a personal experience with you? A family in our area were recipients of benefits from Broyhill Children's Home. It is impossible to predict their outcome, had not caring, concerned, giving Christians responded to this call.1 Whatever good comes from this ministry, everyone can rejoice in having a part in it.

"Every Child is Worth Our Best Help"

Baptist Foundation of North Carolina

The purpose and objective of the Baptist Foundation has been, from the date of its incorporation and by the terms of its charter, to assist individual Baptist causes - with estate and deferred gifts. As a result, trust funds are now administered which benefit local churches, associations, specific mission objects and offerings, and every agency, school, and institution supported by Baptists.

In 1985, North Carolina Baptists placed over one million dollars in new trust agreements with the Foundation, making provision for the perpetual support of practically every Baptist cause. Endowment of Cooperative Program was a primary trust designation.

It is now possible through the Foundation for each Baptist to "Give it Twice," once to the family, then to the Kingdom causes. Through properly constructed trusts and Wills, family members and friends can receive one's estate , over a period of years, an amount exactly equal to, or even greater than the estate portion they would normally receive through an ordinary estate distribution. With the "Give it Twice" plan, after the family receives their portion, the entire estate principal is still intact, with the income from the entire estate available for Christian causes - forever. If giving is exciting for the Christians, giving it twice is surely twice as exciting!

An indirect, but profound benefit of Foundation services to the local church has been the enhancement of individual stewardship growth and commitment. In nearly every instance, those who elect to commit to Kingdom use a portion of their estate assets, are during their lifetime more committed stewards. They enjoy their giving, and this happy, conscious stewardship dedication must be a profit for the church.

The Foundation seeks to inform Baptist people of:
1. Their responsibility as stewards to make provision for the future use of their resources.
2. The critical need experienced by all Baptist causes for endowment support - the ongoing, assured support of those who support them now.
3. Ways by which these realities may be met and accomplished.
4. Counsel in wise decisions for endowing any Baptist cause - for instance, the Foundation may discourage a trust for a cemetary fund if the church already receives more funds than are needed to maintain that cemetary.

In summary, every cause the church promotes and supports can be endowed for perpetual and "forever" support. The Foundation's role is to help the church, church members, and congregations find the best way to do so.

NORTH CAROLINA BAPTIST HOSPITAL

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients come from all across North Carolina, from 31 other states and the District of Columbia. Eight patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency departments.

These people come to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40% of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of 9 young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The school of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton, and Charlotte with opportunities also in other communities such as North Wilksboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave $566,307 through the Cooperative Program and $374,238 through the North Carolina Missions Offering. These gifts help make possible two distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

CHRISTIAN EDUCATION

1. In a recent national broadcast the announcement was made that approximately 40 million citizens of the United States of America are illiterate. That means about one out of six Americans cannot read or write. Thomas Jefferson, our third President, once said: "If a nation expects to remain ignorant and free it expects what can never be."
2. Tax supported schools are absolutely necessary in our free society. Our schools under Christian auspices are doubly necessary for the training of Christian leaders.
3. Of the fifty men who signed the Declaration of Independence, all but eight were college trained men. Of the fifty-five who drafted our American Constitution, thirty-six were college trained.
4. Of the first 119 colleges built in America, East of the Mississippi River, 104 were establisned by the different Christian denominations, to meet Christian needs. John Harvard gave his library and half his estate to the founding ot this institution that bears his name. Over the gateway of this world-famed institution of learning may still be read these words: "That a learned ministry may not perish from the earth." Africa made more progress in a dozen years under the Christian leadership of David Livingstone that it had made in a thousand years before.
5. A Christian college should first, last and always endeavor to lead its students to be **Servants of Christ.** (Mark 10:45) If our colleges are to remain Christian, those who teach therein must be Christians.
6. North Carolina Baptists have established and supported seven colleges for a cumulative total of 786 years.

Now for a glimpse at each institution in recent days:

1834 - Wake Forest

Wake Forest is acknowledged as a superior university among church related schools and colleges in our nation.

1848 - Chowan

Chowan is engaged in a four million dollar campaign for additional student aid, scholarship assistance and program support.

1856 - Mars Hill

A revision of the General Studies Curriculum by the Fall of 1987, including statements of convictions by the faculty, embodied in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work.

1887 - Campbell

The new school of pharmacy will open in the Fall. A school of Education has been established for graduate studies locally and in foreign countries.

1891 - Meredith

Thorough instruction and Christian culture are central in the teaching mission of the college.

1895 - Wingate

The college has entered a 10 year 30 Million Dollar "Second Century: Vision for Excellence" campaign.

1905 - Gardner-Webb

Dr. M. Christopher White is the 10th. and new president.

1898 - Fruitland Baptist Bible Institute

Pray for us at Fruitland Baptist Bible Institute as we endeavor to make the focal point of our mission the training of capable and dedicated leaders for our Baptist churches.

Robert P. Hamby, Christian Education Representative

CHRISTIAN LITERATURE

R.I.F. is an effort to get youth to do more reading. It stands for Reading is FUNdamental, with emphasis on fun. For Christians reading is fundamental with the emphasis on the full word.

The Bible and Bible study material are necessary as the beginning place. It is fortunate that Baptist publications are wide in application and high in quality. It is the readers who take interest in seeing that denominational literature is kept as pure and as practical as possible.

In addition to this basic study material, Baptists have a good variety of high quality news publications by the Mission Boards, the WMU, Brotherhood and several other important departments of work. For North Carolina Baptists, the BIBLICAL RECORDER is the publication most depended upon for current news.

Christians have a responsibility to choose worthwhile reading material for the home and church. The amount of "trash" seems to get more and worse each year. Fighting pornography is good; but the positive approach of providing nourishing literature is even more important.

Alex L. Booth, Jr., Christian Literature Representative

COOPERATIVE PROGRAM

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925, many Baptists do not know what this plan is. The question -- What is the Cooperative Program? -- is often heard.

The answer is simple. What a budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad -- it's preaching the gospel -- it's healing in the name of Jesus through hospitals and clinics everywhere -- it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go ...preach ...teach ..."

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

Last year North Carolina Baptists gave $7,621,878 through the Cooperative Program. Supplementing this with Special Offerings amounting to $1,649,652 we had a total of $9,271,530 for all mission causes.

According to records available, Carolina Association gave $334,759 last year for World Missions through the Cooperative Program.

William W. Willingham, Cooperative Program Representative

AMERICAN BIBLE SOCIETY

Available figures indicate that significant progress was made in many areas of translation and distribution in the past year. Many calls came for Bibles and New Testaments in local languages from all parts of the globe, especially from churches in the Third World. In active international partnership, more than 542,000,000 scriptures were distributed world wide, an increase of 5 percent. Through the United Bible Societies we are supporting scripture translation work in 544 languages around the world. In 360 languages, a part of the Bible is being translated for the first time. The Bible Society has a clear commitment to provide people with a full record of the wonderful works of God.

Much work continues to be done in translating the New Testament, individual Gospels and other books of the Bible in foreign languages.

Your generosity carried the Good News of Jesus Christ in the form of urgently needed scriptures "to the ends of the earth."

Some of the Bible causes helped:

IN UGANDA the Bible is in great demand. Special efforts make to reach many displaced groups as refugees from neighboring countries, provinces and others, victims of military conflicts and natural disasters.

IN MEXICO an emergency scripture distribution program established to reach families of victims with the Word of God, after the devastating earth quakes which struck Mexico City. Needy people everywhere shared in a special selection entitled "In Your Anguish, God Comforts You," the Bible's message of hope and assurance.

IN THE USA it was a great year of expansion. Many volunteers, dedicated Christian laymen and women, promoted the Bible Cause across our country. Scriptures in Braille or cassettes, and large print were offered.

We thank you for your caring in the A.B.S. Your generosity is a wonderful sign and your expanded support is essential to extend God's Word throughout the world.

Mrs. Gene S. Stepp, A.B.S. Representative

FOREIGN MISSIONS

A record 429 persons were named for missionary service. We now have 3,597 in service, the largest Protestant foreign missionary force.

In 1985, 158,626 people came to know Christ as their personal Savior.

Preachers wanted: the need for preachers continue to top the list for missionary personnel. Last year Southern Baptists entered two new countries and had to discontinue in one. We now have work in 306 countries.

Finances at a glance: Southern Baptists gave $4.10 per capita to the Foreign Mission Board through the Cooperative Program and $64.7 million to the Lottie Moon Christmas Offering. Eighty-seven percent (87%) of income was used for missionary support and over seas expenditures. Hunger and Relief gifts were up 64%. Total receipts were up $19 million over 1984 for a 13.92 percent increase. A total of $160,928,000 was given. The need to feed the hungry and heal the land by drilling wells, growing food, planting trees, all this and more are workers spreading the love of Christ. A total of $9.2 million has been allocated for Hunger and Relief in 1985.

Media: Mass media efforts throughout the world continue to win lost people to Christ and this starts churches.

In July 470 volunteers spent a week in Jamaica. Workers taught approximately 20,000 children in Bible Schools. More than 2,400 people accepted Christ. A record 6,759 Southern Baptist short term volunteers were at work in 1985.

"The ultimate miracle in missions is changed lives of people who see the love of Christ incarnate in missionaries and come to accept Jesus as their personal Savior." says R. Keith Parks.

More important than money, the nightly news of earthquakes in Mexico City, or a coup in Nigeria, should be a call for prayer. Pray for missionaries and local people working to comfort and restore a family life in God's love.

For a more detailed report, read "The World in View. 1985. Free from the Foreign Mission Board.

IN HONOR OF

ROBERT AND SANDY CAMPBELL

Bob retired from General Electric in December 1987, after 38 years of service and Sandy from the Boston Store in May 1979 in Schenectady, NY

Land had been purchased several years earlier in Lakemont. Their home was completed in May 1979 and they moved back to Flat Rock from Scotia, NY.

Their church letter was returned to First Baptist Church East Flat Rock, where they were members from 1956 until 1966 before moving to New York.

Bob has been a choir member in all of their churches and Sandy has been Director or teacher in either Nursery or Kindergarten for about thirty years.

With there daughters, their interests has been in GA's, Sunday School, Training Union, choirs, youth work, Girl Scouts, WMU, Brotherhood and Diaconate positions.

Migrant Ministry was done from the East Flat Rock Church in the 1950's and 1960's. All English speaking at the time. The first Spanish family in a camp in East Flat Rock was 1964. Not a happy time as the Mother of five died with advanced tuberculosis. Sandy developed a love for the Spanish speaking with this experience.

Sandy only worked outside the home for about eight years after the youngest daughter finished High School. She spent many hours in Mission work at Scotia Baptist and helped organize FISH in Scotia, NY. She and Bob continue to drive for FISH in North Carolina. Sandy went on a mission trip to Haiti with American Baptist Convention in 1978.

Upon returning to North Carolina Bob became interested in Camp Bearwalla and spends time there each week helping where needed. Both do maintenance in Prayer Garden and around the lodge.

Sandy turned her attention to Migrant Ministry again, in her church and on an Associational level. This is with the Spanish Mission and Migrant Ministry. Bob is very supportive in both areas. The Lord blessed them with good health and many hours are spent working together at the Spanish Mission, Migrant Ministry, and Camp Bearwalla.

Time is devoted to counting money, associate teacher, class secretary, choir, WMU, Senior Group and East Flat Rock Community Club.

When Ruth and Leslie Kearns moved to Clemson, SC, Sandy took Ruth's job as Chairman of the Migrant Ministry and Spanish Mission. Both feel God wants a Spanish Church in Henderson County.

Bob was born in Lynn, MA and Sandy in Hawkinsville, GA, never fought the "Civil War" and have been blessed with forty-six years of happy marriage.

Their love for the Spanish speaking people is based on, "One of the least of these my brethren." Matthew 25:40.

IN HONOR OF BOB AND SANDY CAMPBELL
THE 1987 MINUTES OF CAROLINA BAPTIST ASSOCIATION
ARE DEDICATED

IN MEMORY OF

LEONARD BLAINE MARLOWE

L. Blaine Marlowe was born May 13, 1909. The son of Judson and Bessie Lancaster Marlowe. He resided in Henderson County most of his life.

Blaine married Martha Ruth on December 24, 1932 and they were blessed with five children: Kenneth of Athens, GA, Elizabeth of Anaheim, CA, Steve, Wanda, and Lois of Mills River. He was employed as a pipe fitter by Ecusta Corporation from 1941 until his medical retirement in 1963.

On June 5, 1932 Blaine joined Mt. Gilead Baptist Church and served it faithfully. He was elected Deacon in 1951 and Chairman of Deacons in 1975, taught Junior Boys and Girls Sunday School classes for several years, was a member of Brotherhood, a trustee of the church and served on the Building and Cemetery Committees.

Blaine loved and supported the church and the Carolina Baptist Association. He was a messenger to the Baptist State Convention and owner of an Honorary Deed for generous support of the Square Foot Campaign.

Blaine went to be with the Lord on January 22, 1987.

IN MEMORY OF LEONARD BLAINE MARLOWE

THESE 1987 MINUTES ARE DEDICATED

IN MEMORY OF

WILLIAM F. BALDWIN, JR.

William F. Baldwin, Jr. was born in Upper New York State, moved to Asheville and then Hendersonville in the late sixties when an impaired heart brought early retirement.

Bill was faithful to his church, Brightwater Baptist Church and his wife, Minnie's church, St. James Episcopal Congregation. In May 1971 Bill was received as a member at Main Street Baptist Church, quickly becoming a part of his church family, making friends among the children, youth and adults.

In his quiet, unassuming way he taught Junior boys in Sunday School, assisted in Youth activities and endeared himself to them. Never wanting public acclaim he was always at work behind the scenes.

Bill, on several occasion, was asked to be a candidate for Deacon. His first and last word about it were from 1 Corinthians 12:28 - HELPS - is my gift and what a Helper he was to his church and his fellow members.

Handy with tools - he mended and fixed things around the building overlooked by others.

Bill and his car were always available to transport those who needed his help.

The Baldwins were chosen "The Sweethearts" by the youth of the church at their Valentine's Banquet. The Baldwins were loved by all who know them. Bill responded when volunteers were needed in the Carolina Baptist Association. Many times he was found among those getting Camp Bearwalla ready for opening date.

Bill was called home to Heaven in May 1987 - our lives are richer for having known this Christ-like, Christian, helping gentleman.

PROCEEDINGS

1. On Monday night, October 19, 1987 at West Hendersonville Baptist Church, the 110th. Annual Session of the Carolina Baptist Association was declared in session by Rev. Rich Liner, Moderator.

2. Rev. David Hyde led in prayer and Ed St. John led the congregation in a hymn.

3. The Bible study was led by Rev. Frank Baker, a retired foreign missionary, who had returned to the states in March from South Africa. He used Psalm 1 and spoke of the wisdom and praise in Psalms. He spoke of lifestyles and referred to those aspiring for the presidency and certain evangelists whose lifestyles are currently being scrutinized. He said happiness is the reward of those who love God and walk in his ways. The wicked and ungodly never take God into consideration in the most important decisions of their life, and the main thought is that the righteous man does not follow the example of those who are ungodly.

God's law has been incorporated in the Christians life. The truth of our Christian nature is revealed in the way we respond to others. The rewards of a Christian life are stability, strength, security, fruitfulness, longevity and prosperity. These contrast with the wicked who are chaff or trash which the wind blows away, and they can't stand to be in fellowship of the righteous. The wicked shall perish - come to nothingness.

4. The messengers were welcomed by Rev. Charles Magnet, pastor of the host church.

5. Judge J.W. Jackson was introduced as the parliamentarian.

6. Charles Magnet made a motion that we adopt the programs as printed and with the addition of a Treasurer's Report an a Historian's Report.

7. New pastors and staff came and introduced themselves. They were: Rev. David Hyde - pastor of Etowah Baptist Church; Dr. Dale Tanner - pastor of East Flat Rock First Baptist Church; Raymon Smith - Youth and Education Director at East Flat Rock First Baptist Church; and Rev. Fred Griggs, Jr. - pastor of Pleasant Hill Baptist Church.

8. The congregation sang the hymn, "Blessed Assurance."

9. Rev. Mervin Garrison gave the following history of French Broad Baptist Church:

> French Broad Baptist Church is the oldest Baptist Church in Henderson County. As best we can determine by several sources the church was constituted before the year of 1792. Several references, including one that I will quote, says that "the French Broad Baptist Church was constituted the same year that the Bethel Association of Spartanburg, SC and adjoining counties in NC was organized" and doubtless became a member of that body. That year was 1789. One reference I have found indicates that it may have been as early as 1781, however, that reference probably would have been a time when

the church first started meeting for services and it probably was not constituted as a Church. As the Baptist work grew in Western North Carolina, the French Broad River Baptist Church, as it was sometimes called, became an active Church in the formation and work of Seven Baptist Associations, in addition to the Bethel Association that began in 1791; the following is a list of those Associations and their founding dates:

Broad River Association	- 1800
French Broad Association	- 1807
Salem Association	- 1838
Union Association	- 1849
Henderson County Association	- 1882
Carolina Association	- 1844

The formation of new churches from a branchor arm of the French Broad Baptist Church was evident in the first half century of its existence. In 1802 the Mud Creek Baptist Church was formed from French Broad Baptist Church. At least three other Churches including Cathy's Creek in Transylvania County and Mills River Baptist Church in Henderson County also came from French Broad Baptist Church. Mud Creek then helped establish other churches in Transylvania County. This expansion and growth was surely the result of strong leadership of the early pastors. The first six of these men and their approximate years of service included:

Richard Newport	1791-1794
John or James Chastain	1798
Thomas Justus, Jr.	1779 & 1805
Benjamin King, Sr.	1805, 1812, 1815, 1832, 1838, 1841
William Kimzey	1823, 1827-1831
James Blythe	1838-1842, 1844, 1845, 1849, 1850, 1854, 1855, 1874, 1879, 1880

On May 6, 1920 the home of E.L. Sinclair was destroyed by fire, all records of the Church were lost in that fire, about 150 years of records.

The records we have gathered now for our 200th. Celebration are through the records of other Churches and through Associational Minutes wherever these may be found. The membership of the Church remained small during the early years and in the mid 60's of this century the membership first reached 100. Only in the last 25 years has there been sustained growth and membership and ministry. I am privileged to serve as only the third full time pastor of the Church, out of 42 known pastors. The research of Rev. Robert P. Hamby has helped gather a lot of information for our Church and we continue to call on him and others for this information. Our building is now located about one mile from the original building which was on the shores of the banks of the French Broad River at the edge of Mills River, between Mills River and Rugby. There are still grave markers in that area where the cemetery that was first beside the Church. The building in which we meet now is the fourth building the Church has used. This building was dedicated in 1977. It was a complete new structure at a cost of $155,000. Church bonds were sold and we are one year from paying off all the bonds and will be debt free. the present membership of the Church has surpassed the 390 mark. Our annual budget is over $125,000 and I would say that approximately 20% of that goes to mission causes beyond our

church field and we continue to increase year by year. Two years ago, we purchased tow additional acres for expansion in the future and this land will be paid for by the end of this year. French Broad Baptist Church has kept close ties, through the years with the local Association, with the State Baptist Convention and with the Southern Baptist Convention. We are committed to proclaiming the gospel of Jesus Christ to Henderson County and we join all of you in that task and we commit our resources to see that the gospel is continuously carried around the world. And we continue to pray that God will call our from our midst individuals to go and serve in places where He will lead. Just recently, about a month ago, French Broad Baptist Church elected a committee to plan and prepare for the celebration of our 200th. Anniversary. Since we do not know the exact date of that organization or even the exact year, with great certainty, I anticipate that we will choose a year of celebration. It will probably be 1989, so we will be busy during the next fourteen months making preparation for a year long celebration. Since this will be a year long celebration, and since French Broad Baptist Church is the oldest Baptist Church in Henderson County, we are going to invite you to be a part of that celebration, because as we anticipate having publicity throughout our area and across North Carolina and possibly even in the Southern Baptist Convention, we want you to be a part of it, and others who would like to be. We will be inviting you to share with us in the celebration and so you pray for us as we make this big venture and celebrate in this place. One prayer request that I make of you is of very immediate concern. OUr Church will be considering, next Sunday morning, the addition of a full time staff member, which will be a Minister of Music and Youth. We will be voting next Sunday morning on a young man coming to us. Pray that God will continue to lead us as we are willing to go and serve and minister in this place.

10. Mr. and Mrs. Frank Baker gave a report on Foreign Missions (South Africa). Mr. Baker said since he had the Bible study he was going to turn the report time over to Margaret. Margaret Baker said it was good to be back in Hendersonville. They had been here in 12983. She compared the Africans to the civilized people of today, who have taken 2000 years to become civilized. She said we expect the Africans to come out of a village and be civilized. In the 40's and 50's the Africans were given a Country, they had schools and hospitals and a Government and were told to run it, and he had grown up in a grass hut. He had no idea what it was to be a president or governor. She says there is a great change going on in Africa. The African is stepping away from the tribal village and he is very much in transition, especially the African women. The middle aged woman is simply being ignored, because she was an adult before education was available, so here she is still doing the field work and bringing up the children, grandchildren and great grandchildren and doing the heavy work. Then loving Christians sent Missionaries to these people. We have been sent teachers, evangelists, medical personnel, hospital administrators, bookkeepers, accountants, builders, water engineers, veterinarians, dentists, doctors, nurses, media specialists, music specialists, women's workers, young peoples workers, social workers, printers, publishers, and so on, so not all missionaries are preachers.

Mr. Baker said that a great revival is now going in Tanzania. He

related how he took Christian films out and showed them and hundreds of people would come and stand in the dark to see these films. John McGee led in prayer for the Missionaries.

11. There was a motion to adopt the Book of Reports as printed. This motion was seconded and carried.

12. There was a motion to accept the Nominating Committees report as printed in the Advanced Book of Reports. This motion was seconded and carried.

13. Under miscellaneous business, Mervin Garrison proposed changes to the Constitution to be voted on tomorrow (10-20-87).

1. Action was taken at a recent Executive Committee meeting to change Family Life Committee to Family Life Council of which there will be three or four committees depending upon it future organization, so we need to change the wording of the Constitution in Article VI, Section 4 to add Family Life as one of the councils between Pastoral Emphasis and others.
2. Under Article XI, Section 1 we will delete Mission Store as one of our Standing Committees since we no longer have a Mission Store. We will delete Association Camp Council since this is a listing of Committees. Delete Family Life as a Committee. Add under Standing Committees Camp Committees and Family Life Enrichment Committees.
3. By-Law IV, Section 18 - Delete 18 and in its place put By-Law XI. The Family Life Council shall be composed of the Family Life Director and Chairman of the Family Life, Singles, Senior Adult and Youth Enrichment Committees, and any other committees as the need arises. These members shall plan and direct activities which will stress the importance of Family Life within the Association and shall report such plans to the Association or Executive Committee.
4. There was a recommendation through the Executive Committee that the New Work Committee be changed to a committee of six people rather than twelve.
5. In the July 21, 1987 Executive Committee meeting, it was recommended that the Chairman of Standing Committees be permitted to serve more than one year.

13. Sam Gore said that in his work with the Family Life Committee, he received a letter dated March 23, 1987 from Adrian Rogers, President, Southern Baptist Convention, stating that he (Mr. Rogers) had previously written the pastors about a multi media presentation entitled "America You're Too Young To Die." Since that time that program has been seen by thousands of Southern Baptists as well as being aired on prime time TV, where millions viewed it. There is now a sequel entitled "The Family Holding on For Life." He urged that everyone see this production, featuring the New Life Singers. Sam perused this information and it will be put on at Balfour Baptist Church, Friday, November 6, 1987 at 7:00 p.m., sponsored by the Carolina Baptist Association.

14. The Treasurer's Report was presented, as printed in the Advance Book of Reports, by Leonard Lemmons. Leonard stated the budget would be presented tomorrow to be voted on.

15. The attendance was reported as 143 messengers and 30 visitors.

16. The Spanish Report was given by Sandy Campbell. She presented the report as printed in the Advance Book of Reports and also stated that communion was begun in June. Sandy called attention to the budget of the Spanish Mission. Their building fund was begun one year ago with $2500 and today they have $7500. Land is needed on which to build a church. Rev. Rudy Aguero, Pastor of the Spanish Mission, said it is a pleasure to be a Pastor here in the Association. They have 72 in church. The Spanish Choir sang two songs.

17. Ron Pinkerton introduced the speaker for the evening, Dr. Howard Ramsey for the Home Mission Board. Dr. Ramsey is Director of Personal Evangelism at the Home Mission Board. He brought greetings from the Home Mission Board and thanks for gifts to the Cooperative Program and the Annie Armstrong Easter Offering.

Dr. Ramsey's text was taken from John 4:27-31. Principles that have to become personal Principles. We have 168 million lost people in America. If 1/3 of the people who have their names on the Church rolls, identified three people each year and presented the Gospel to them, we could reach 196 million people by the year 2000.

Principles that Jesus talked about to his disciples were:
1. Compassion for people. 2. Commitment to the mission of our Heavenly Father. 3. Consciousness of the urgency of the hour. 4. Comprehension of our Lord's strategy to take the gospel to the uttermost parts of the world. Jesus shared the gospel with the woman at the well, Jarius' daughter, the leper, the widow's son and the multitudes he fed. Dr. Ramsey pointed out the reluctance of Christians to witness to the people around them. The Lord's strategy if for some to plant and others to reap the harvest.

18. The benediction was by Rev. Doug Davis and the session adjourned to reconvene at 4:00 p.m. on Tuesday, October 20, 1987 at Mud Creek Baptist Church.

AFTERNOON SESSION

19. The Carolina Baptist Association met at Mud Creek Baptist Church. The session opened with inspirational music by the Etowah Baptist Church Choir.

20. Declaration of the Session was by Rev. Rich Liner, Moderator. Rev. Greg Mathis gave the welcome to Mud Creek Baptist Church.

21. Dr. Dale Tanner led in scripture reading and prayer. His scripture was John 14. Ed St. John led the congregation in the hymn, "Stand Up, Stand Up for Jesus."

22. Paul Chandler gave the report of the Committee on Committees, listed on page A-3 of the Advance Book of Reports. One name was added to the Camp Operation Committee - Mr. Charles Capps, Horse Shoe Baptist Church, 1988. His address is Route 7, Box 127, Hendersonville, NC 28739, telephone - 891-4617. George

Denton is to be listed as Chairman of the Camp Development Committee and Jimmy Beddingfield as Chairman of the Camp Operation Committee. John McGee is Chairman of the Camp Maintenance Committee and Keith Arledge is Chairman of the Camp Finance Committee. Mr. Chandler placed in nomination those people listed. This was seconded. Ron Pinkerton stated that the name of Bob Campbell - Camp Maintenance should be added. These were elected.

23. Rev. Mervin Garrison gave the Executive Committee report. Highlights of Executive Committee meetings were: At the Executive Committee Meeting at Naples on January 20, 1987, the Association reported a $400 balance in the black for the first time in four years. The Sunday School report included the announcement that Dr. Gene Skelton will be leading a Sunday School Growth Campaign. The WMU reported information on Pastors Appreciation night. The Association Rally held at First Baptist Church Hendersonville was announced; Dr. Ralph Carson to be speaker. Star of Bethel Baptist Church Choir will sing. John Rymer announced that the Resource Center Building was just about completed. The Media Center announced information about equipment and supplies they had received. Business items at that meeting were: 1. Our Director of Missions, Ron Pinkerton, requested to be permitted to use Budget Item 314, Travel Allowance, to lease a car in the name of the Association for his travel purposes and this was approved. 2. The Moderator is to appoint a five member Steering Committee for the World Missions Conference in 1988. The Committee being - Chairman, Mervin Garrison, Barbara Jean Connell, Charles Magnet, Doris McGee, and Dr. Henry Parker.

At the meeting on April 28, 1987 at French Broad Baptist Church, the Family Life Committee recommended to us that Judy Stoneham be secured as Director of Family Life on a part time basis, the salary available through funds from the State Convention. This passed. Key Leadership meetings at Ridgecrest and also for our Association were announced. The Migrant Committee gave a very positive report and there were reports from other committees. It was announced that the Rev. Hugh Eichelburger was available to the churches and to the pastors for counseling and he would welcome referrals from the churches and other individuals.

The July 21, 1987 meeting at Hendersonville First Baptist Church contained four recommendations from the Associational Council.
1. To state our intention to present to the Constitution Committee to bring before the Association a recommendation that the structure of the Association and the Constitution be changed to include a Family Life Council.
2. A recommendation that the Association appoint a Director of Stewardship under the Church Development Council.
3. A recommendation that Committee Chairmen be permitted to serve more than one year on a Standing Committee.
4. A recommendation that the New Work Committee be changed from 12 to 6 members.
The Finance Committee recommended that we continue the loan on the Resource Center Building at $80,000 at 8% interest.
There was information shared about the new format of the Association Newsletter. A Resource Center Banquet was held August 4 with Sue Fitzgerald from Mars Hill College as speaker. Ed St. John announced a Music Workshop at Ebenezer Baptist

Church. The Sunday School Growth Campaign was announced with nine participating churches. A Church Clerk Clinic was announced. A Committee on Committees was appointed. The Moderator appointed Chairman, Paul Chandler, Margaret King, Greg Mathis, Harold McKinnish, Lucy Sitton and two additional members to be added. Greg Mathis on behalf of the Associational Council made the following recommendation - that each year an offering taken at the Associational Rally go toward paying off the debt on the Resource Center Building. This recommendation was approved.

24. Rev. E.J. Jenkins gave the Camp Report on page A-20 of the Advanced Book of Reports. He recommended the adoption of the report and it was noted that it had been adopted in the full Book of Reports on last evening.

The Camp Committee made the following recommendation: Bear Walla Baptist Camp needs financial support from the churches of the Carolina Baptist Association. A special day each fall can be used to promote the mission and to take a special offering for its financial support. During that same emphasis, support for the Carolina Baptist Association through a percentage of the church's budget can be promoted. The first Sunday in November is the suggested day for the offering each year. The promotional material for the offering this year will be a bulletin insert. It is suggested that each church select representatives to distribute the bulletin inserts and make a special presentation concerning the work of Bear Walla Baptist Camp the week before and on the day of the offering. The representatives should promote the camp as an integral part of the Carolina Baptist Association. It should be made clear that all money given through this offering will be used only for the Camp budget by the Association. We suggest that each church use their own envelopes and mark on those envelopes Camp Bear Walla Ministry Offering. The theme for the offering will be "Camp Bearwalla - A Spiritual Harvest." The theme is appropriate due to the fact that during the past year 128 professions of faith were made, and 22 committed them;selves to vocational ministry, 208 rededications were made and 1,331 people registered for camps and retreats. The suggested name for the offering is "Camp Bearwalla Ministry Offering" and it will be an annual offering. The Association adopted the proposal.

25. Sandy Campbell presented the Migrant Committee Report, page A-10. She also reported on Migrant Night, which was well attended with lots of food and lots of fellowship. The only new feature is a Spanish Class they are planning.

26. There are 93 registered messengers this afternoon.

27. The Committee on Place and Preacher reported: The meeting next year will be October 17, 1988, Monday night, at Etowah Baptist Church and on Tuesday, October 18, 1988 at Naples Baptist Church. The preacher will be Rev. Bill Landreth of the Locust Grove Baptist Church and the alternate will be Rev. Darryl Maxwell, First Baptist Church, Tryon,

28. Under miscellaneous business: The Moderator asked Rev. Mervin Garrison to come and moderate at this time because the Vice Moderator was not present. Rev. Garrison asked the assembly to open their Advanced Book of Reports to page A-1 and A-2, Report of the Committee on Nominations. The Association voted to

accept this slate of officers. Rev. Rich Liner resumed the position of Moderator.

29. In regard to the Constitution, Rev. Mervin Garrison presented the recommended changes to the Constitution as presented to the Association last night and printed on page 1 of the Advanced Book of Reports, also the recommendation that the New Work Committee be changed to a Committee of six people rather than twelve, and that the Chairman of Standing Committees be permitted to serve more than one year. The Association approved these changes to the Constitution.

30. Rick Clark gave a report for the Church Development Council, page A-12 of the Advanced Book of Reports. He also gave a report on what happened at Camp during Ra/GA Camp.

31. Ed St. John gave the Music Report, also listed of page A-15. He also asked for a list of the music each church might have that they would loan to other churches. He noted that it is illegal to copy music and there is a fine of from $250 to $5,000 per copy for copying music.

32. The congregation sang "Nothing But The Blood of Jesus."

33. Lawrence Goodman gave the Sunday School report. He first passed out two sheets of copy to each person. He said he felt our progress had been slow during the past year. He said there were three occasions which gave churches opportunity to gain valuable information. On those occasions the Sunday School Department came and offered to us an interpretation of the curriculum, went over the literature and learned how to use it. We also had our local "Assist Team" who were sent for training then came back and offered Association Pastors a Sunday School planning workshop and we also had the Sunday School Growth Campaign. Only nine churches received some valuable instruction and help and they will gain momentum as time goes on as they put into practice those principles that were taught. Some churches have already experienced phenomenal growth in just a matter of a few short weeks. Rev. Goodman referred to the paper he passed out showing a chart. One chart showed Sunday School enrollment from 1981 to 1987 and he said that from 84 to 87 we stayed about even. One chart showed Sunday School attendance and there was a decline about the last four, then we stayed about even. One chart showed baptisms. Baptisms were low from 1981 to 1987. We went from 1 baptism for every 24 resident members to 1 baptism for every 50 resident members. We had ten churches in Carolina Association last year (1986) that did not have a baptism and that doesn't include the churches who did not report. This year (1987) we had 13 churches who did not report a baptism and that does not include 4 or 5 churches who did not report. He pointed out a desperate need for us to do something. In the period covered by these charts our population in Henderson County has grown in excess of 10,000 people. The second sheet he passed out was a survey of needs which he asked that those present fill out and give back to him. Data from these sheets will be used to make a five year plan for Sunday School work in the Carolina Association.

34. There was no one present to give the Brotherhood Report.

35. Hazel Duncan gave the Media Report. She directed us to page A-16 in the Advanced Book of Reports. She said we have had 142 tapes circulated just in the Family Life Series. She said she has a new supply of Brotherhood materials including some for Baptist Young Men and High School Baptist Young Men. She also mentioned the penalties for copyright laws.

36. Jerry Hyder gave a report on Youth. He said that 50% of the marijuana confiscated in the state of North Carolina was right here in Henderson County. Fifty percent of all accidental deaths are alcohol related. He referred to the report on page a-15 in the Advance Book of Reports.

37. Doris McGee gave the Senior Adult report on page A-18. She said there were two corrections to the report as printed. Add Tuxedo Baptist Church right after Tryon and in the last paragraph it was a donation of $123 given to help with the work of the camp. Doris offered to help any church that would like to organize a Senior Adult Group.

38. Judy Stoneham gave the report on Family Life, along with Sam Gore, Chairman of the Family Enrichment Committee, Laurie Winters on the Single Ministry. Sam Gore said in our Association, we can do something to help families through "The Family, Holding on for Left" with the Life Action Singers on November 6 at 7:00 p.m. at Balfour Baptist Church. Laurie Winters said the Singles are having Bible study at the Resource Center with 10 members present. Their Christmas project is to decorate the Baptist Resource Center for Christmas. They plan to take part in Seminars and Retreats and hold quarterly fellowship meetings. She encouraged churches to start singles groups. She would like to contact someone in each church and asked that names and addresses be left on the legal pad in the vestibule. Judy stated that we need to be undergirding and strengthening families. She said one counselor said of all the men who came to him not one said, "I wish I had spent more time at my work," they all said "I wish I had spent more time with my family." She noted that there are several video available at the Media Resource Center on Family Life. Judy told us that pastors spend so much time counseling people who are going to be married that Ron will be conducting a Seminar at the Baptist Resource Center beginning November 5 for three consecutive Thursday nights, for people who are going to be married. They are making a list of Resource people who can help teach in the churches.

40. Ed St. John led in a hymn, "How Great Thou Art."

41. Ron Pinkerton started the historical report of the youngest church in the Association - Providence. He said the pastor, David Diehl, who is partly sponsored by the Home Mission Board and the Baptist State Convention, along with the people at Providence was unable to attend this meeting. David Diehl was with the Home Mission Board in Atlanta for training. MIke Penland, a layman who was instrumental in starting the work at Providence, continued with the report. Providence started out of Naples Baptist Church. It started as a Fletcher Bible Club and the first night they met they had 5 people. In a few months it had grown to 11 people and they met in a trailer next to Bagwell Lumber Company for two years.

During that two year period, they gained 34 people and after they were chartered they began to rent the Union Hall at Cranston Print Works. There are now 46 members. He stated that God has blessed them and thy now have members who said they would never darken the doors of a church. He stated that starting this new work was extremely taxing psychologically but God has blessed them in their efforts. Mervin Garrison led in prayer for this new church.

42. Audrey Saunders read the list of those deceased during the last year (104) after reading Psalm 1:16.

43. The report on enrollment was 114 messengers and 21 visitors.

44. Rev. W. W. Willingham gave the Report of Resolutions:

The Resolutions Committee of the One Hundred Tenth Annual Session of the Carolina Baptist Association, on behalf of the messengers, acknowledge with grateful appreciation the blessings of God upon us individually and corporately during the past year and during this session. We give God the glory.

Be it resolved:

1. That we offer our sincere thanks for the gracious hospitality shown by the West Hendersonville Baptist Church and the Mud Creek Baptist Church who cared for our needs during these two days of meeting. We give our special thanks to Mud Creek Baptist Church for providing us a bountiful and delicious meal.
2. That we offer our sincere thanks to our Moderator, Rev. Rich Liner; Vice Moderator, Rev. Doug Whitfield; Rev. Mervin Garrison who assisted the Moderator in this meeting; Treasurer, Leonard Lemmons; Clerk, Mrs. Marguarite McCraw; and all other officers of our Association.
3. That we offer sincere thanks to those who planned and executed the program. We especially are grateful for the inspiring Bible studies by Rev. Frank Baker, the challenging messages of Rev. and Mrs. Baker, Dr. Howard Ramsey of the Home Mission Board, and Rev. Lawrence Goodman. We extend our heartfelt thanks to those who directed our music, played the musical instruments, and presented special music. We give our special thanks to the choral group from our Spanish Mission who sang so beautifully Monday night. We extend our sincere thanks to Mrs. Anita Suttles for the lovely music tonight. We offer our profound thanks to all who participated in the program these two days.
4. That we commend our Director or Missions, Rev. Ron Pinkerton and his staff for their splendid leadership to this point and pledge to them our prayers and continued cooperation in the days ahead.
5. That we offer our sincere thanks to the Registration Committees of our host churches for their efficient services to this 110th. Session of our Association.
6. That we commend our fellow messengers of our various churches for the beautiful spirit of reverence, cooperation, and dedication which has been exemplified during these meaningful days.

As we give gratitude and thanksgiving to God for the year(s) past, let us look forward to another year with faith, courage, resolution, and great expectancy, the Great Commission of our Lord being our goal. This report was approved.

45. Mervin Garrison, Chairman of the Steering Committee of the World Missions Conference gave this report. The World Missions Conference will be held May 1-4, 1988. The Brotherhood Department of the Southern Baptist Convention, the Home Mission Board, the Foreign Mission Board and our State Missions office helped us put together a date and plan for a World Missions Conference. We had 28 churches who were participating in this, at last count this was reduced to 26 churches. We will have to tell them to send 2 missionaries somewhere else if we cannot get 2 more churches to participate. We can expand this to many more churches if they will sign up to participate. Mervin said he had requested an item of $1800 in the budget to undergird the cost of this Conference. If a church cannot afford to give the $200 to participate, we will have this $1800 to fall back on, so that all churches will be able to participate. I believe we need to get this information in front of our young people who are making career decisions.

46. Rev. Ron Pinkerton gave the Director of Missions report. He expressed appreciation to West Hendersonville and Mud Creek Baptist Churches for hosting the Annual Meeting. He referred to his report on page A-8 and said we need leaders, we do not need to be entertained. He encouraged us to become leaders in spreading the gospel. He expressed his appreciation for the new Resource Center Building to work in and said it is being well used. Ron referred to the special offering in March aa the Rally for the building and said we owe $88,000 on the building and he encouraged the churches and individuals to give generously.

One thing Ron wanted to share was mission opportunities. He said we have an opportunity for a local Missions Corp. We have to get lay people involved. We have youth who need big brothers and big sisters; people who need storm windows or plastic installed over their windows; people who need help through Interfaith Assistance Ministry; for people with cancer we could work through Hospice; jail ministries; prison ministries and a lot of work needs to be done at Camp Bearwalla. We need to put together a group of people who are willing to give a certain amount of time per week or per month to be involved in local ministries. There is Mission Service Corp for those who can go away for foreign or home mission projects. Some of us can give only a few hours, which could be done here at home. We need a Director, Volunteer Director, Project Development Director and an Assignment Director. We need to look at the possibility of a Missions Investment club. We could buy land on which to build churches much cheaper now than 20 to 30 years from now. If we can plan ahead we might come up with strategic places for churches in the future. If we could get 200 people to give $20 per year for missions projects and this would go a long way on the missions projects. We also need someone involved who would promote these mission causes, promote publicity and also plan a banquet once a year, where we could come together and thank people for what they had done during the year.

The second mission project I want to share with you is a

foreign mission project. The state of North Carolina has joined with the state of Sao Paulo, Brazil for a 5 year period with the hope of starting one thousand churches in the state of Sao Paulo. One association here would join with one association there and try to meet the needs of that association. There is no financial commitment. Mostly what is needed is volunteers to go down and help them. The first thing is to send the Association Director of Missions and one other person to Brazil in March to meet with their leaders and talk about the needs they have. Then they would bring these needs back and share them with the Association here. They see the need for the volunteer to pay their own way. They will need construction crews, personal soul winners, social workers, pastors, musicians and perhaps medical personnel. I am asking you if you want to be involved in this missions venture in Brazil. The Association voted to join in the foreign mission project to Brazil.

47. Steve Briggs was recognized as Minister of Children at First Baptist Church of Hendersonville.

48. Cecil Young presented the budget for 1988 (page 27-30). Cecil expressed his thanks at being permitted to serve on the General Board of the Baptist State Convention. He said he had thoroughly enjoyed it. Cecil referred to the budget as listed on pages 27 through 30. He recommended the adoption of the budgets and the Association voted to approve them.

49. Ron Pinkerton reported it is impossible to meet the Camp Bearwalla bills with what was budgeted. He said approximately $1500 in bills are to be paid and $3000 in salaries and the budgeted money has already been spent. He asked for authority to switch money from the Association budget to the Camp budget to meet these needs. Doug Davis made a motion that Ron be permitted the authority to switch $4500 from the Association budget to the Camp budget. It was seconded by John Rymer, and the body voted in approval of this motion.

50. Sam Gore chairman reported for the Committee on Dedication of the Minutes. They recommended that we dedicate the minutes In Memory of two people: Blaine Marlowe, deacon, Mount Gilead Baptist Church and William F. Baldwin, Jr., Main Street Baptist Church and In Honor of Bob and Sandy Campbell, First Baptist Church East Flat Rock. Sandy is chairman of the Migrant and Spanish Ministry and they both do a lot of work at the Camp. This was seconded by John McGee and the recommendation carried.

51. Rev. Lawrence Goodman presented the Annual Sermon. His scripture was Revelation 3:14-20. His topic was "Churches That Make God Sick." A church was making God sick. They got complacent and could not see beyond themselves. Churches are the people. This scripture is addressed to a church that is lukewarm. This is where most of our churches are today. We've forgotten the basics that Christ taught us. We are told today, there are more people in our state unchurched than there are in church. If we repent, we will be that people called of God.

Things that are characteristic of this church in this passage are:

1. Self Centered - plush buildings; stayed in their own little clique.

2. Indifferent about Holiness. Can't be distinguished from the world.
3. Has become uncommitted to service to the Lord. The Holy Spirit of God will call us to our commitment if we allow Him and we can turn our country around for Jesus Christ.
4. Unconcern about Bible study programs in the local church. A good Bible study program will reach more people for Christ than our preaching.
5. The church has become shortest in Prayer. There is a need in churches today for some of the prayer services of years gone by. I verse 20 we see God is indicating in essence that Christ has been pushed out of the church. Why does God get sick at a luke warm church?

    1. Because it blinds the eyes of those who are lost to the knowledge of Jesus Christ.
    2. Because it loses its vision of the lostness of man and the purpose of the church.

God's message is repent!

52. The 110th. Annual Session of Carolina Baptist adjourned with prayer.

DIRECTOR OF MISSIONS

Recently I have been watching the individuals getting in and out of the Presidential race. The thing that bothers me most is that the candidates are taking polls; courting pressure groups, in an effort to be what the most powerful groups want them to be. They are not themselves. They are trying to be what the public wants so they can get the power and recognition they want.

What has happened to the statesmen of our country? Where are the leaders with a vision and principles who are willing to lead us in pursuit of the good of mankind rather than in pursuit of their own recognition and prestige?

I see the same void of leadership in our churches. We have our issues, and our projects and we try to pull people to our cause. We divide ourselves up into groups and work against each other on the basis of what we say to each other.

Where are the Christian leaders who have a vision of the Kingdom of God who are willing to lead us beyond talking and vying for power to a Christian life filled with the love of God and on mission to act it out in the market places of life? We are following the way of the nation (politicians) rather than the way of Christ.

We voted several years ago to develop a Local Mission Corp. I ask your help in establishing this group because I believe it can be the avenue to portray God's love in our market place like it has never been shown before and really be on mission for our Lord. Briefly the program would work like this. A person would volunteer his/her skill for so many hours a week or a month. The commitment would be for six months and could be renewed. A person can volunteer for two areas of work. One would be for local ministries to help people with specific needs. The other would be to help a church develop leadership for a period of six months (example - help teach and train a teacher, play piano, work with youth, etc.) to strengthen that church.

Many of our church members have skills that are not being used. The Local Mission Corp would be a good opportunity to serve and feel the joy of being a part of sharing our Lord's love instead of just talking about issues. We could really show Christian leadership as we lived out the principles Christ taught us.

On a different note, our new building is being used even more than expected. There is seldom a time when only the staff is in the building. Some figures are:

- Over 1400 have used the Conference Room
- 40 meetings in Committee Room
- 700 - 800 migrants have been to get Rudy's help with legalization papers
- 60 - 70 have in been for counseling

We are thankful we have this building for God to use in His work and thankful you let Him use you to provide this excellent facility.

MISSIONS MINISTRIES

Work within the scope of the Missions Ministries Council has progressed during the past year in some strong ways. Let me share two of these. First is the work relating to the Migrant and Spanish speaking people in our area. This expanding ministry within our Association and among our churches required the formation of two committees to properly guide the work. These two, the Committee on Migrants, and the Committee on Spanish, have been very active and the Lord is blessing their work.

The other area of activity that is expanding has been the area of Family Life. That work has been planned by a committee in the past. Now our Association has formed the Family Life Council. this action serves notice that the Family Life Council will be a major area of ministry within the life of the Carolina Baptist Association.

Pray for the ministry of our churches and Association as we continue to challenge our people to be mission minded with the Gospel of Jesus Christ.

Mervin Garrison

MISSION BAUTISTA HISPANIC "CAROLINA"

Mission attendance is growing, averaging 45 to 52 each Sunday with two Baptisms and seven professions of faith.

Thursday Night Bible study began March 5, 1987 at the Mission. "Mission Friends" being used with the preschool children and nursery provided. Average attendance 22.

Contributions to the Cooperative Program are 5% and to Carolina Baptist Association are 2%.

Thanksgiving, Christmas, and Easter covered dish suppers were held. Attendance and fellowship very good. We welcomed Leslie and Ruth Kearns at these dinners and several other occasions.

We have refreshments and fellowship the last Sunday each month, after the worship services, recognizing birthdays and anniversaries.

The Mission has been invited to several churches for programs about the Mission and songs in Spanish.

A highlight for the Mission people was a retreat in July at Camp Bearwalla. Also attended Evangelistic services August 16 at Camp. Rev. Aguero brought the Spanish message.

Mother's Day and Father's Day was recognized with flowers and small gifts.

A concert in Spanish by Montano Brothers was held in Fruitland auditorium, sponsored by the Mission.

It has been a very busy summer for Rev. and Mrs. Aguero. They have a new son, Joshua Jeremiah, born in July.

Rudy and Eva have helped illegal aliens gather proper documents of identification, fill out forms and meet all requirements for legal status. In June Immigration officials from Atlanta processed these papers at the Mission. Rev. Aguero and wife continue this work at the Resource and Training Center.

The new translator allows the English speaking to hear the Spanish sermon each Sunday.

Carolina Baptist Spanish Building Fund began September, 1986 with $2,500, balance now is $5,775. Please pray with us that God will open the way to secure the necessary land to build a Spanish church.

Our gratitude to Mt. Moriah for helping maintain the Spanish Mission.

CHURCH DEVELOPMENT COUNCIL

The Church Development Council of Carolina Baptist Association worked this last year to provide the best training possible to our Churches "Key Leaders." The first step involved the upgrading and training of our Associational leaders. During May 11-13, ten of us attended the Key Leadership Conference at Ridgecrest Conference Center. We gained a fresh perspective and a renewed zeal after being exposed to what our Southern Baptist Convention is doing to develop believers and reach those who do not know the Lord Jesus Christ. The council planned our own Carolina Association Key Leadership Conference.

Our Conference was held May 21 at Balfour Baptist Church. There were 11 different areas of training provided and well prepared. There were 61 people in attendance, 76 total including the nursery and refreshment staff. Eighteen churches were represented. This conference was well prepared for and ready to provide the latest materials and program ideas to our churches. If we are, as churches, going to develop (unfold, make active) then we must avail ourselves to every opportunity to enhance such development.

The Church Development Council completed it's service by submitting budgets and calendar for 1988. We express appreciation to each director that has worked so diligently on this year's council. May Carolina Baptist unfold in service to our Lord and this community.

SUNDAY SHCOOL

Sunday School work in the Carolina Association has progressed very slow over the last year. The Association has provided opportunities on three occasions for churches to gain valuable information and experience. The Sunday School Department offered a Curriculum Interpretation Clinic, the Assist Team of the Association offered an Associational Pastor/Sunday School Planning Workshop and we also gave the churches the opportunity to be a part of an Associational Sunday School Growth Campaign (only nine churches participated).

Only God knows how much has been accomplished.

We are now making plans to meet with the Sunday School Department, Assist Team and our Director of Missions to make a Five-Year Plan for our Association.

We need your help and we want to help you!

CHURCH TRAINING

Church Training involves training new members, equipping members, and training leaders. This is all a part of developing believers and strengthening families. Many churches realize the need for and value of Church Training. Some churches drifted away from Church Training for several years. But much has changed in Church Training and many churches are becoming involved again. A lot of the problem is that we fail to report training emphasis that we have in our churches.

Let me list some fine materials that we have available. To begin with, there are the dated materials which are improved. There are Masterlife and Disciple Youth studies which lead us into the Lordship of Jesus Christ and a deeper spiritual growth and enrichment. There are many very good Equipping Center Modules that help train and equip Christians in all areas of faith and life.

The following materials help develop believers and strengthen families: Parenting by Grace, Covenant Marriage, Prayer Life and Master Design.

Survival Kits I, II, III and the Encourager Plan help orient and train new members.

Decision Time: Commitment counseling and Master Builder: Multiplying Leaders to good use.

The Children's Bible Drills and Youth Bible Drills and Speaker's Tournaments have had good success and are gaining in popularity and are of great value.

There are many fine methods of Church Training - dated materials for Sundays, Wednesdays, or whenever you choose, Equipping Center Modules, Church Study Courses, doctrinal studies, pastors seminars, L.I.F.E. and many others.

Please use all that's helpful in developing and training your new members, members, and leaders. God will bless you and we will have stronger churches. Please report every kind of training you do each year on the annual letter. If I can be of help in explaining materials, methods, or manners in which reports are made, please contact me.

WOMAN'S MISSIONARY UNION

Nineteen hundred eighty six - eighty seven has been a good year for WMU. We have grown in each age level organization and been recognized by the State WMU for our work. You are to be congratulated on the work you are doing in your church. Keep it up. I am blessed with an excellent Council and appreciate the work each is doing. Let's take a look at their activities:

Kathleen Kimbrell, Centennial Chairman is busy planning activities for Our Centennial Celebration next year. During this celebration a "Thank Offering: will be taken to help pay off the debt on our building in Birmingham.
Our new Baptist Women Director, **Evelyn McAmis,** is busy planning for our ladies as is our Baptist Young Women's Director, **Ruby Pruitt.** Ruby planned a Spring Celebration for this group. **Wanda Love,** Acteens Director, formed an Acteens Council which had a Missions Fair. There were 41 in attendance. Girls-In-Action Director, **Peggy Barton,** had a Mother-Daughter Banquet with about 200 present. **Sherry Jackson** led our Mission Friends to participate in Our Annual Meeting and held numerous meetings with Mission Friends leaders. Mission Action/Personal Witnessing, under the leadership of **Mary Clark,** donated 400 cylinders of talcum powder to the Women's State Prison. She also led in the Christmas Toy Project which included personal witnessing to those parents who came for toys.

This in no way is a complete report of everything each of those leaders did the past year, just the most significant. Each attended leadership training and then let our Associational Leadership Training.

As I reflect on our year, the main activity, other than those mentioned above, was the Annual Prayer Retreat. This year we began Pastor Appreciation Night with over 100 in attendance. I was privileged to speak in some of our churches.

The above information was from that reflected in the annual reports filed for our Annual Meeting of the Carolina Baptist Association Missionary Union.

I would like to thank the Council for their dedicated work. I look forward to an even better year in 1987-88.

MEDIA

Carolina Media Library Organization took a look at goals, plans, budgeting and calendaring of events. As a result some goals have been met, some will continue as follow-ups, and others changed. Training will still be the main emphasis of the organization. Assisting and encouraging churches with existing Media Libraries and encouraging churches to establish Media Libraries is an on-going goal of the organization.

The Media Resource Center has been set up in the Baptist Resource & Training Center. This is one of the most active areas of our ministry. Family Life videos have been especially in demand. There are 4 TV's , 3 VCR's, 1 16mm Movie projector, 1 Overhead projector, 2 Screens, 2 stands, and 1 Slide projector available for circulation. Rev. & Mrs. Frank Heatherly donated another TV for our use.

The following video tapes are also available:

James Dobson	Focus on the Family Series "The strong willed child" "Shaping the child without breaking the spirit" "Preparing for adolescence, Part 1&II" "What wives wish their husbands knew about women"
Tim Timmons	"Why marriage when we can live together" "The eleven battle grounds of marriage" "Why are women so weird and men so strange" "How do you spell relief"
Charles Petty	"Pornography" "Television" "Changing roles in marriage" "Divorce" "Your marriage can be filled with pleasure" "Making your marriage last forever" How husbands and wives can keep from drifting apart"
Dawson McAllister	"Straight talk about friends and peer pressure" 2 tapes "How to get along with your parents" "Tough questions about sex"
Barry Woods	"The pied piper" "Right or wrong, how to decide" "Stumbling blocks and stepping stones" "Where are all the heroes"

Also quarterly Foreign and Home Mission Updates, stewardship, evangelism, Lottie Moon, and Cooperative Program video tapes are available.

These tapes and equipment can be checked out for use in your church by calling the Associational Office, 693-4274 or 693-3727.

Two events of interest to all churches will be the November workshop about the 1976 Copyright Law and the September 23-24, 1988 Seminar on "The Learning Team: The Learner, The Leader and the Library."

All Media Directors, staff, Pastors, and Music Directors will are invited to attend the Copyright Workshop. The 1976 Copyright Law as it affects Libraries, music and education will be discussed.

In September 24-25, 1988, Keith Mee, author, will teach the book, "The Learning Team: the Leader, The Learner, and the Library." This book is good leadership training for all church programs. Put this on your calendar and make plans for your leadership to take advantage of this opportunity.

Locust Grove relocated, reorganized, and updated their library this year. The Dedication Service was held on June, 28, 1987. Pleasant Grove has had a donation of books in Honor of Rev. C.E. Blythe and Coy Blythe to start a library. The Media Library Organization has assisted other churches with starting or establishing libraries. If any church needs assistance, please call us.

YOUTH COUNCIL

The Youth Council strives to provide opportunities for fellowship, witness, and ministry for the youth of our Association.

This past year we sponsored several youth rallies that allowed the youth of our churches an opportunity to worship and fellowship together. Rallies were held at the First Baptist Church Hendersonville Family Life Center and Patton Park. These were well attended and the gospel was presented in music and personal testimonies. A parent youth workshop was led by Don Hall at Balfour Baptist Church in May.

We look forward to more youth involvement, and expanded programing in the future.

EXPANDED ANNUITY PROGRAM

The Church Pension Study Committee was formed in 1981 at the request of the executive directors of the state convention and the trustees of the Annuity Board. The committee is comprised of a group of Annuity Board trustees and staff, state executive directors, and at large representatives of Southern Baptist churches. The committee was appointed to study the existing Southern Baptist Retirement Program and to design a plan and method of implementation that would meet the needs of ministers and employees of Southern Baptist churches.

Early in its study, the committee conducted surveys to identify the major needs and expectations for a church retirement plan. Based upon information obtained, efforts concentrated on several objectives:

To raise the level of benefits
To include all full-time church personnel
To increase the participation rate of eligible church personnel
To simplify the program
To offer a flexible program that meets the needs of both small and large churches, and the personnel who serve those churches.

The Committee designed the new plan to meet these objectives. It is scheduled to go into effect January 1, 1988, after approval by the State Conventions. The Plan is for ministers, directors of missions, church and associational personnel. The church or association will match the participants' contributions two-for-one, or the church may even wish to pay the contributor's part. The Baptist state convention will match one-half the churches; or associations' contributions up to $420 each year. The first $210 will be credited to the participants' retirement income accounts. The members' contributions plus money from two other sources will greatly expand retirement benefits. Churches and associating need to adopt the Plan by the end of 1987 for the Plan to become effective January 1, 1988.

CAMP BEARWALLA

One of the most profound and basic Christian belief is to recognize unequivocally the nature of God. The winds of discontentment, controversy, tension and change have blown into the world wide camp of Southern Baptists in multi forms of bewilderment.

Our Camp, with its environment, has made it possible long with dedicated and commited leaders to help formulate an answer of **BIBLICAL REALISM** producing a genuine experience of Christian living to meet this challenge on our world today.

There were **1,331** registered for retreats and week camps. There were only five full weeks because three large groups cancelled. There were 16 weekend retreats, 7 groups for picnics and 9 one meal groups, plus 8 other groups using the facilities. The Camp Revival was transferred to Tuxedo due to bad weather. Plans were being made for a revival to be held in the parking lot at Mud Creek but were cancelled.

The spiritual harvest of the camp this year were: 128 professions of faith, 208 rededication, 312 other decisions and personal commitments and 22 surrendered for full time Christian service. Most of the campers discovered sources of spiritual strength, Bible knowledge, and personal happiness. This is the purpose of Camp Bearwalla.

The improvements on the camp were done by volunteer laborers. Bob and Sandy Campbell landscaped the front yard and around the Lodge and paid for the shrubbery and concrete walk. Earl and Ginger Smith gave the money for completion of the bath house, Icle Lipari gave money for the water fountains, Mr. Jackson gave wiring for bath house, and Frank Neville gave money for the concrete steps and swimming pool apron. John McGee, Bob Campbell, Stuart Franklin, Earl Smith, Lawrence McCraw, and Frank Scheuerman helped pour the concerts. George Denton furnished the forming materials. Bob Shehan hung the doors in the bath house. Frank Scheuerman has done lots of painting to make the place more presentable. J.B. Pace dug the ditch for the pipe line to the bath house.

Those working in the kitchen were Icle Lipari from Kansas City, MO, Frank and Betty Scheuerman (Betty donated her time), Angie Deaver, Butch Cabe, Earl and Ginger Smith, worked winter and spring months. Wilma Watts was hired the last two weeks of camp. Mrs. Jenkins did all of the cooking this year, because we couldn't find a cook until the last two weeks of camp. Some of these worked all the time, some part of the time.

The month by month support of the camp from churches over and above their Associational gifts, and the adoption of the cabins and other special objects and individual gifts makes it possible for this facility to be a spiritual ministry in God's Kingdom work. Without this support it could not function. Thanks to God and all those who make Camp Bearwalla possible.

GENERAL BOARD

Time is running our for me as your representative on the General Board of the North Carolina Baptist State Convention. In November I will have served a four (4) year term which is the limit for one person to serve. As a general rule, when we are asked to servo on a committee or board for this length of time, we are looking forward to the final meeting. This experience for me is different, I'm not counting the months or days, but have a feeling of sadness to see the time swiftly approaching. I do think that the limited time for one person can serve is a good rule, allowing more of our people to have this rewarding experience.

As you have heard me mention before, this has been four years in my life that I shall always treasure. I have felt the Lords presence in a special way traveling the many miles to and from meetings, during the General Board and State Convention meetings. I have enjoyed some of the finest Christian fellowship and feel that this experience has been very fruitful to me personally and the Carolina Baptist Association as well.

Our North Carolina Baptist State Convention is alive and well. Our various programs throughout the state are second to none. We are blessed with some of the finest leadership available and with the continued blessings of our Lord, we have a bright future as North Carolina and Southern Baptists. Let's **win** and **develop** believers for His Kingdom.

"If we always do what we've always done, we'll always be where we've already been"

BAPTIST CHILDREN'S HOMES

The foundation of the Baptist Children's Homes had its origin in the very heart of God. The Bible reveals that God's priceless value is placed on every soul, and the Christian message is Jesus Christ. **OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN HOMES.** Our duty is to give the best possible care in every phase of life and our motive is the redeemed life of every person.

Our responsibility is to provide for neglected, homeless, and emotionally disturbed children, unwed mothers, and to render related services to their families.

We are proud to announce that Baptist Children's Homes received accreditation by the National Association of Homes for Children in 1987. Baptist Children's Homes are only one of three NAHC accredited child-care institutions in North Carolina. The formal presentation was made September 16, 1987. This is the highest recognition in the field of child care.

Thanks to thousand of individuals, churches, organizations, and businesses, the first cottage in the Moody Home Ministries, located near Franklin in Macon County, was opened on May 17, 1987. Moody Home Ministries is an intensive program of "friendship therapy" to troubled girls. Praise the Lord, it was debt free at the time of dedication.

Broyhill Home in Clyde, NC, Maternity Home in Asheville, and Thermal Belt Youth Shelter in Forest City all have had waiting lists in recent months.

Our commitment is to be good stewards of what God has entrusted us with. These services need our help more than ever. We need your prayers and generous gifts. I would challenge all church Budget Committees to increase giving to these benevolent services.

Jesus said, "In as much as ye have done it unto one of the least of these my brethren, ye have done it unto me." Matthew 25:40.

May the Lord continue to bless as we work together in this labor of love.

"Any man who helps another live more abundantly is doing the work of God." Richard C. Wheeler

NORTH CAROLINA BAPTIST HOSPITAL

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones were treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success.

The Air Care Program, described as, "a flying emergency room staffed with highly trained pilots and flight nurses," continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay mowing accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than half a dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare procedure to correct an arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichment events. In addition, the department, in cooperation with the Baptist State Convention, has offered the "Pastor's Sabbath" Program at Caraway Conference Center and has provided assistance to more than 100 pastors and their families through the Minister's Care Plan. Plans are being made to offer training in "Conflict Management," "Healing Corporate Pain," and "Ministry to the Interim Church."

Due to the change in the method and timing of the special offering, Baptist Hospital received during its pst fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of $474,622.00. Cooperative Program gifts to the hospital during the same fiscal year was $608,389.00, making our total receipts from the churches $1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist churches, the hospital trustees, staff and patients are deeply grateful.

BAPTIST RETIREMENT HOMES

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. The ministry this year has attempted to "move forward" in three broad directions.

First, during 1986-87, the "Homes" has endeavored to become an advocate for a special segment of the state's population .... the Older Adult. The staff has appeared to several groups across the state in order to sensitize Baptists to the particular needs of Older Adults.

In the second place, the "Homes" has continued to develop creative ways to meet the needs of Older Adults. A significant new relationship has been established between the "Homes' and the Geriatric Section of the Bowman Gray School of Medicine. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as intermediate , and skilled nursing to its residents and patients. In an attempt to provide quality care opportunities to Older Adults who still reside in the local community setting, a respite or temporary care program has been begun at the Albemarle Home. Quality care, long the hall-mark of the "Homes" is till the institution's main objective.

Also during 1986-87, plans for institutional expansion and new development have moved forward at a rapid pace. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes; long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operates. In reaching out in service to Older Adults, the "Homes" offers concrete expression to the love of Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

CHRISTIAN LITERATURE

In addition to the Biblical Recorder, which every interested North Carolina Baptist should read, and the various denominational publications which each church worker reads in assigned responsibilities, there are several publications for the general Baptist public which should be in every home.

Pastors do well when they encourage church members to make use of the major publications by the Home and Foreign Missions Boards. Many churches already provide certain fine publications such as Home Life, Open Windows, and denominational magazines for special groups.

Of course there is a lot of good Christian literature published by other than our own denominational agencies; but there are several reasons for giving our own literature preference:

. . . Events and issues of special interest to Baptist will be found only in our own literature.

. . . The theological and doctrinal purity of our won literature is under constant scrutiny.

. . . Any profit made on denominational literature is invested in missions causes.

Alex Booth, Jr.

TEMPERANCE & PUBLIC MORALS

During the 1987 Session of the General Assembly, the statewide lottery proposal was defeated. Governor James G. Martin, Lt. Governor Robert B. Jordan, III and House Speaker, Liston B. Ramsey opposed the proposal and the bill died in a Senate Committee. For this we should be thankful.

However, all is not over. Senate Bill 732 (A pari-mutual gambling bill) is still alive, having been held over until the 1988 legislative session. The Christian Action League recommends that our Association pass a resolution opposing this bill and that copies of the resolution be sent to Governor James G. Martin, Lt. Governor Robert B. Jordan, III and to our State House and Senate members.

The constitutionality of our 1985 Comprehensive Obscenity and child Protection Act was recently upheld by the North Carolina Supreme Court. The Christian Action League advises that this law has received national acclaim and that prior to its enactment, "North Carolina was known as the nation's porn capital with more porn outlets per capita than any other state."

In this year's legislative session, an unsuccessful attempt was mad to repeal our newly enacted age 21 drinking law.

Once more, we are reminded that we must be vigilant. We must work and we must pray.

Paul B. Chandler, Jr.

COOPERATIVE PROGRAM

As Southern Baptists, we rejoice in the success which is ours in being able to carry out the Great Commission of our Lord Jesus Christ better because of the Cooperative Program. We are thankful to Our Heavenly Father for those who were guided by the Holy Spirit to bring into being the Cooperative Program.

The Cooperative Program is best. It is the best plan ever found by Baptists to support all the work we are undertaking to do in obedience to the commands of our Saviour. Grateful Baptists give millions of dollars each year through it to maintain missions at home and around the world. Through this unified program of support many more millions of dollars are gladly given than could possibly be secured through special solicitation for all of the causes we hold dear.

Many benefits come from the methods used in the Cooperative Program. The plan creates the spirit of cooperation. It has united Baptists and created a great spirit of hármony among Southern Baptists. Our leaders come together and plan what is to be done. Comprehensive studies are made of the needs of all causes. The divisions are carefully worked out and based on the anticipated receipts.

The Cooperative Program is achieving more for missions each year. In 1926, sixty-one years ago, the first year of the Cooperative Program, the states reported $4,604,174 in funds through the Program, for state and Southern Baptist causes. In 1986 the Southern Baptist causes received $117,526,691.

The Cooperative Program offers the best way for Baptists to do the most for missions. The emphasis, adopted by the Southern Baptist Convention in 1983, is called Planned Growth in Giving and calls for the Convention to seek by A.D. 2000 or sooner to allocate seventy-five percent of the SBC Cooperative Program Allocation Budget to home and foreign mission ministries.

We urge all Baptists to join in giving the Cooperative Program their loyal and undivided support.

HOME MISSIONS

The big event at the Home Mission Board this year was the calling of Dr. Larry Lewis as President. Dr. Lewis assumed his duties in June. In the early part of his leadership, starting new churches has been the big emphasis. An effort is being made to start 1,500 new churches and missions each year with a goal of 50,000 churches and church-type missions baptizing 1,000,000 annually by 2000 AD.

The Board will be going through a year of re-evaluation and strategy planning as Dr. Lewis begins to set the direction of his administration.

REV. ROBERT PALMER HAMBY

IN HONOR OF

MRS. JUANITA HAMBY

The Reverend Robert Palmer Hamby was born December 9, 1903 in Rabun County, Georgia to Samuel and Lela Hamby. He died November 27, 1987 in Hendersonville, North Carolina.

Rev. Hamby was a graduate of Long Creek Academy, University of Georgia and Southern Seminary with the B.D. and Th.M. degrees and had completed resident study for the Th.D degree.

He was on the faculty at Fruitland Baptist Bible Institute for nearly twenty-eight years where he taught New Testament. He was appreciated by the students as an outstanding scholar of the Greek New Testament.

He wrote "Poems and Proverbs," "Blue Ridge Breezes," "History of Meridian Baptist Church (Knoxville)," Sermon Outlines for Soul Winners" and "Brief Baptist Biographies."

He served as pastor of churches in South Carolina, Georgia, Tennessee, Kentucky and North Carolina, and conducted 350 revivals with nearly 4,000 converts to the Christian faith. He served twelve churches as Interim after his retirement.

The Reverend R.P. Hamby has the gift of knowledge. He took serious interest in people, often taking time to learn about their roots. He had respect for great scholars and ministers of the gospel. History was a special interest. He spent twenty-seven years collecting biographical material on deceased Baptist ministers in thirty-two counties of Western North Carolina, and gathered enough material for five volumes. Only volume two has been published to date.

Juanita Hamby is a native of Jackson, North Carolina. At an early age she moved with her family to Rabun, Georgia, where she completed High School. After graduation from A and M College in Clarkesville, GA she taught school for a short time. She married R.P. Hamby in 1928. While Mr. Hamby was in school at Southern Seminary, Juanita attended classes and also worked in the Seminary Post Office. She has spent many years as help-mate in the churches and Associations where R.P. served as pastor.

PROCEEDINGS

1. Rich Liner, Moderator, called to order the 111th. Annual Session of the Carolina Baptist Association Monday, October 17, 1988 at Etowah Baptist Church.

2. Rev. David Hyde, host pastor, extended a welcome and led in prayer.

3. Ed St. John led the congregation in Hymn 438, "Make Me a Channel of Blessing."

4. Dr. Curtis Vaughn, retired Southwestern Baptist Theological Seminary New Testament teacher, led the Bible study from I Corinthians 1:15. The chapter is divided into two units, the resurrection of Christ and the resurrection of believers. His three points for discussion were: 1) Resurrection of the body, 2) Resurrection of believers and 3) People denied resurrection of the body but not the resurrection of Christ. Christ's resurrection is an essential part of the gospel to deny the resurrection is to destroy the gospel; Christ's resurrection is historically attested - witnessed by many; Christ's resurrection was uniformly preached by all apostles; Christ's resurrection essential to salvation; Christ's resurrection is the pledge and pattern of the believers; and Christ's resurrection is the first stage of his ultimate complete conquest of death and evil.

5. Rich Liner moved the adoption of the Advanced Book of Reports, Ed St. John seconded and they were adopted.

6. Rich Liner asked that anyone having a recommendation for Dedication of the Minutes get in touch with the Committee - W.W. Willingham, Bea Booth, Ken Fugate, and Harold Sitton.

7. Rich Liner moved the adoption of the Advanced Book of Reports, this was seconded and accepted.

8. The Moderator recognized new pastors and staff who had come to the Association during the past year. Recognized were: Greg Young, Naples; Dexter Greene, West Hendersonville; and John and Roxanne Bridges, Saluda First.

9. A history of Hoopers Creek, one of the early churches, was called for but no one was present to give the history.

10 Rich Liner then recognized Mrs. Carolyn Charles, Director of Church and Community Ministries, Buncombe Baptist Association, for the Home Missions Report. Her slogan is "Its O.K. to Care." and in order to do this they need to reach outside the walls of the churches. They to go to the people, meet where needs are and minister to needs, establish relationships and then present them the gospel. She referred to James 1:22 which tells us to "do not just hear." Basic reading, literacy, senior adults, student Back Yard Bible Clubs, the Flea Market, and a Prison ministry were some areas in which they minister. She gave a slide presentation of a number of activities which showed that "Its O.K. to Care."

11. The Moderator moved the adoption of the Printed Program, Harold McKinnish seconded and the program was adopted.

12. Emerson Searcy, Committee on Nominations Chairman, was recognized for that report. He expressed his concern as a layman for the apathy he sensed in churches and the Association and said this should be a red flag that we need revival. Even after Dr. Vaughn's message to set souls on fire, we are not as enthusiastic about Jesus as we should be. He expressed his concern about the difficulty in getting people to accept positions this year. One position is still vacant after contacting about 25 people. He then referred to the names listed on pages A-1 through A-3 as the recommendation from the Nominating Committee. Alex Booth seconded the recommendation and it was adopted. Rich Liner expressed his appreciation for Emerson and for sharing his concern. Andy Lawson led in a prayer for renewal and revival in our churches, the Association, and our denomination.

13. The Enrollment Committee reported 141 Messengers and 31 visitors making a total of 152 present.

14. Rich Liner then called for Miscellaneous Business. Keith Arledge, Finance Committee Chairman, brought the following recommendation:

CAROLINA BAPTIST ASSOCIATION, INC.
RESOLUTION TO BORROW $80,000

Whereas, the individual currently holding a Carolina Baptist Association, Inc. unsecured note in the amount of $80,000 prefers not to renew said note; and

Whereas, the Carolina Baptist Association, Inc. is without funds to satisfy said promise for payment of the principal amount of $80,000; and

Whereas, prudence dictates that the Carolina Baptist Association, Inc. begin amortizing the principal amount of $80,000 in a practical and timely manner, be it

RESOLVED, that the Trustees (Board of Directors) of the Carolina Baptist Association, Inc. be authorized to borrow an amount not to exceed $80,000, said borrowing to pay holder of note in that amount, and the loan to be secured by issuance of a First Mortgage instrument ON PROPERTY KNOWN AS CAROLINA BAPTIST ASSOCIATION, INC. TRAINING AND RESOURCE CENTER, 601 HEBRON STREET, HENDERSONVILLE, NC

Keith Arledge moved the adoption of the recommendation, Kenneth Fugate seconded, and the recommendation carried.

15. Commissioning Service for Volunteers for the Sao Paulo, Brazil Partnership Project.

A. Ron Pinkerton said we are experiencing a new day in Carolina Baptist Association and expressed his feeling of awakening excitement, challenge, and opportunity as we are partnered with Noreste de Capital Association, Sao Paulo, Brazil which is made up of 16 churches. Ron introduced Pastor Edson Plaza, Sao Paulo, Brazil, coordinator for the project. Ron Boswell, Foreign Mission Board, Richmond, VA, translated for Edson Plaza,

who spoke Portuguese. He expressed his appreciation for the invitation to be a part of our Annual Meeting and to share in the challenge in his native state of Sao Paulo, Brazil. The convention is in a great campaign to build 1000 churches by 1992. Noreste de Capital plans to build 10 new churches and strengthen existing churches. The people in Sao Paulo are ready to work with us in a one week Evangelism Campaign and visitation. In an area with 6,000,000 people there is a great need for planting churches. Also the physical needs of these are great. Plans to distribute food to the needy was approved by the Foreign Mission Board in Virginia, this will open the door to present spiritual food. He felt God's leadership in this project and challenge Carolina Baptist Association to participate in this project. He presented a flag of Brazil and the New Constitution of Brazil to the Association.

B. The Choir of the Spanish Mission sang "Wonderful Words of Life" and "Tell it to Jesus." in Spanish and Portuguese.

C. Challenge to Volunteers. Ron Boswell, Foreign Mission Board, Richmond, VA, presented the challenge to the volunteers. He served in Beautiful Horizon, Brazil as a missionary for 12 years and then as Associate Director of the Home Mission Board of Brazil. In 1980 he came to the Foreign Mission Board in Virginia in charge of the Volunteer Program. In answer to his question, "Why do we keep sending missionaries, why do we work so hard?" he answered that "We are a people of The Book, it is our manual and guide, an operations manual called the Word of God." He quoted scriptures in Matthew, Mark, Luke, John, and Acts in support of this statement and said that "we, as the woman at the well, need to leave our water pot, leave the well and go into the city to carry the message of Christ."

D. Mervin Garrison, in the absence of Frank Baker, presented those Volunteers present who had committed themselves to go to Sao Paulo in February, 1989. They were: Syble Freeman, Bearwallow; Barry Wilson, Mud Creek; Mervin Garrison, Kay Garrison, Opal McLain, Nadine Ashe, Patricia Bryson, French Broad; and Andy Lawson, Hendersonville First. Ron Boswell expanded this group by asking those who would to come as a Prayer Partner and a number from the audience responded. Ron Boswell charged them to be obedient, lovely Americans, open to new ideas - sights- sounds and smells, to Love the Brethren and to do with all their might what they find to do.

E. The Commissioning Service closed with prayer by Rev. Edson Plaza, in Portuguese and Rev. Curtis Vaughn in English.

16. The First Session of the 111th. Annual Session of Carolina Baptist Association adjourned until 4:00 p.m. on Tuesday, October 18 at Naples Baptist Church.

AFTERNOON SESSION

NAPLES BAPTIST CHURCH

17. The second day of the 111th. Annual Session of the Carolina Baptist Association was called to order by the Rev. David Hyde, Vice Moderator. Rev. Hyde used I Cor. 3:7 and the following verses for a scripture reading, then he led in prayer.

19. Rev. Rich Liner gave the Executive Committee report. He stated there had been several meetings during the year. A) On January 19, 1988 a meeting was held at Ebenezer Baptist Church and the first item of business was the financing of the Sao Paulo Project. Next was the recommendation of the Square Foot goal for the building debt reduction, by the Association Rally on March 13, 1988, also the Centennial Prayer Retreat was accepted. B) July 18, 1988 another meeting where Walton Coppedge announced the meeting of the Joy Singers, which has an enrollment of 20. The Camp Council made several recommendations to the Association. C) Another meeting was held May 31, 1988. Keith Arledge, Chairman of the Finance Committee, gave the Square Foot Campaign report. There was an outstanding debt of $80,000 projected and a goal set for $20,000 of this to be raised. As of May 18, approximately $6,000 had been raised. Rev. Mervin Garrison gave the World Missions Conference report. He furnished a chart on the attendance and said at least one full time missionary had come from the Conference, Rev. Rick Clark, pastor of Balfour Baptist Church. Rev. Ron Pinkerton asked if our Association would like to invite a coordinator from Brazil to come to our Annual Association meeting. This was voted on and passed, we heard him tonight. The Spanish Committee of the Carolina Baptist Association recommended that the Trustees of the Carolina Baptist Association be authorized to purchase three acres of land on Highway 64 East at Edneyville, for the Spanish Mission, the Committee further recommended that a loan be secured from the Baptist State Convention of North Carolina for the sum of $35,000 to pay for the property. The loan would be for a period of 10 years at a rate of 9% and the Spanish congregation would assume responsibility for the payment of the loan. There was a committee appointed to be the Steering Committee of the Sao Paulo Project. Paul Decker, Buddy Barker, Harold McKinnish, Karron Heery, David Hyde, Syble Freeman, George Denton, Mervin Garrison, Virginia Fuentes, Prudence Riffey, Frank Baker, and Barry Wilson were the people appointed to this committee. D) The next meeting, a called meeting September 6, 1988. The Camp Council made two recommendations. One, that the Association purchase Mr. Jenkin's double wide mobile unit at the sum of $15,000 and the second, that the Association try to match a challenging gift of up to $8,000. The donor has said they would match the amount the Association churches and individuals give toward the purchase of Mr. Jenkins mobile unit. The time period of the challenge would be 30 days.
20. Walton Coppedge gave the report on the Committee on Committees as printed on Page A-5 through A-9 of the Advanced Book of Reports. The Executive Committee report and the Committee on Committees Report were accepted.
21. Keith Arledge gave the General Board report. He said he was elected at the last session of the State Convention to

serve on the General Board. Members from 79 Associations comprise the Board. Some Associations have two and some have three depending on the number of resident members in the Association. All Associations have at least one. He said the General Board handles items of business between the Annual State Convention Sessions. It is organized into committees and Mr. Arledge was appointed to the Committee on Business Management and also to the Sub Committee on Assemblies, which are principally Caswell and Caraway. The General Board meets three times a year, January, May, and September, and in between these meetings an Executive Committee handles those items that are necessary to be handled. There are six Program Committees, a Business Management Committee, one Special Committee and three Councils which handle the division of work throughout the year. Highlights of the year: A) The successful Togo-North Carolina partnership. Bridges were built, clean water provided and churches built. B) O. D. Martin, Jr. outlined the Sao Paulo Mission Project which hopes to increase the number of churches by 1000 in the next five years with the assistance of North Carolina Baptist churches. The Associations in Sao Paulo, Brazil will be paired with the Associations in North Carolina. C) At the May meeting, Dr. Alex Booth announced his retirement as President of Fruitland Baptist Bible Institute effective October 24, 1989. He received an acclaim from the Board for his distinguished service. D) At the September meeting the Assemblies Committee recommended awarding a contract to a contractor to erect a Conference Center at Caswell. Work has begun on this project. E) Cooperative Program receipts were reported slightly behind last years receipts. F) The Board is recommending a Budget of $29,000,000 to the Baptist State Convention. G) A number of other recommendations would be made to the NC Baptist State Convention by the General Board.

22. The Missions Ministries Council report was given by chairman, Mervin Garrison. The Council is made up of the following committees: Evangelism, Migrant, Spanish, Mission Action, WMU, Mission Action, Brotherhood, Membership, and New Work. Rev. Garrison referred to the reports on page A-13 through A-16 in the Advanced Book of Reports.

23. Sandy Campbell gave the report for the Spanish Mission and the Migrant Committee. The financial situation remains the same for the purchase of property for the Spanish Mission. The papers are in the hands of the attorneys, awaiting final word to start on the land. Migrant Night was held at Hendersonville First Baptist Church with Rev. Ronnell Owensby preaching in Spanish. There were twelve professions of faith, two from the Spanish Mission and 10 from the Migrant Ministry.

24. Hazel Duncan presented a video and report on the Hurricane Gilbert Disaster Relief. Over 2,500 pounds of food was collected at the Baptist Resource Center form Association churches, individuals and churches of other denominations as well as over $1,200. The money will be used for food and building materials. There were many homes, buildings and churches destroyed. Blanton's Junior College Tractor Training Center volunteered their tractor-trailer and driver, Sam Slappey, to take the food to Winter Haven, FL on October 7. It was delivered there October 10 and flown to Jamaica on October 11, 1988. Rev. Ron Patterson, who had been to Jamaica, said the devastation was so great this is a continuing need and we still need to remember these people.

25. Church Development reports were heard. Rev. Lawrence Goodman gave the Sunday School report. We have an Assist Team who will train Sunday School workers. A training session was held at Valley Hill Baptist Church in August with 10 churches represented. Another training session will be held in November at Ebenezer Baptist Church using the Outreach book.

26. Hazel Duncan gave the Media report. She reported a successful training session had just been completed with Keith Mee, from the Sunday School Board who taught the book, "The Learning Team: the Learner, the Leader and the Library." Hazel listed some of the items available in the Media Resource Center: TV's, VCR's, Screens, Slide Projector, Overhead Projector, and video on a number of subjects.

27. Marie Blackwell reported on Church Training. She announced the 1989 Doctrine study - "Doctrines Baptists Believe" by Ron Edgemond. There will be a National Conference in Charlotte February 20-22, 1989 on the Doctrinal Study and the churches will have the study in April. Marie has Bible Drill pamphlets of 1989 and the leaders and judges guides. Marie said she is available to any church to help with the Bible Drill. Five churches participated in the Bible Drill last year with a total of 19 children. Six hundred eighteen children participated across the state. Ninety-nine of these were Three Year Winners. Fifty seven Associations participated with one hundred sixty four churches.

28. The congregation sang "Victory in Jesus."

29. The Camp Council report was given by Ken Fugate. He reported that we were able to meet the challenge to purchase Mr. Jenkin's mobile home, in addition to the report on A-22.

30. Harold McKinnish gave the report from the committee appointed to visit Mr. Jenkins. The committee was Lawrence Goodman and Harold McKinnish. (A copy of the complete report is on file in the Baptist Resource Center.)

31. Mrs. Doris McGee gave the Senior Adult report as printed in A-21, with one correction. The next meeting will be November 2 rather than November 4. She offered to come and help any church which wishes to organize Senior Adults.

32. Robert Duncan gave the report on Youth as printed on page A-21. He announced a Basketball Tournament November 12 for youth at Mud Creek Baptist Church.

33. The Historian's report was given by Emerson Searcy. It is listed in the front of the Advanced Book of Reports.

34. Marguarite McCraw, Associational Clerk, recognized Church Clerks who had made the Honor Roll for accurate Church Letters turned in by the deadline, September 19. Mrs. Lathe Williams, Church Clerk at Pleasant Grove Baptist Church since 1945, was given special recognition as she retires from that position. She was presented a Certificate of Appreciation by Hazel Duncan.

35. Jimmy Cox gave the benediction and blessing for the meal.

EVENING SESSION

36. Rev. Rich Liner, Moderator, presided at the evening session which was opened with the Joy Singers bringing several selections. Everette Davis from Broyhill Children's Home was introduced, and anyone who wished to speak with him was invited to do so.

37. Rev. John Rymer led in an opening prayer and the Moderator expressed thanks to the people of Naples for the delicious supper they served.

38. Dr. Curtis Vaughn brought the Bible study from I Corinthian 15:20. The first half of the chapter talks about the resurrection of Christ and the last half the resurrection of believers. Paul says that the resurrection of Christ from the dead is the firstfruits of all of those who one day will be raised. God gives to seed the body that pleases him. Our resurrection body will be one God is pleased to give us. We will be raised with the body God wants us to have. Paul says that the resurrection body, although having continuity with this one, will be gloriously different. This body is sown in corruption, it will be raised in incorruption.

39. Audrey Saunders gave the historical report from Main Street Baptist Church.

> On January 1, 1959 the Missions Committee of Hendersonville First Baptist Church recommended that now is the time to begin a new work. In a business session this was passed and those who were willing to go to form a nucleus for this new work were asked in obedience to His "Go Ye" to meet on Wednesday night, January 28, the place to be announced. Roy Huggins was chairman of the committee to start a new work, and he felt led to offer a building, on Main Street which he was using as a showroom for new cars, as a place to meet. They met for the first time for a Wednesday night prayer service with 23 people present. On Sunday, February 1 they had Sunday School, Morning Worship Service, Training Union, and Evening Worship with 32 present for the first service. In April a resolution was presented to the Hendersonville First Baptist Church requesting they be organized into a Baptist Church. It was necessary because financially their tithes and offerings were going back to Hendersonville First Baptist Church and they did not have enough money to contribute to Hendersonville First Baptist Church and pay their expenses where they were, so on May 3, 1959 Main Street Baptist Church was constituted into a church with 50 members. They worked with a Steering Committee, elected by the church, in the guidance, direction and planning until the first pastor came. The present location was purchased for $75,000 with a $10,000 contribution from the owner to help get the church started. The first pastor was Rev. Ed Boyd who came May, 1960 and served until April, 1968. The name was changed from a Mission to Main Street Baptist Church. Plans and financial arrangements were made to build. A loan was arranged through First Federal Savings & Loan and the first service was held on the foundation on Easter Sunday, April 3, 1968. The first service in the new building was September 23, 1968 and the building was dedicated to the Glory of God on October 18, 1968. Souls have been saved, men have been called to the ministry and we still look to Him for guidance and leadership and praise Him for all the ways he has led us and for all of the good men he has called to serve us as Interim or as Pastor along the way.

40. Dr. Alex Booth presented the names deceased members of the Association.

41. The report from the Enrollment Committee showed 112 messengers and 22 visitors.
42. Jimmy Cox gave the report of the Resolutions Committee and expressed appreciation to John Rymer and Paul Chandler who assisted him. These Resolutions printed elsewhere in Book of Minutes were approved.

43. Harold Sitton presented the report of the Dedication of Minutes Committee. The following were recommended: Rev. Robert P. Hamby, In Memory, and Mrs. Robert Hamby, In Honor; Rev. and Mrs. Homer Baker, In Honor; Mr. Tom Orr, In Memory and Mrs. Tom Orr, In Honor. These recommendations were approved.
44. Doug Davis gave the Place and Preacher Report. October 23, 1989 - French Broad Baptist Church; October 24, 1989 - Rymer and alternate, Rev. Mervin Garrison. This recommendation was approved.
45. The Evangelism Report was given. A Lay School of Evangelism Teacher Certification School was scheduled for October 31 - November 5 at the Baptist Resource Center.
46. The Evangelism Committee made a motion that the Carolina Baptist Association participate in the "Here's Hope-Jesus Cares for You," Simultaneous Revivals in April 22-29, 1990 and that the Associational Evangelism Committee serve as the Steering Committee. This motion passed.
47. Director of Missions, Ron Pinkerton, presented a portion of the video on the New Age Movement, following this Rev. Pinkerton gave the Director of Missions report. He stated he appreciates the Assist Team in the Sunday School work that has been done this year. Rev. Lawrence Goodman has done an excellent job in leading them. November 21 and 22 there will be a Sunday School training session at Ebenezer. The World Missions Committee also did a superb job in getting ready for the World Missions Conference. The Youth leaders did well in planning and scheduling events. The Mission Action/WMU leader did an outstanding job in the Hurricane Gilbert Relief effort, as we saw in the film this afternoon, The Christmas Toy Project, the Women's Prison Project, and other things during the year. The Media and their training have performed efficiently. He expressed appreciation for Emerson Searcy's setting up files for History of the Churches. All Associational Officers have done a remarkable job.

Rev. Pinkerton stated he enjoys the challenge of Associational missions. He felt a strong calling to this type work and promised to be a responsible leader. Our churches in the Association need to bind together in light of Denominational turmoil. Our Associations need to be stronger. Last year our churches declined in the number of resident membership, so we need to bind together in the face of possible decline.

Rev. Pinkerton presented these challenges to some of the leaders for the coming year:

1. Our Evangelism Committee as they do their work to create a five year plan of evangelism for our Association. We have not had a long range plan of evangelism. We have only followed plans of our Convention or whatever we felt needed to be done at the time. We need to make intentional plans as to how we will be involved in the evangelizing of this community and I challenge our Evangelism Committee to make a Five-Year Plan for us to move in that direction.

2. Our Sao Paulo Committee to broaden their view and to create the structure and to encourage the churches so that in

the next few years we can send 200 people to Brazil to be involved in our partnership there. That task is so great we can't even imagine what needs to be done, if we can send 200 of our volunteers to step alongside their churches to work with them we will make some impact but we will also receive a great impact within our churches, as people go out and experience what is happening in other parts of the world. Two hundred people from our Association will be involved in this project

3. I challenge us to be more serious in creating resources within our own Association. The need for training is extremely great. Getting together in large groups is becoming more and more of an impossibility. We are going to have to train more in small groups and individual churches. I would like you as an Association to look creating the best resources possible so that we can bring groups to the Association, so we can have video tapes to take into the individual churches to train our leaders in all areas. It is going to require some expenditure of funds to get these training resources, but I believe we need to take training seriously.

4. Mission Council to create a Five-Year Missions Plan. We have looked at new work a little this year, we have heard from our newest church, organized in 1953, that is the last church that was organized in our Association. There are many needs here that we need to address. We haven't begun to meet the needs of some of the people that are hurting in the community. We as Baptists don't even address housing issues, and the fact that many poor elderly people don't have adequate places to live. We haven't even been a part of all that at all. There are many other like needs in our community and I would like to challenge our Missions Committee to begin to dream, to look ahead, and bring to us some kind of plan where we can become more deeply involved in the mission opportunities that are in our community.

5. Our Camp Council to prepare a master plan for the development of our camp ministry, to look at it seriously, to take all the information they can get and look at that and bring back to our Association Meeting next year at this time a plan for development of this particular ministry, that we can all look at and be involved in.

6. Individual churches. It is now the vogue thing to do our own thing. Some several years ago there was a list of 200 super churches that were set out and it seems like that ever since that list was published there is somehow the idea that all of our churches ought to be like those 200 churches which is an impossibility, and which I believe is not in keeping with God's kingdom work at all. That is not the goal of the kingdom, to be like those churches. God has a specific ministry for each individual church to accomplish. Not for us to create clones of each other, but to discover our own task. I would like to challenge our churches to a commitment of working together. It is impossible to build a house of brick without any mortar. It is impossible to build a denomination without churches who bind themselves to each other. If we are intent on going our individual ways, carrying out our own individual programs, then I think we will find a continual crumbling of our effectiveness in the community. We need our churches to work together. I want to see everyone of you grow and you think you can do it all by yourself, if you really want to grow band with your sister churches and work together for we are in God's kingdom work, we

are not in the work of trying to glorify one church or another. God has a work for us to do as Christians working together.

48. Keith Arledge presented the budget as printed on pages A-23 through A-36. He also stated the Finance Committee recommended an increase of less than 3% because they tried to be realistic when they looked at the receipts. Mr. Arledge recommended the adoption of the budget and this was seconded.

49. Harold McKinnish made a motion to amend the budget committee recommendation: that the Director of Missions salary package be changed back to the same figures as the Director of Missions salary package in the 1987 budget. Robert Campbell, East Flat Rock First Baptist Church, seconded this motion. Rev. McKinnish spoke to the motion.

A. John Rymer spoke to the amendment, complimenting the Finance committee for the fine job they did and asking that the Association reject the amendment and accept the budget as printed.

B. George Jones made a motion to refer the amendment to the Finance Committee and let them study it and report back to the Association, when permissible, either at a called meeting or an Executive Committee meeting.

C. Harold McKinnish spoke to the referral stating that three years ago he started discussing this with members of the Finance Committee.

D. The motion to refer the amendment to the Finance Committee was approved.

50. Having made the referral to the Finance Committee, the original motion to adopt the budget was voted on and approved.

51. The Joy Singers sang several selections.

52. Rev. Bill Landreth, Locust Grove Baptist Church, brought the Annual Sermon using Col. 3:1-2. He used the illustration of the T.V. commercial, in which an airline pilot is greeting those on his flight and is reminded they forgot the Columbian coffee and the plane makes a U-turn, to ask the question that as an Association have we came to the top of the flight and then started declining. He ask, when we attend church what is our attitude, what is our concern, are we concerned for the lost? Are we at a soaring level, where we should be or are we ready to die? We who call ourselves Christians need to get a checkup and get our attitudes right. Our attitude determines what our altitude will be. Let's get our attitudes right and go forward with God.

53. The Associational Officers for 1989 were introduced: Moderator, Greg Mathis: Vice Moderator, David Hyde; Treasurer, Leonard Lemmons; Clerk, Marguarite McCraw; and Historian, Margaret King.

54. Lawrence Goodman closed the 111th. Annual Session of Carolina Baptist Association with prayer.

RESOLUTIONS

1. The Resolutions Committee of the One Hundered Eleventh Annual Session of the Carolina Baptist Association, on behalf of the messengers, acknowledge with grateful appreciation the blessings of God upon us individually and corporately during the past year and during this session. We give God the glory.

Be it resolved:

1. That we offer our sincere thanks for the gracious hospitality shown by the Etowah Baptist Church and the Naples Baptist Church who cared for our needs during these two days of meeting. We give our special thanks to Naples Baptist Church for providing us a bountiful and delicious meal.
2. That we offer our sincere thanks to our Moderator, Rev. Rich Liner; Vice Moderator, Rev. David Hyde; Treasurer, Leonard Lemmons; Clerk, Mrs. Marguarite McCraw and all the other officers of our Association.
3. That we commend our Director of Missions, Rev. Ron Pinkerton and his staff for their ministry and concern for the Lord's work in our Association.
4. That we voice our appreciation to Rev. E.J. Jenkins for the work done by him and his wife at Camp Bearwalla and that we extend to them our best wishes and the assurance of our prayers as they leave us. It is our desire that the Spirit will give them greater challenge as they serve the Lord.
5. That we, as an Association, call our people to special prayer concerning our nation and the forthcoming elections, earnestly seeking the Lord's will and guidance.
6. Whereas, Abortion on demand was legalized by the United States Supreme Court on January 22, 1973; and
   Whereas, Over 25 million innocent unborn American children have died by legalized abortion since that date; and
   Whereas, Most Southern Baptist church members who comprise the Carolina Baptist Association are firmly opposed to the aforementioned Supreme Court decision, understanding that that which is legal in this case is not moral;
   Be it therefore RESOLVED, that the messengers to the 1988 Carolina Baptist Association Annual Meeting go on record as opposing the practice of legalized abortion and calling for action to overturn the 1973 Supreme Court decision.
   Be it further RESOLVED, that the Carolina Baptist Association seek to inform and share alternatives to abortion with those in need.
   Be if finally RESOLVED, that all Carolina Baptist be encouraged to take an active role to stop the taking of lives through abortion.

We praise the Lord for all of His blessings and acknowledge that all that we can return to Him that is ours is our gratitude. We serve Him diligently and faithfully and desire that all we do shall be to please Him.

HISTORY

There are two aspects concerning the history of our churches and association that I would like to comment on. So many people apparently think of history as a collection of cold, intangible figures used to fill space and bore people. I recently asked a local pastor (not a member of our Association) what his concept of recording history was and he answered to the effect "those things are past - I can't change them - and I'm not interested in it." Personally I persuaded God wants a different attitude among us.

First, having recorded history before us makes us aware of the good things that God has done which creates a great foundation on which to exercise our praise unto Him. It is only through his power and grace that his church attains anything and He deserves recognition and praise for all that is accomplished.

Also I see history not totally assigned to the past but possibly a beginning of a continuing work of the Lord. What He does can not be sealed off at the end of the church year. Let us allow God to continue the things that He has begun.

May we take this report and praise God for all that He has done and at the same time accept the challenge that He is not through with us. It's not a time to "thumb our suspenders," but a time to humbly submit to the Lord's wisdom and leadership which will permit more history to be made.

One minister, Rev. Richard Clark, answered the call to the mission field and is preparing at New Orleans Baptist Theological Seminary.

A Youth Rally was held at East Henderson High School in May for fun, fellowship and inspiration.

Barnwell Baptist Church organized in 1882, became a member of Carolina Baptist Association in the 1900's, participated actively through the 50's and then withdrew from the Association. In 1985 they again requested membership, and became members in 1986. In the fall of 1987 the church disbanded.

Providence Baptist Church which was a mission of Naples Baptist Church, constituted as a church on May 4, 1986, requested and were received membership in Carolina Baptist Association in 1986. In December of 1987 the church voted to disband.

Associational Rally was held at Hendersonville First Baptist Church as a time of commitment, fellowship and inspiration.

Sao Paulo, Brazil Partnership the Association entered into its first partnership with a foreign country. A three member team visited Brazil visited Noresete da Capital Baptist Association to determine needs and ways to participate in the partnership.

Emerson Searcy, Historian

DIRECTOR OF MISSIONS

As a part of our Associational logo we use the phrase "Christians Working Together" and this is a good description of our work this year. We started with our Christmas Toy Project sponsored by the WMU. The conference room of the Resource Center was filled with toys. Over forty families were able to get toys and most important, two or three parents made a commitment to the Lordship of Christ.

Rudy Aguero is doing an excellent work with the Spanish community. The Spanish Mission is growing. On one Sunday they had 87 in the mobile unit, which more than filled the house. The need is urgent to find a permanent sight for the Mission. We are now in the process of buying three acres of property near Edneyville School on Highway 64 East. Two mobile units will be moved onto the property and, hopefully, a church building can be built in the near future.

Last year at our Annual Meeting we voted to enter into a five year partnership with an Association in Brazil. Our Steering Committee has had several planning sessions and hopes to have 30 volunteers go to Brazil in February, 1989.

The churches have been involved in two food collection programs this year. One is our collection of food for Interfaith Assistance Ministry in May and August. I.A.M. is doing a great job of ministering to the needy in the community and we can be proud of being a part of this ministry. Two thousand pounds of food, along with other items, were collected for hurricane victims in Jamaica. The items were shipped to Florida and then on to Jamaica to be distributed by our missionaries. One hundred twenty-one Baptist churches were damaged by the hurricane in that country.

Camp Bearwalla faced a decline in usage during the year and caused serious concern for the financial situation. As a result of this, things did not go smoothly for part of the year, but the camp is stable for the fall season. Some very capable planning must be done if our camp ministry is to survive and grow.

Growth is the key word for our Association. During 1988 over 4,000 new homes were announced for construction in the future. Only three or four of our churches are having significant growth while the population in our area is exploding.

There is a trend toward churches working on a more individual basis. I am convinced that if we are to meet the challenge of our Association we must work together and help each other rather than compete with each other. How well the churches commit their best leadership and resources to a common source, called Carolina Baptist Association, will determine whether or not Baptists grow or decline in this area. We were built with cooperation from the churches and if we grow, there must be yet stronger cooperation among the churches.

MISSIONS MINISTRIES COUNCIL

Matthew ends his account of the life of Jesus on this earth with the Great Commission. Today's English Version reads: "Go, then, to all peoples everywhere and make them my disciples: baptize them in the name of the Father, the Son, and the Holy Spirit, and teach them to obey everything I have commanded you. And I will be with you always, to the end of the age." Matthew 28:19-20. This could easily be a motto for our associational work through the cooperating churches and the committee members serving faithfully their Lord.

Mission Ministries are just that; opportunities to reach people for the Lord wherever we go and wherever we find them. The committees and mission action groups of this council are busy reaching people and training people to be better equipped to reach more people.

We rejoice at the good reports that come from our work with language groups. We encourage Rev. Rudy Aguero and his congregation as they look forward to their own church site and facilities. We thank God for all who help in the collection and distribution of items for many causes, at several times of the year. The benefits and return of this ministry can only be recorded in eternity.

My challenge as we move into our new year is that we lift our vision to see what the Lord has in store for us as we go ¶to all people everywhere.' As we look to a partnership with the association in Sao Paulo, Brazil; as we continue to reach the non-English speaking people here at home; as we seek to train the lay people of our churches to share their faith; let us be reminded of the promise of our Lord that we are not alone in this work. He is with us and will be with us to the end.

MIGRANT MINISTRY

It has been a very busy season thus far in the Migrant Ministry. The number of un-churched has been many. The good news is that we have met several Christians.

Ebenezer has brought both Spanish and English into their church Sunday afternoons for Bible study and a meal. Rev. Aguero, with one of the members from the Spanish Mission, did the Spanish services. Ladies of the church prepared the meals and Health Kits. Migrant children were bused into the church for their VBS each night. Four Spanish professions of faith and two English.

Hendersonville First had services in the past years, busing the Migrants into the church. Average attendance was 35.

Naples has ministered at Riley Jones Camp the last nine years. However, Jack White, Crew leader, did not bring his people back this year, so no ministry this year.

Spanish Mission - Rev. Rudy Aguero, pastor, Vicente Zepeda and Angel Cruz, Sunday School teachers, ministered in 3 camps with 18 professions of faith and 2 re-dedications of Christian Migrants.

East Flat Rock First held services as usual - clothes closet, lunch and Bible study for all. Health Kits and blankets were given to each. Enrolled 92 with good attendance.

Joint Services at Camp Bearwalla with Rev. Duncan having English services and Rev. Morales the Spanish services. children had graded Sunday School classes. Recreation for an hour was followed by a delicious meal.

A youth group from Roanoke, VA were here for a week. They took the children's service one afternoon at Camp Bearwalla. Hendersonville First Youth group had opening services one Sunday. Youth from Boone, NC visited Ebenezer one Saturday and both went into camps with Bible stories, crafts, etc.

Migrant Night was Sunday September 25 at 7:00 p.m. in Hendersonville First. Rev. Ronnell Owensby brought the message.

The prayers and support of the Association Churches help make this ministry possible - Thanks. Matthew 25:40.

MISSION BAUTISTA HISPANA "CAROLINA"

We have located 3 acres of land in Edneyville on Hwy. 64 East. The Baptist State Convention of NC has agreed to loan us the money to purchase this land for a Spanish Church. The papers are being processed by our attorney.

Attendance has been very good. Average Sunday services for August - 61 and Thursday night Bible study - 32.

Baptist Young Women began in June.

Additions by baptism - 8, professions of faith - 13, and by letter - 3. Nine babies have been dedicated and six weddings have been performed this year.

An Evangelistic Musical in Spanish was presented in June by a group of young people from Memorial Baptist Church, Durham, NC.

The retreat in June at Camp Bearwalla was most enjoyable.

Rev. Aguero and the Mission were invited by French Broad Church August 14 - Language Missions Day - to bring the evening services. Peru, Brazil, Mexico, El Salvador, Guatemala, and Columbia were represented.

One of our highlights this year was Rev. Rudy Aguero receiving his United States Citizenship in Asheville.

The Lord's Supper is served the first Sunday of each month. Junior Church was started in July.

We are so grateful to Mt. Moriah for sharing their facilities with the Spanish Mission.

In the two years we have had a Building Fund, it has reached $14,641.31. Our prayer is to acquire the land, have the well dug and get in the septic tanks and then move two trailers on the lot and begin services there.

MISSION ACTION/WMU

Over a ton of food, household goods, personal hygiene items and medical supplies were collected by the Carolina WMU for the victims of Hurricane Gilbert. These needed items shipped by the Brotherhood Relief Agency to Ft. Lauderdale, Florida. From there it will be sent by air to Jamaica for distribution to the hurricane victims. Over twelve hundred dollars was collected for building supplies and material.

October 15 is the deadline for money to be turned into the Association for the Carolina WMU's part of the state-wide project of giving a Christmas box to each inmate at the Correctional Center for Women at Raleigh. Our part is the purchase of 400 cylinder boxes of fragrant powder.

Monday, December 12 is the date set for the giving of new toys to needy parents for their children. All toys and/or money to buy toys must be into the Association Office no later than December 5. December 9-10 will be the setup dates. The families are carefully selected by IAM. Volunteers are needed to setup, to help distribute toys and/or give a Christian witness for these families. If you can help, please give your name to the Association Office, 693-4274. With the discontinuation of S&H Green Stamps in this area, all churches will have to work harder to collect the new toys needed to make this project a success again this year.

WORLD MISSIONS CONFERENCE

The World Missions Conference of Carolina Baptist Association was a success by every manner of measurement. Twenty-nine churches, including our Spanish Mission had a part in this great mission venture. Nearly 10,000 people were touched during these brief days with the stories of the Gospel of our Lord and Savior, Jesus Christ being taken to the ends of the earth. Thirty-eight decisions were reported in our churches during these meetings with many decisions to come form the planting of the Gospel, especially in the heart and lives of our young people and children.

The World Mission Conference was instrumental in the decision of one of our pastors, Rev. Richard Clark, Balfour Baptist Church, to seek Foreign Mission Appointment and return to the seminary to complete the educational requirements for that appointment.

Missionaries representing State, Home, and Foreign work were included in the conference. The countries of Brazil, Mexico, Nigeria, South Africa, Korea, Zambia, Senegal, and the Ivory Coast were represented by Foreign Missionaries. Home Missions were represented by workers from Georgia, Louisiana, Maryland, Massachusetts, Mississippi, South Carolina and West Virginia. Five workers from across North Carolina came to present the State Mission work.

Our churches were very supportive of the conference in their love offerings and budgeted gifts to underwrite the expenses of the week. All the travel and local expenses were covered by the World Missions Conference Budget and the hosting of the local churches, with each missionary receiving an Honorarium of $110.00. The total budget for our World Missions Conference came to $7,413.58. Of this amount only $414.36 was drawn from the Associational budget.

A word of appreciation to the people who gave leadership to the Steering Committee is due to Barbara Jean Connell, Charles Magnet, Doris McGee, Dr. Henry Parker, Max Smith, and to the Carolina Baptist Association staff and Director of Missions for their assistance.

WORLD MISSIONS CONFERENCES

CHURCH DEVELOPMENT COUNCIL

The Church Development Council of Carolina Baptists has worked this year to provide at least one opportunity for local church "key" leaders to become better equipped to be on mission and up to date. This meeting was held at First Baptist Hendersonville, July 19, 1988 with approximately 45 in attendance. Sessions were provided for WMU, Church Training, Brotherhood, Sunday School, Pastors/Deacons, Media and Missions Ministries. Appreciation is extended to all the Directors for their willingness to attend Key Leadership Conference at Ridgecrest in May and for preparing to conduct our own conference.

In our July meeting the 1988-1989 Calendar was worked on and New Budgets presented for approval of the Finance Committee and Association. The desire of our council is to see church leaders offered all possible assistance that they may carry out the Savior's Commission.

CHURCH TRAINING

Every Southern Baptist Church should have a Church Training program. It is very important to have new member orientation and training, membership training, and leadership training. Every believer needs to be disciplined,nurtured and matured in the faith. Many of our churches in Carolina Association have Church Training and give reports for the minutes. No doubt some churches are doing some type of training but no records or reports are made. Let me encourage you to have Church Training and keep records and send your reports into the office at the end of the year through your church letter.

There are many fine materials, methods, and meeting times for doing a good job of Church Training today. I feel that growth is taking place in this important area of the church program and I pray that Church Training will continue to meet needs in our churches. If I can be of help to you in reviving or birthing a training program in your church, please contact me. Please use the Baptist Resource Center for materials and ideas that you can use in your situation as well. We have a lot of valuable resources available.

This fall we will have "M" Night again and during this church year other training events will be held. "M" Night will focus on leadership training and will include potential worker training ideas.

Continue to have a greater vision for training your people and encourage your people in this direction.

May God bless you richly. Thank you for what you are doing in Church Training.

MEDIA

Carolina Media Library Organization was organized to assist and encourage established Church Media Library Centers, and to assist and encourage in establishing or reorganizing Media Libraries in other churches

The following churches had Media Libraries when the Carolina Media Library Organization was started: Hendersonville First, Etowah, Fruitland, Shaws Creek, East Flat Rock, Saluda First, Tuxedo First, Mud Creek, Oak Forest, and Locust Grove. Carolina Media Library Organization has assisted in the establishment or reorganization of the following Media Library Centers: Balfour, Bat Cave, Bearwallow, Naples, West Hendersonville, Locust Grove, Valley Hill, Refuge, French Broad, Ebenezer, Main Street and Tryon First. Those now in the process of establishing or reorganizing are: Crab Creek, Horse Shoe, Pleasant Grove, Mud Creek and Upward.

Leadership training is another goal and to meet this goal workshops and conferences in Classification, Copyright Laws, VBS Support and a workshop for all church program leaders were offered. Keith Mee, Media Department, Program Promotion and Field Services Section, Sunday School Board, Nashville, TN, taught his revised book "The Learning Team: the Learner, the Leader, and the Library" to leaders from Associational churches, Buncombe Baptist Association and Transylvania Baptist Association.

Another aspect of Media in Carolina Baptist Association is the Media Resource Center. This area has been active this past year. The most active area was in circulation of video tapes and equipment. Resources available to user on a priority basis are: Video tapes on missions, church growth, family life, Bible, Stewardship and Teacher Training. Equipment includes VCR's, TV's, Screens, Motion Picture Projector, Overhead Projector, Slide Projector and easels. To reserve any of these, call the Baptist Resource Center.

A computerized Media Loan Program is being established. Materials are processed, classified, reserved and circulated through this program. Thanks to Rick Houston who is writing and implementing this program on a volunteer basis.

Leadership training and maintaining the Media Resource Center are the major emphases for Media in the coming year.

MUSIC

Our Carolina Baptist Association music leadership group has met at each Executive Committee Meeting this year in a spirit of cooperation and purpose. The first meeting was devoted to distribution and discussion of materials available to area directors in an effort to support individual church ministries. This was a time also to freshly dedicate ourselves to God's plan for our lives and ministry.

The Music Directors spent our second meeting examining the Baptist Sunday School Board's "Music Ministry Standards of Effectiveness." This tool was found to be useful in helping directors not only gauge their programs to a standard but also to spark ideas as to building a music program in their church. Each director was given a worksheet used in application for this Award/Recognition Program.

Our last quarterly meeting involved presentation of audio/video aids that could be used in choir training as well as director training. Those present shared resources in these areas. The group studied a model church music budget and shared concerns of this important aspect of Music Ministry.

A major focus for the year has been the Small Church Music Conferences and the Small Church Music Schools. It has been discussed and stressed that our churches have this State Music Department resource and support available. The on-going effort to centralize our music libraries has made some progress this year.

SUNDAY SCHOOL

God has blessed us with an outstanding Assist Team in the Carolina Association. We thank God for these men and women and for their contribution to the Sunday School work in the Association. It is my prayer that more churches will take advantage of the training opportunities this team provides.

August 29-30 a Sunday School Training Conference was held at Valley Hill Church. Ten (10) churches participated and 80 teachers and officers were trained in "Teaching the Bible Through the Sunday School."

We will offer another Training Conference November 21-22 at Ebenezer Church. We will be teaching "The People Challenge" book. This Training Conference will be for the purpose of training Sunday School teachers and officers in outreach through the Sunday School.

I am praying for you and your church, please remember to pray for us.

VACATION BIBLE SCHOOL

Most of the churches in our Association have reported a good Vacation Bible School this summer. These reports indicate that much preparation has been made in our churches to ensure a successful year of VBS.

Our Vacation Bible School Clinics were held in April. At these clinics the leaders in each department were given information to take back to their local churches for planning on a church level.

We are grateful to each person who worked in VBS, giving your time and talent to spread the gospel. I want to say thanks to each of our Team Members for their dedication and hard work in leading our Associational Clinics.

WOMAN'S MISSIONARY UNION

As we come to the close of another church year I would like to thank each of you for your cooperation for the past nine years as I have served as your WMU Director, BYW Director, and Mission Action/Personal Witnessing Director. It has been a most rewarding experience for me. During this period the Annual Prayer Retreat was begun, the Prayer Garden was dedicated, the Annual Christmas Toy Project was initiated, and most recently we began honoring our Pastor of the Year. I have really appreciated you as we have worked through these major and worthwhile activities. Thank you so much.

This has been a busy year. Members of your council attended training sessions at Fruitland and have had training among themselves to better equip each of them to assist you. Remember, they are available to work with you to start new WMU work, help increase membership or training in existing work. Won't you use them? Some of our activit ies for the year in addition to those already mentioned were: Baptist Young Women had a meeting with the subject Volunteer Missions - Sao Paulo, Brazil Partnership, Baptist Women had a Salad Supper and the theme was "How We Use Our Time," and The World Day of Prayer. We also had a Centennial Prayer Retreat. A number of ladies were able to attend the Centennial Celebration in Richmond, VA and report rich and rewarding experiences. We were pleased to have Nancy Curtis as guest speaker at our Annual WMU Meeting. At this writing our Girls-In-Action are planning to have an Octoberfest with Acteens helping. The Acteens are planning a Mother/Daughter Spaghetti Supper. If your church is not involved in WMU won't you consider the activities in this report and the fact that WMU is the mission organization of the church involved in Teaching Missions, Engaging in Mission Action and Personal Witnessing, Supporting Missions and Interpreting the Work of the Church and the Denomination.

May God continue to bless Carolina Baptist Association as we are willing to serve Him.

SENIOR ADULT

Senior Adults have had excellent meetings this year. In November of 1987 ninety-four (94) met at Etowah Baptist Church with 16 churches represented. Linda Hyder of Duke Power Company gave a good presentation.

In April of 1988 we met at the Baptist Resource Center for an inspiring "Sing Along." Eighty-two were present, representing 16 churches.

In September 94 met at Bearwalla Camp, representing 16 churches. Ron Pinkerton showed his slides of his trip to Brazil. Everyone was urged to pray for this partnership effort with Sao Paulo.

Rev. Walton Coppedge has organized a Senior Adult Choir, which meets the first and third Wednesdays at 10:00 a.m. at West Hendersonville Baptist Church. Anyone who will, is invited to come and join them. They have sung at two Rest Homes and two churches.

The Associational Senior Adults gave $50 for the debt on the Resource Center. And $100 to pay on the purchase of the trailer house for camp.

Our next meeting will be November 4 at Mud Creek Baptist Church. Again a Duke Power Representative will give us a Christmas program and new calendars.

Thank you, Pastors and Senior Adults, for your cooperation and help. It's a joy to work with you. Keep up the good work!

Doris McGee

YOUTH

The Youth Committee met at the first of this year and worked hard preparing a complete list of all youth leaders. We now have addresses and phone numbers of all the leaders in the Association.

In the last part of May we had a Youth Rally at East Henderson High School Auditorium. Our guest speaker was Rev. Jimmy Hubbard from Wilkesboro, NC. Our guest singer was Alan Daniels from Atlanta, GA. "Music and Mirth" from Etowah, NC performed a special song and mime skit. The youth groups from French Broad and Mud Creek presented puppet skits. East Flat Rock youth group performed a rap talk. We had 12 different churches represented from the Association.

This fall we're planning an Associational Youth Basketball Tournament at First Baptist Hendersonville or Mud Creek. The tournament will be on a Saturday in November. The teams will consist of boys and girls. All churches will be invited to enter their youth. It will be a day of fun and fellowship.

Next year we will have a Youth Rally in March. We are planing to have Richard Everett from the Evangelism Department of the State Convention come on Saturday morning and speak to all youth directors and then that night Richard and the "Witness" singing group will lead the Youth Rally. We hope that more youth groups will have a part in the program. Another project that is being considered for next year is an Associational Youth Camp in June.

I personally appreciate all the ones on the Youth Committee and I'm looking forward to a great year in the Association.

CAMP COUNCIL

Camp Bearwalla has again this year played an important role in local missions. The spiritual harvest this year has make an impact in all the churches in our Association, including others form nearby and far-away areas. One of the most important and significant decisions was made at a recent weekend retreat, several Hindus were converted to Christianity and we praise the Lord for those conversions.

We had only four weeks of camp this year and the financial crisis brought about some changes. Rev. and Mrs. E.J. Jenkins retired from the camp and accepted a call to Trinity Baptist Church in Mars Hill, North Carolina. The Carolina Baptist Association will never forget the dedication and commitment of the Jenkins to Camp Bearwalla. They were presented a beautiful silver tray in recognition of their work. Although there have been some financial problems involved in operating a summer camp, the Camp Council feels that by sincere prayer and careful planning and cooperation from all the pastors and associational churches, we can overcome that crisis.

All four of the sub-committees are holding regular meetings with the purpose of seeing to it that Camp Bearwalla goes forward in "full steam," to promote soul winning and renewal to Christian commitment in the days that lie ahead. It would be impossible to list all of those individuals and churches who have supported the camp this year by volunteer help and improvements to the camp. We just thank you and the Lord will one day reward you for your labor. Frank and Betty Sheuerman are living on the grounds and taking care of the camp through January. Several weekend retreats are scheduled through the fall and we hope you will use the camp soon.

IN MEMORY OF REVEREND T.G. PROCTOR, JR.
AND
IN HONOR OF MRS. T.G. PROCTOR, JR.

Rev. T.G. Proctor, Jr. was born November 5, 1900 to T.G. Sr. and Martha Proctor in Greensboro, NC and died December 6, 1988. Mrs. Gene Van Velzel Proctor was born March 7, 1906 in Ludlow, KY. Her parents were Jacob and Lola Van Velzel. The Proctors are the parents of three children, T.G. III, Beth and David. They have four grandchildren and one great grand child. Their membership is in Hendersonville First Baptist Church.

We are very appreciative to Carolina Association friends for this honor and feel quite undeserving. Mr. T.G. would be quite hesitant to receive any recognition since his work in the association, as well as mine, was quite some time ago. Most of his work was with R.A.'s and he really enjoyed his contacts with the boys of the different churches and their fine leaders. I recall several associational events during those years - a rodeo, archery competition, ball games and good eating at different churches. He was some times called "Mr. R.A." as he always seemed to be involved with boys and leaders of the churches. He would want to give special thanks to those fine leaders - men and women. I remember so many of them - dear ladies who helped in many projects - embroidering badges for special achievements of the boys and always dear ladies involved in feeding them as well as the men leaders. Mrs. M.K. Sinclair was Associational WMU Director during these years and she was always supportive of any effort. Mr. T.G. worked along with Mr. Ray Jones whom he counted as a valued helper.

As for my part, my work was with the G.A.'s which was a joy and privilege and my very special thanks to the G.A. Counselors of different churches who were my helpers. At times now, we will meet or hear of someone whom we knew then, as a young person - grown now with responsibilities for young adults and rejoice to know of their growth in the Lord. That is the earthly reward and there is no greater reward than that.

I had the privilege of attending a recent Associational Baptist Women's meeting at Shaws Creek. It was so good to see old friends, and to meet some of the younger women in the work now. There are so many blessings serving the Lord - they cannot be counted.

IN HONOR OF ALICE TOLAND TRANTHAM

Alice Toland Trantham was born in Riverdale, Georgia on April 27, 1916. She became a Christian and a member of the First Baptist Church of Forest Park, Georgia at the age of 13. It was in this church a few years later that she began teaching children in the Sunday School.

Alice was married to Henry Curtis Trantham of Fletcher, North Carolina on June 1, 1935, came to live in Henderson County and forty-three years later her husband passed away. They are the parents of three sons, Harry, Jack, and Jim Trantham, six grand children and five great grand children.

In the year 1944 Alice Trantham moved her letter of Church Membership to Naples Baptist Church in Carolina Baptist Association. Her service for the Lord in Naples Baptist Church has varied, including WMU, Girls Auxiliary and Royal Ambassadors, Church Training and in Sunday School working with both adults and children. In her own words: "I have always tried to serve God wherever the need was greatest, but the children are my first love!"

For the past eleven years, she has led her Church's Ministry in one of the larger Migrant Camps in the county.

In 1982 she was one of a group who felt the Lord leading in the establishment of a permanent Spanish Speaking Ministry in this section of the state. She was active in visitation to seek out these people and encourage them to become interested in coming together to worship the Lord. The first Services were begun in 1983, and this dream has been fulfilled this year, with dedication of the Carolina Baptist Spanish Mission Church building in Edneyville.

Her favorite hymn it "What A Friend We Have In Jesus" and her favorite Bible verses are "I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day." II Timothy 1:12 and "And how shall I go up to my Father and the lad be not with me?" Genesis 45:34.

The 1989 Minutes of Carolina Baptist Association are dedicated

IN HONOR OF ALICE TOLAND TRANTHAM

PROCEEDINGS

1. There was special music by Walter Treadway then Rev. Greg Mathis declared the 112th. Annual Meeting of the Carolina Baptist Association in session at French Broad Baptist Church. Rev. Mervin Garrison and Stanley Dixon gave a skit on the type of meeting we were having and Rev. Garrison led in prayer. The men were dressed in period costumes since French Broad is celebrating 200 years of existence.
2. Rev. Mervin Garrison gave a welcome to French Broad Baptist Church.
3. A devotion was given by the Director of Missions, Rev. Ron Pinkerton using scripture from John 3:17 and 17:18 and talking about Jesus being sent and our being sent to do the Christian tasks here on earth. Rev. Pinkerton then led in prayer.
4. There was a motion to accept the program as printed. It was seconded and passed.
5. New pastors and staff members were recognized - Kenny Corn, Ebenezer Baptist Church, Music and Education; Olin Wingate, pastor of Charity Baptist Church, a new work in Henderson County; Mike Bennett, pastor of Horse Shoe First Baptist Church. They were welcomed to the association by Rev. Mathis. Left out under new staff was Margaret Baker, West Hendersonville Baptist Church, Minister of Music.
6. Walter Treadway led in a hymn "I Stand Amazed."
7. There was a motion to accept the Advanced Book of Reports as printed. This was seconded. Rev. Walter Adams amended the motion to have the Advanced Book of Reports printed and mailed out two weeks prior to the Annual Meeting. This was seconded. Rev. Pinkerton explained this would be very difficult to do since we don't know who the messengers to the association will be until we get to the meeting. He explained that we are not approving anything when we accept the Advanced Book of Reports we are only saying we accept the report of the different committees as printed. Rev. Adams then asked if they could be available, at the Resource Center, two weeks before the meeting. Lorena Helms explained that the figures in the Advanced Book of Reports could not be compiled earlier unless individual churches got their Church Letters to the Resource Center in August. Rev. Adams restated his motion to have the book of reports available two weeks before the Annual Meeting. This was seconded by Carolyn Lawton. The amendment was voted down.
8. The motion to accept the Advanced Book of Reports was passed.
9. Mrs Alex Booth gave the report of the Nominating Committee. She moved the adoption of this report as found on pages A-5, A-6, A-7 and A-8. It was seconded by James Newman. This carried by a majority vote.

11. In the report on Enrollment there were 169 attending; 145 messengers and 24 visitors.
12. Rev. Sam Gore reported for the Committee on Preacher and Place: The 113th. Annual Session will be at Valley Hill Baptist Church on Monday evening, October 22 and the second session will be at Ebenezer Baptist Church on Tuesday afternoon and evening October 23. Rev. Ray Ledford will be bringing the Annual Sermon. This was brought in the form of a motion, seconded and passed.
13. Under Miscellaneous Business there were two items:
There was an announcement that if anyone had a recommendation for dedication of the Minutes, to please see a member of the Committee on Dedication consisting of Max Smith, Sandy Campbell and Bea Booth.

It was announced that Marie Blackwell will have information from the Membership Committee.
14. A report of the Association Missions Investment Club was given by Bruce McIntyre. Bruce said this was a new organization started this year to let people participate directly in the work of the Association. It is not intended to replace any support now provided to the Association by each individual church. Anyone can give to the investment club monthly, semi-annually or annually and at the same time be able to designate the specific mission effort that you want to support.

The individual mission thrusts selected by the Finance Committee are:

1. The Brazil Project - The Southern Baptist goal is to build 1,000 churches in Brazil by 1992. NC Baptist State Convention is cooperating in this endeavor by pairing associations throughout the state with associations in Brazil. We are partners with an association in Brazil that has sixteen churches and serves 6 million people. The goal is to build ten churches in this area by 1992.
2. The Spanish Mission - Many gifts have been received and with the matching $12,000 from the State Convention, the mission is nearing completion, but it is anticipated that ongoing support will be required.
3. Camp Bearwalla - This facility has proven a real ministry for our Association, as well as for others even from other states. Our current Camp Council is taking a look at possibly updating this facility to make it more conducive for use of overnight retreats by our adults, Bible conferences and other groups. At this point our camp is debt free but our financial support is required to make the needed improvements and to maintain the camp for year round use.
4. Resource Center Debt Retirement - Our total indebtedness is $80,000, which an individual loaned to the Association, thus far we have only paid the interest with no payment on the principal. Should we have to borrow the $80,000 from a lending institution for a period of 20 years at todays interest rates, we would repay over $120,000 in interest over the 20 years.
5. New Church Property - We need to begin planning now for

the future. We need to be "new work minded." The population is expanding rapidly. There is a need for new Southern Baptist Churches. New churches need property. The need is there and we need to move and move quickly.

The Associational Missions Investment Club makes possible projects which could not be funded by the general budget. Each one received envelopes with your program tonight. Additional envelopes are available at the Resource Center or at your own church. You may designate how you want your gift invested. The period of participation is for one year, but it can be renewed if you so choose. You will be kept informed how your money is being used and you will receive an acknowledgement of your gift for your tax records. If you need additional information, see any member of the Finance Committee or call the Associational Office.

15. Rev. Frank Baker reported on the Partnership with Brazil. Rev. Baker said he thought the Partnership with Brazil was one of the most ingenious ideas for getting Southern Baptists directly involved in missions. Until this concept was conceived, churches had to just sit here at home and send people who were going to devote their entire life to the cause of Foreign Missions in other lands.

Now we have an opportunity to be Foreign Missionaries by going in a team to Sao Paulo, Brazil. These trips are planned, two each year, running through 1992. The trip in March is to emphasize evangelism, Bible study and personal witnessing and reaching people for Christ. The second trip, which will take place in the fall of each year, is to send a team of construction workers, people with particular talents in the construction trade and they will help in building churches, pastors homes or other projects that the association in Brazil may direct. We have an opportunity to participate in either one or possibly both of these types of ministries. Last March, a team went down, and as a result of that evangelistic ministry 625 people made first time decisions for Christ.

Rev. David Hyde shared some of his experiences in Brazil. He said there is nothing like touching someone else's life. He preached a sermon on Sunday morning about Nehemiah, about going out and reaching your neighbor, and one member took it seriously and went next door to a family who was having great domestic problems, to the point that the husband was about ready to kill his wife. The neighbor, the church member, took the lady out of the terrible situation and she came on Tuesday night and accepted Christ. The following night she and her husband, who had almost taken his life, came down the aisle and he accepted Christ. This was made possible, because the wonderful people at Etowah Baptist Church sent me to Brazil.

Rev. Baker stated that people were encouraged to commit to going to Brazil. Construction teams are ready to go in November. Evangelistic teams are being readied to go in March. Five teams, of two each, are already recruited, and we need three more teams or six more people. We would like to have two additional teams besides that or a total of five so we can have two alternate teams in case someone has to drop out at the last minute. You can

send individuals from your church, encourage your pastors to go, help pay expenses of someone who would like to go. You can help to buy Bibles, Scripture portions and Gospel tracts in Portuguese. You can help to buy construction materials for the construction teams to use.

Please pray about this matter. Be sure to sign up right away of you can go. The cost is $1,650 per person.

16. Sandy Campbell gave a report on the Spanish Ministry. Sandy thanked everyone who has helped in the construction of the Spanish Mission. She introduced Angel Cruz who has been teaching in the Migrant Ministry. Concerning the Spanish Mission building the project director, Rev. John McGee, gave a report on the progress. He stated that he had spent a lot of time at the site during the last three months. If they could just get gas to heat the building, the furnace is installed, the vinyl flooring needs to be installed and complete the plumbing and they will be ready to turn it over to the Spanish people, hopefully within the next two weeks. The dedication service is planned for November 19.

Dr. Burke Holland from the Language Department of the Baptist State Convention gave a report. In 1977, The Baptist State Convention started language work, with Dr. Holland directing. At that time there were four units of language work. We now have 73 units covering 11 languages. The largest is Hispanic persons. Out of 36 Hispanic works across the state, Carolina Baptist Association is third to be moving into their own building. On November 19, Lord willing, I will be back to participate in the dedication of the Spanish Mission Church.

17. Walter Treadway led the congregation in singing "Amazing Grace."

18. Rev. Greg Mathis introduced Rev. John Rymer for the Annual Sermon.

19. Warren Nighbert, Minister of Music at French Broad Baptist Church, brought special music. He sang "I'd Rather Have Jesus."

20. Rev. John Rymer used as his text Deuteronomy 8. The book of Deuteronomy is the second law. Moses wrote this book to admonish these people and to warn them not to be engulfed in pride. Moses told us to remember. He told the people to remember how God had led them through the wilderness.

Peter wrote to the scattered Christians, after the persecution of the church and told them they had become partakers of God's divine nature. He encouraged them to add to their faith virtue, knowledge and temperance and to make their calling and election sure. Then he said, as long as he is in his body he was going to put these people in remembrance of what God had done for them.

1. Thoughtful remembrance - The forty years of wandering in the wilderness. Moses was 40 years in the court of Pharaoh, and 40 years in the desert before he led the children of Israel. God dealt with Moses a long time.

God was patient with Moses, with Israel and he is patient with us.

God wanted to know where their allegiance was. God is looking for obedience. He led them for 40 years to humble them. God gave them manna and promised them sustenance day by day so they

would learn to depend on Him.

2. Thankful remembrance. Be thankful for Gods's provision of life. God provides for all our needs. God provided for their material needs. Their clothes didn't wear out and their feet did not swell. God made perfect provision for them and He provides all our needs.

3. Trustful rememberance - They were not in the promised land and Moses was already saying it was theirs. We should be thankful for what God promises us. It is our claim. I Cor. II Paul says, eye hath not seen, nor ear heard nor has entered into the heart of man the things which God has prepared for those who love him. This is a tremendous promise.

Adoniram Judson, a Baptist missionary to India, labored six years before he baptised a single convert. Someone asked him about the evidence of success in his ministry and he said, "As much as there is a god who will fulfill allhis promises, this will be my success" and on the basis of that promise Adoniram left the heritage of 100 churches and thousands of converts to faith in Christ, because he trusted God's promise.

God led them through the wilderness. He brought them water out of the rock of fling. He fed them in the wilderness with manna. But thou shalt remember the Lord thy God.

God has promised to be with us always. God will never leave us or forsake us. God has promised to be with us as individuals, as churches, and as an Association. Rev. Greg Mathis led in prayer.

21. Rev. Greg Mathis surprised Rev. Ron Pinkerton as he recoznized his 10th Anniversary as Director of Missions. A reception was held in the Fellowship Hall for Rev. and Mrs. Pinkerton. They were presented one dozen red roses and a check for $1,746.50 from the churches as a token of love and appreciation for Ron's outstanding leadership in the Association.

22. At 4:00 p.m. on October 24, 1989 Rev. David Hyde, Vice Moderator, declared the Second Session of the 112th. Annual Carolina Baptist Association in Session.

23. Walter Treadway led the congregation in singing "Count Your Blessings."

24. Rev. Dale Tanner, pastor of East Flat Rock First Baptist Church, gave the welcome, pointed out the facilities and led in prayer.

25. Dexter Greene gave the devotional using scripture from Matthew 5:15-16 and a devotion from Charles Swindoll's book.

26. It was requested that the assembly remember Rev. and Mrs. Ron Pinkerton in prayer. Mrs. Pinkerton;s father passed away this afternoon.

27. Rev. Greg Mathis reported from the Executive Committee. He gave a synopsis of the three meetings the Executive Committee had during the year. In January the Finance Committee reaffirmed its package of compensation for the Director of Missions, also we heard of work we could get involved in with the Spanish Mission, as well as money we could give to match a fund offered to us by the Baptist State Convention. In April the Camp Committee presented an interim Camp Director, Craig Halford. The idea of

an investor club was presented and we had a report on this last night. In July a planning committee was appointed to give direction to our camp so that we would have a direction in which to go concerning Camp Bearwalla. Also the idea of a Long Range Planning Committee for the Association was brought up. The Moderator appointed this committee and the names were presented to the Association last night. They will be working to give us a report at next years Annual Meeting.

28. Ray Ledford gave a report for the Committee on Committees. He presented the report as printed on pages A-9 through A-13 in the Advanced Book of Reports and he moved the adoption of the report as printed. There was a second, and this passed.

29. Rev. Mervin Garrison gave a report on Missions Ministry. Rev. Garrison said he felt we needed to spend more time in prayer to see that things begin to work as God wills them. Two areas of Missions Ministries are prepared to report:

1. Audrey Saunders reported on New Work. She reported that in Henderson County we have approximately 70,000 residents and this is expected to increase to over 100,000 in fifteen years or less. We have 54 Southern Baptist Churches with 17,893 members recorded. About one third of these or a little less, are in a church on any Sunday. Who is going to minister to the other 63,000 plus the ones who are expected to move into our area? Audrey showed some slides of new developments in the county. The first were in the Kanuga-Flat Rock area. In this area we have Berea Baptist Church, Pleasant Hill Baptist Church; the Crooked Creek area, which has Covenant Presbyterian Church, Beulah Baptist Church, Crab Creek Baptist Church, Valley Hill Baptist Church, Faith Bible Church and Mud Creek Baptist Church. The population of this area is expected to be about 2,425 by 1990. The Hendersonville area is expected to be about 37,667 by 1990.

The next area was the Fletcher area. In 1960 the population was over 6,000 and by 1990 it is expected to be over 8,000. The bulk of these people are in the age range of 18-54 years of age.

The next area was the Highway 191 and 280 area from the airport to Blantyre (Mills River area). Churches located in this area are Mills River Baptist Church, French Broad Baptist Church, Mills River Presbyterian Church, Mills River United Methodist Church, Mt. Gilead Baptist Church, Pleasant Grove Baptist Church, Holly Springs Baptist Church, a Seventh Day Adventist Church and two Episcopal churches.

We recommend we study for new work in the three areas reviewed. This recommendation passed.

2. Suzanne Duncan reported on Disaster Response. She showed slides taken when truck loads of supplies provided by the Carolina Baptist Association were delivered to victims of the Hurricane Hugo disaster in South Carolina. She conveyed their messages of apprecition for help received. Max Smith led in a prayer for these victims.

29. Rev. Darryl Maxwell gave a report on Church Development. He said this report would give an overview of what has and what will

be done by the program organizations of the Carolina Baptist Association. The men and boys of the Association Brotherhood met for fun, food and games at Mud Creek Baptist Church and had a wild game supper. In addition to the meal they were challenged to Mission involvement. Tom Puckett led a Brotherhood Workshop at French Broad Baptist Church.

Next year on January 19, 1990 we will have the Baptist Men's Convention in Raleigh. The Men & Boys Rally will take place at French Broad Baptist Church on January 22. David Langford will be the speaker.

1. Some new materials are available for Discipleship Training and spiritual growth says Max Smith, Associational Church Training Director. He will be glad to acquaint us with the materials. An Equipping Center Showcase is on the calendar for the spring of 1990. Everyone is encouraged to take advantage of this. Some training courses for the upcoming Simultaneous Revivals are also in the making and word of these is forthcoming.

New Church Training and New Member Training books ar at our disposal and we are encouraged to take a look at the Equipping Center Modules - especially the Life courses. Church Training is about to undergo a name change. The new name will be Discipleship Training.

2. Training and teaching has been the emphasis of the Carolina Media Library Organization under the leadership of Hazel Duncan. In May of this year Hazel taught the book "Eyes to See, Ears to Hear" to Media Directors and interested leaders on the home front. As a result of training in Cary in a Media Library Special Worker Conference, Hazel received an assignment to teach a promotional workshop in the Pilot Mountain Association. Her topic was Oral and Written Promotion.

New additions to the Media Resource Center includes some tapes on a variety of subjects. Call Hazel for titles and help with resources.

3. Chaplain John Howard was instrumental in the offering of some courses through the Association Seminary Extension which have proved a help to some pastors. This is a cooperative effort between Carolina Baptist Association and six seminaries throughout the Southern Baptist Convention. Courses are offered periodically through the Center, they also be taken by correspondence.

4. Sunday School, under the able direction of Lawrence Goodman, conducted three associational workshops, attendance was not outstanding, but Lawrence hopes more of our people will take advantage of these training opportunities in the future.

5. The WMU, under Jean Orr's inspired direction, involved cooperating churches in Mission Outreach through the Christmas Toy Project; gifts to the inmates of the Women's Correctional Center in Raleigh. Pastors were affirmed, as the WMU honored the brethren with a Pastor Appreciation Dinner where Rudy Aguero was chosen Pastor of the Year! He accepted the honor with dignity and grace. The ladies met for the Prayer Retreat at Camp Bearwalla and were inspired and motivated by the remarks of Marjorie McCullough, national WMU President. Jean says plans for the coming year are the same as in the past plus a language

activity and a Baptist Nursing Fellowship. These upcoming events will be announced later.

30. Craig Halford was recognized to give the Camp Planning Committee report. Vice Moderator, David Hyde, yielded the Moderator position to Greg Mathis as Rev. Hyde needed to speak to this issue.

1. Craig said the purpose of this committee was to bring a recommendation to the Association on the direction of the Camp in the future. Those on the committee were Keith Arledge, Steve Briggs, Dale Tanner, George Denton, Alice Wildes, David Hyde and Carrie Barton.

The committee has put forth a very toilsome effort for the last six weeks to accomplish its task. In order to make an honest attempt to assess the past and the present condition and determine the viable direction for the future, I instructed this committee when we began, to put aside any biases either for or against the camp and as best as I can determine we had a very neutral committee and I thank the Lord for that. It is the sincere desire and prayer of this committee that we as an Association set all personal interests and feelings aside so that we might rightly discern God's will for this camp. It is with an attitude of humility that we present to you the results of our work and our recommendation.

Thirteen years ago, this Association voted to purchase the camp, since that time many positive things have happened at the camp, there have been hundreds of decisions for Christ, as well as many more lives rededicated to the Lord. There have been scores of people who have been touched by the beauty and solitude of the camp. this committee believes that in the world in which we live today the beauty and solitude of the camp is a priceless commodity and we are in one hundred percent agreement that this camp has enormous potential and could be one of the greatest ministery accomplishments of the Association, however, we felt, in order to realistically determine the future direction, we must look at the dark side of the camp as well. The camp was born in controversy and has been in financial difficulty ever since. We feel the amount of support given to the camp is a direct reflection of the lack of total commitment of the Association at the time of its purchase, for whatever reason that may be. Out of the 52 churches in the Association approximately 14 give regular support. At present, the camp receives approximately $18,500 per year - $6,500 of that coming from the Association budget and $12,000 coming from individual churches. For the last several years the Association has had to supply the camp with non-budgeted funds due to its inability to support itself. There has also been a decline in usage of the camp in recent years and given its present condition, both financially and physically we see only further decline in the future. The camp has continued to be a center of controversy in the Association and we feel, as a committee, that it is time for the Association to come together and make a collective decision and fully support that decision once it has been made. We, as a Committee, have taken this issue very seriously and have struggled for many hours over the solution. It is with that background, I would like to ask

Brothers Steve Briggs and David Hyde to present to you the two options we feel are in the best interest of the Association.

2. Steve Briggs presented the first option: He stated that in the investigation, it became apparent that a chief obstacle was a lack of a clear authority and responsibility for the camps operation, so based on this discussion we came to an agreement that a major task was to establish or seek out a means of resolving this problem of direction and oversight for the camp, and during that discussion a suggestion came, and this is the concept I am presenting to you for consideration today, is: that Camp Bearwalla be made a non-profit organization in and of itself. That it would be separated in a way from under the wing of the Association. And the way we would like to phrase the bottom line of this is that Camp Bearwalla would become a Mission of Carolina Baptist Association, rather than a ministry of Carolina Baptist Association. To illustrate that, I think of how we operate when we set up a new church, like the Spanish Mission, we support it, we help it, we give guidance to it but yet it is a separate entity, it is a Church of its own. This would be the same way we would treat the camp. It would be a non-profit organization in and of itself, a mission of Carolina Baptist Association. Now as a committee we came to this proposal and we saw these positives in regard to this. First it would create a direct line of authority, control and supervision for the camp facilities and its program. There would be a definite set of written policies and procedures created.

Second - It would be separate from the Association. It would allow the ministry of the camp to develop without the baggage of emotionally charged issues that have been so controversial over the past.

Third - It would force the camp to rise or fall on its own merits. It would no longer be a financial drain on the Associational budget directly, but the Trustees of this new organization would have the chance to guide Bearwalla to become a fruitful, vibrant camp and conference facility and ministry.

Fourth - In the future, it would require less financial support directly from the Association's budget, although to get the ministry started, we do believe there would be a need for a substantial amount of seed money, just like the Association would support a Mission Church with some money to help it get started. We feel that by funding the camp sufficiently to provide for a qualified staff and to make the facility improvements that are needed, the camp would be able to develop a broad base of loyal clientele for using the camp and this would in turn enhance the Trustees ability to secure gift income to free the Association from its substantial initial commitment financially.

Fifth - We believe this would leave the camp to broaden its financial base as a separate organization, it would reach out to more people, more churches, more organizations, and wouldn't be seen so much as just something belonging to Carolina Baptist Association and also it would enable it to enlarge its scope of ministry, reaching out to these other groups.

There are three other things I would like to mention, we feel would be necessary to make this a reality.

First - There would need to be the legal work done, documents drawn up to create the Camp Bearwalla Corporation, these would need to contain a Constitution and a lease of property from the Association to the new organization. This would be handled in detail by the Associational Council. They would be charged with the task of drawing up the papers.

Second - The election of five to seven individuals who would constitute a Board of Trustees. These individuals would have to be qualified in several ways:

1. They would need certain spiritual qualities. They would need a vision for ministry. Understand what ministry is about and how to do it.
2. They would need camping abilities. They would need to have an understanding and interest in Christian camping. They need to be people who see its value and will sacrifice time and effort to make the camp function. They would have to be people who are truly committed to Christian camping.
3. Administrative ability. They would need to have organizational oversight abilities and be able to make hard decisions that were tempered by faith and vision.
4. Promotional abilities. It would be a major roll of the Trustees to promote the use of Camp Bearwalla, to champion it, among the churches of the Association and elsewhere, as well as to be primary promoters of income to the camp.

Third - The churches of the Association must support the camp financially, physically, emotionally and spiritually/

Financially we must raise a significant amount of money annually for the next three years for seed money.

Physically we must assist in repairing, renovating and upgrading the facilities, as well as being willing to use it ourselves.

Emotionally we must as an Association, have a positive attitude toward the camp and its potential.

Spiritually we need to pray. Pray for the direction and the leadership of the camp that it might be used to its full potential.

So the first proposal is that Camp Bearwalla be set aside as a separate non-profit organization, as a Mission of Carolina Baptist Association, rather than as a ministry.

3. David Hyde said he wanted to stress that the following is just an alternative to the proposal that has just been presented. Alternative: That Camp Bearwalla be sold if the above recommendation is not accepted by the Association.

4. Craig Halford stated that it was the desire of the committee that the Association adopt the first option as stated. He restated the recommendation:

"That Camp Bearwalla become a separate non-profit corporation with a Board of Trustees/Directors to be elected by the Carolina Baptist Association on a rotating basis and that Carolina Baptist Association fund Camp Bearwalla for a three year period with $35,000 per year. There was a second by Bill Wilkinson.

Zeke Crawford asked if this recommendation would conflict with the By-Laws of the camp. Craig Halford said they had not

checked it against the By-Laws.

The question was asked if the Association would retain ownership of the property. Craig answered that the Association would retain ownership, but lease the camp to the Corporation for $1 per year.

The question was asked "Who is the Corporation?" Craig answered that the Association would be appointing the Trustees/Directors who would be the Corporation.

Lorena Helms questioned the proposals and wondered what would happen if the camp remained as it is, of if the proposals were tabled until a later date.

George Jones raised some questions and John Rymer answered.

John Rymer called for the question. It was seconded. This carried.

31. The recommendation was voted on and it passed.

32. Wally Shamburger brought special music.

33. Margaret King gave the Historian's report. She referred to pages A1-A-3 in the Advanced Book of Reports and moved the adoption of the report. This was seconded and the report adopted.

34. Cecil Young presented the budget. He referred to pages F-1 through F-12 of the Advanced Book of Reports and said this was the receipts and expenditures for the past nine months. Cecil said they expected a $10,000 to $12,000 shortfall in our 1989 Budget if trends continue for the next three months as they have in the past.

Our 1990 Budget represents about a 10% increase over the projected receipts for 1990, however, the committee feels they are taking steps to help promote the Association work financially. There has been response to the Associational Missions Investment Club and we hope to have more response. They mailed out budget preparation sheets and were very gratified with the response.

Cecil referred to pages F-13 through F-14 of the Advanced Book of Reports, the proposed budget for the Association, F-15 the proposed budget for the Camp and F-16 the proposed budget for the Spanish Mission. He recommended adoption of this report, this was seconded by Rich Liner and budget was approved.

35. George Jones raised a question about Camp Bearwalla in light of the previous vote to give $35,000 to the camp. This was not included in the budget. David Hyde stated that presently $18,500 is being given to Camp Bearwalla. George Jones asked if the churches were going to be asked to raise the remainder rather than give to the Association budget. He stated that it sounded as if we are voting on something to kill the camp. David Hyde stated that anything about Camp Bearwalla will be brought before the Association and that the camp will rise or fall according to the support it receives.

36. Hazel Duncan recognized the Church Clerks who had their letters in on time and had them correct, these clerks were placed on an Honor Roll, they are: Mrs.Carolyn Nicholson - Refuge; Mrs. Gertrude Miller - Crab Creek; Mrs.Linda Fretz - Naples; Ms Peggy Messer - Mount Moriah; Mrs. Carrall McMinn - Locust Grove; Mrs. Ollie Huntley - Middle Fork; Miss Tona Lawter - Saluda First;

Mrs. Alyne Jones - Mount Gilead; Mrs. Bonnie Newman - French Broad; There were some who got their letters in just after the deadline but they were correct so they received Honorable Mention.
They were: Miss Myra Gasperson - Fletcher First; Miss Frances Hamilton - Etowah; Mrs. Ruby Pruitt - Balfour; Mrs. Lucy Sitton - Fruitland; Miss Beverly Blake - Hendersonville First; Miss Frances Messer - Liberty; Mrs. Sandy Campbell - Spanish Mission; and Mrs. Betsy Copilillo - Mount Olivet.

Mr. Theron Mullinax was honored for 29 years of service as Church Clerk at Tuxedo First Baptist Church. He was given a Certificate of Appreciation.

37. Sue Fitzgerald, a representative of Mars Hill College, pointed out a display she had set up. She mentioned three things coming up at Mars Hill: 1. January Bible Study Preparation Day, 2. R.A. and G.A. Day coming up the first Saturday in November, and 3. Carl and Faye Burkwall missionaries on furlough, living in the missionary cottage at Mars Hill, would come for speaking engagements and their telephone number is 689-9390.

38. Todd Stockdale, a representative of Wingate College, brought greetings. He informed us that there is a proposal to change the name of the college.

39. Henry Stokes, a representative of Wake Forest University, brought greetings. He asked that churches put in the Media Center, a copy of the history of their churches and also send a copy to the Wake Forest Historical Collection. Mr. Stokes also asked that the churches send in their church minutes for microfilming. There is no charge. Wake Forest is seeking to establish a Divinity School. The trustees have voted that Wake Forest can have a divinity school provided funds can be raised to support it.

40. Bill Wilkinson reported on Christ Centered Counseling at First Baptist Church in Hendersonville. Joyce Revells has materials at the back of the church and will discuss this counseling with you.

41. Doris McGee announced that a retired home missionary had written some books on the four Gospels for young children, and they will be available to purchase as you go to dinner.

42. Rev. Mervin Garrison gave the benediction and blessing and the session adjourned for dinner.

EVENING SESSION

43. At the evening session of the second session of the 112th. Annual Meeting of the Carolina Baptist Association, the Joy Singers presented several selections.

44. Ray Ledford brought the devotions. He used Isaiah 43:18 and following verses. Then he led in prayer.

45. Rev. Alex Booth presented the Memorial. He projected the names of deceased members on the wall, and read John 14:2. The people from the churches where these deceased were members were asked to stand as their church came up. Then Rev. Booth led in prayer.

46. Bettie Hooks, representing Broughton Hospital, was recognized

and she brought greetings from the hospital. She stated that Broughton is a mental hospital serving 35 counties in Western North Carolina. Last year they had 112 admissions from Henderson County. She says the largest admissions come from age groups 22 to 34, followed by 35 to 44 age group. She stated they need help, because 50% of these people are without funds or resources.

47. Under miscellaneous business:

1. Greg Mathis announced there was a new work in Henderson County known as Charity Baptist Church and they have made application and are going through the proper steps to become part of Carolina Baptist Association. He stated that as is normal procedure, we would take the church under our watchcare for one year, before a decision is made.
2. Edith Ross announced that there were 168 people registered, 130 messengers and 38 visitors.
3. Max Smith recommended the minutes be dedicated to the following persons for their contribution to the leadership and service to our Association: In Honor of Mrs. Alice Trantham; In Memory of Rev. T.G. Proctor and In Honor of Mrs. T.G. Proctor; and In Honor of Miss Audrey E. Saunders. There was a second and this recommendation passed.

48. Bruce McIntyre presented the Association Missions Investment Club. As a member of the Finance Committee he gave the following information. He said the Missions Investment Club was designed to give persons an opportunity to invest in missions and that it is not designed to take away from any local church work. You can invest in the club weekly, monthly, semi-annually, or annually or whatever basis you choose. There are five different areas and they are in the handout you were given. You might wish to give to the Brazil Project, the Spanish Mission, Camp Bearwalla, New church property or the Resource Center debt retirement. This investment is designed to run for one year and is renewable. You will receive a statement for your tax records as this is tax deductible. The investment you are making is in the lives of individuals.

49. Rev. Lawrence Goodman led in prayer, especially for Rev. Ron Pinkerton's family in the loss of Peg's father, and for Rev. Bill Willingham, Sandra Hebb, Mrs.Ward and Mrs. Bill Landreth.

50. Two selections were presented by the Joy Singers.

51. Rev. Greg Mathis recognized the secretaries of the Association, Hazel Duncan and Paula Janes, they were given a round of applause.

52. Dr. J. W. Hutchens, Director of Evangelism, Baptist State Convention of NC, brought greetings from the Baptist Building in Cary. He announced the leaders of the State Evangelism Conference in Greensboro in February. They plan to have a call to a time of solemn assembly.

Rev. Hutchens used as his text I Peter 3:15 after prayer he made these points:

1. If we are going to have revival we will have it when God's people begin to sanctify their hearts. God cannot use unclean vessels.
2. Revival begins when we begin to get out in our communities changing lives as church members should. If we are

going to be God's people, we are going to commit our lives to witnessing. Every day we touch people who have needs and we don't realize to.

3. God has called us to be team members and not "Lone Rangers." God said I will use my Church in the community.

4. God's work is church centered and community centered. If the church was not there one day, would the community miss it? God told Joshua to take Jericho and although they were a small group, when they obeyed God, this was accomplished. When we follow God's plan we will see people saved. If we have people in our churches who truly pray for revival, we will have revival.

5. Revival is the outcome of a prayer life. We will need to spend time in God's word finding His will for our lives. You cannot destroy the power of God, but we can have that power if we will stay in the word and pray.

We are joint heirs with Christ we are to be evangelistic and enthusiastic. God says He will give us power, if we are faithful to Him. Rev. Hutchens led in prayer.

53. The new officers were introduced: Mrs. Marguarite McCraw, Clerk, Leonard Lemmons, Treasurer, Mrs. C.M. King, Historian.

54. Rev. Mathis closed the meeting by asking that everyone shake hands with about five people and tell them that God loves you.

55. The 112th. Annual Session of Carolina Baptist Association was adjourned.

HISTORY

The major purposes of the History Committee, in the Association, are to provide leadership development experiences for not only the Historians but the general membership and an inspiration for the future generations as it relates to the church. The Historians appointed to serve on this committee have been working to fulfill these purposes.

This ministry is needed to keep a continuous record of the churches worth-while records. An awareness of the past can enrich the life and ministry of your church and the denomination. The Psalmist urged God's people to remember "The marvelous works that God has done." (Psalm 105:5).

Serving as the Historian continues to be rewarding. I would like to express my appreciation for the five churches whose histories are already filed in the Media Resource Center. The churches are: Balfour, Hendersonville First, French Broad, oldest church in the association, Refuge and Shaws Creek, and the many churches who are now involved in this project.

I invite your input in helping to make the Carolina Baptist Association 100% in this project by 1990.

DIRECTOR OF MISSIONS

THE CAROLINA BAPTIST ASSOCIATION IS CHANGING

As we come to Annual Meeting time, my mind goes back to the cool, crisp morning when smoke was coming out of chimneys and people were busy grinding cane to cook molasses. I also think about the long wooden tables under the trees, packed with all kinds of food, that was the main event of the all day annual meeting. Some, not all, of those events I wish we could experience today, but the world around me has changed.

I used to know all the people in my neighborhood and now I won't know one person in ten. In church I used to know what to expect from the people because we grew up together and we knew how each other reacted, but now there are a lot of new people and we never know how to respond to new ways of doing things. I also remember when members of a church would not criticize their pastor or the President of our country, but those days are history. Our world is changing so rapidly that I am constantly tired from trying to keep up with the changes. My nature and desire for calm push me to try to restore things to the way they were in the past, but no matter how hard I try I can't make much progress.

It seems to me there are two ways to face change. One is to work harder doing the things we used to do and maybe we can stop the world and push it back a few years. The second way is to make friends with the changes and find new ways to express ageless truths and new challenges to meet people and learn new ways of doing things.

The Carolina Baptist Association is facing the same changes we face as individuals and churches. The association and its churches have the same two choices in facing the changes. We have spent a lot of energy trying to recapture the church life of the 1950's, but there has been little success. We have a lot of tired, frustrated pastors and church members who have worked harder and longer to reestablish the 1950's church for the present day, but in reality, it just can't happen.

The truths of Jesus Christ are desperately needed in a time of constant change and constant pressure when the world's way of escape is through sex and drug addiction. We need revival, but our two week meetings don't work, and even our 3 or 4 day meetings don't seem to be very effective. The need for revival is present, but if we hope to be God's instrument for renewal we are going to have to seek Him for new ways of touching people's lives.

Our Association can be a place where we join ourselves together and seek God's will for meeting the needs of people today and in the future. Together we can find new methods of sharing unchanging Christian truth. Reluctantly we turn our face from the small, mountain farm community that made up the Carolina Association to a congested, crowded land that is filled with strangers. <u>This is our ministry field.</u> We must look at today and on to the year 2000 instead of back at the 50's and the "way things used to be." God is powerful enough to penetrate our new world if we are flexible enough to let Him. Together we can make a difference individually and as an association in a land filled with strangers and, if we let God guide us, someday we will call them brothers.

MIGRANT MINISTRY

Many un-churched people have been ministered to this season with several re-dedications from past years.

Spanish Mission: Rev. Rudy Aguero

Migrant Evangelistic services were held at Camp Bearwalla August 13 with 57 people. August 20 there were 60 people. Six made professions of faith in the Spanish services. Two men from the Spanish mission helped with the music.

Thank you Migrant Committee for inviting my Sunday School teacher and me to teach in 3 churches. I hope next year we can work together again for the Lord.

Ebenezer: Rev. Robert Duncan

We had another good year. We bussed the migrants to our church. Classes in Spanish, English and Children's Bible study were offered. Five professions of faith were made in the Spanish group and two in the Youth Group when the Virginia youth were here.

The ladies of the church served a meal and gave health kits.

Hendersonville First: Imogene Crawford

Prior to Migrant Services we visited camps inviting and telling them the bus will be there each Sunday to take them to our church. The WMU ladies served lunch.

Classes in Spanish and English for adults and graded classes for children were held. Health kits, blankets, clothing and "lots of loving" were given to all.

Naples: Alice Trantham

The ministry began in mid-July to people in back rooms of our camp. Ebenezer took the front section. Bussed the children to the Spanish Mission. The enrolment was 22 and the average attendance was 12. Health kits were given to children and clothing to everyone.

We assisted a man that had been injured in a farm accident with money for food, transportation for his wife and witnessed to them. The children attended the Mission Sunday School picnic.

Refuge:

The church van and drivers along with Jose Trejo entered new areas and bussed the people to East Flat Rock for services. Charlene Lively assisted this group.

East Flat Rock: Sandy Campbell

We visit camps each week with the bus picking up on Sunday. Lunch is served by a Sunday School class. Bible study for all in English and Spanish was provided. Health kits, blankets and clothes were provided for all. The enrolment was 72 and attendance was good.

All of the churches attended the Evangelistic services.

Migrant Night at Hendersonville First was October 1, 1989 at 7:30 p.m. Rev. Ronell Owensby was the speaker. A reception followed the message.

Food packages were distributed as needed. Thanks to all that support this Home Mission work.

Matthew 25:40

MISION BAUTISTA HISPANA "CAROLINA"

The Lord has blessed in so many ways this year. Land was purchased in January and the challenge gift was matched for the first building unit.

Many hands helped clear the land and prepare for building. A sign was erected and pines and hemlock trees were donated and planted around the boundary.

Rev. John McGee as project director gives this report:

"God has blessed us richly in the work of the Spanish church building. A large number of volunteers have worked faithfully in many different tasks.

Rev. Harold McKinnish and a number of bricklayers laid the foundation. Mr. Wells Justus did the beautiful rock work on the front of the building around the cross. Rev. Willingham from Enon Baptist Church in Brevard brought a crew that helped us greatly with the carpentry work. Mr. George Denton has been our advisor and helper in every way - ordering the required materials and bringing a crew of carpenters to help for a week. Rev. Duncan and his helpers (from Ebenezer Baptist Church) came and did the electrical work. Bobby Dees helped us greatly and installed the pump in the well.

It was necessary to have someone under contract and pay them for the heating and air-conditioning, the plumbing and the septic tank, but it has been marvelous to see the good work from all the volunteers. Bob Campbell, Bob Shehan and Billy Laughter worked faithfully in many jobs. We cannot list all the names of those who helped, but we are grateful for each one as well as to all the women who brought lunch to the groups that were working.

Many of you have given money, and how good to know that at the completion of the Spanish church (first unit) we hope that it will be debt free. Thank you for your prayers, your gifts, your work. We thank God and you."

A Seminary Extension for Spanish speaking is planned for North Carolina. Pastor Aguero has been approved as Seminary Extension teacher in this area. Classes are Sunday morning in the Resource Center.

Angel and Maria Cruz gave a pulpit Bible to the Baptist mission.

Vacation Bible School was held this summer with an average attendance of 50.

The Lord willing the new building (first of three) will be dedicated in October.

The prayers and support of the Carolina Baptist Association churches, plus individual prayers and gifts, many hours of donated talents and time have made all this possible. Thanks.

Sandy Campbell

BROTHERHOOD

This past year the Brotherhood of the association experienced some good events. On February 25, men and boys met at Mud Creek Church for a wild game supper. We enjoyed good food, fellowship and heard a challenge to missions involvement through the work of the Spanish Baptist Mission. On April 13 there was an Associational Brotherhood workshop at French Broad Baptist Church, ably led by Tommy Puckett, staff associate with the Baptist State Convention. In July some of the men of the association worked on the new building of the Spanish Baptist Mission.

In the coming year there are some dates you will want to keep in mind. January 19-21 the Baptist Men's Convention will meet in Raleigh. Dedicated men from all over the state will meet for a time of education and inspiration. On January 27 there will be a Men and Boys Rally at the French Broad Church open to all men and boys of the Association. The guest speaker will be David Langford, Executive Director of NC Baptist Men.

May the Lord bless each of you and your churches in the coming year.

CHURCH TRAINING

God has blessed us with outstanding leaders in Church Training at the state level and at the Baptist Sunday School Board. Many new and exciting ideas and materials for discipleship training and spiritual growth are being produced each month. If you are unaware of what's available, contact me or some of your Church Training leaders and we will supply you with vital information. Also, take a good look for materials in our Baptist Media Resource Center. There are good resources there for quite a wide variety of training programs.

We are planning several Church Training programs during the new church year. One important event will be an Equipping Center Showcase which will be held in the spring. Also, we will have training courses in preparation for the Simultaneous Revivals in 1990. Announcements will be sent to the churches. There are important training conferences at Ridgecrest of which every church should take advantage.

Let me encourage your church to have new member orientation and training, member training and potential leader training ongoing during the year. Please report all training events you are providing.

Take a look at all the resources now available for new member training and member training. Take a look at the Equipping Center Modules and especially the Life Courses. These are great and exciting resources that could just lead to spiritual awakening in your church.

May God bless you as you become leaders or as you continue to lead your church in equipping believers. I am available and will help you with your Church Training program. Contact me. I will be praying for you - remember me.

Church Training may soon be called Discipleship Training- that's what it's all about.

MEDIA

Training and teaching has been the emphasis for Carolina Media Library Organization this year. Special training for myself and teaching workshops for churches and individuals.

Bob Goode, Baptist Sunday School Media Consultant, invited me to attend a Media Library Special Worker Conference in Cary January 23-25, 1989. For some time there has been a pressing need for a corps of Special Workers in Media Library work to assist churches and associations with their work. Some churches beginning a library are soon discouraged if there is no guiding hand in getting off to a right start. Often there is not enough TACMO (The Associational Church Media Library Organization) personnel to offer the teaching required for these churches to succeed.

Those who attended the conference were asked, when called upon, to teach in areas of need. I attended the conference and as a result was asked to teach a Promotion Workshop in the Pilot Mountain Association in Winston-Salem March 4. My area was Oral and Written Promotion.

May 22 I taught the book, Eyes to See, Ears to Hear by Don Boldin to Media directors and staff, and other interested church program leaders. Twelve attended from 6 churches. In August Alene Clawson taught a workshop "How to Repair Books."

Plans were made to continue work on our on-going goals: 1. Maintaining the Media Resource Center. Processing and circulation of audiovisual has been computerized. 2. Training opportunities have been offered. 3. Quarterly meetings have been held with information on areas of special interest to media library workers. 4. Individual conferences have been held to assist church Media Library Directors in processing materials. 5. Plans for next year will include work with individual churches.

New video additions to the Media Resource Center include: "In Remembrance," a video tape on the Lord's Supper; a new series on the Deacon Family Ministry; "Go Forward the Annie Armstrong Story;" updates on Home, Foreign, and Brotherhood work; and "The New Age: A Pathway to Paradise," a look at the New Age Movement.

"Here's Hope Simultaneous Revivals" are scheduled for April 22-29, 1990. The following video tapes are available for promotion and leader training: "Here's Hope" promotion and leader training, "How to do a Door to Door Survey Using the Eternal Life Booklet" and "Starting Churches Through Revivals." All of these may be checked out and used for training church leaders.

"Baptist Polity" by Dr. James Sullivan, Broadmoore Baptist Church which consists of seven thirty minute sessions has been added. These tapes give a short history of Baptists, Baptist distinctives and describe how Baptists work together at the levels of church, association, state, and our multi-faceted Convention.

All tapes are 1/2" VHS and may be checked out by calling 693-4274 or 693-3727 to reserve them or coming to the Media Resource Center.

SEMINARY EXTENSION

Clinical Pastoral Training and Ministry to the Terminally Ill were the two most popular courses offered through the Carolina Baptist Association Seminary Extension during 1988-89. Rev. Sam Gore, one of those who took the course, said, " I have found this course very helpful in my hospital ministry". The teacher was Rev. John Howard, EdD, Chaplain Pardee Memorial Hospital.

The center represents a cooperative effort between Carolina Baptist Association and the six Southern Baptist seminaries to provide ministry training in this area. Our students were part of a student body of more than 7, 000 nationwide who took one or more Seminary Extension courses.

More than 75 courses are now available from the Seminary Extension Department. Individuals concerned with strengthening their ministries can take these courses either in our center or by correspondence study.

SUNDAY SCHOOL

If we plan to have great churches in Carolina Association, we must build great Sunday Schools. We can do more Bible Study, Evangelism, Discipleship training and ministering through Sunday School than any other organization. Thus, if we are going to get serious about reaching Henderson County for Christ, we need to get serious about Sunday School.

Our Associational Sunday School Assist Team has been busy this past year in providing training opportunities for Sunday School Workers. This past year we have conducted two Associational Workshops: "The People Challenge" (Sunday School Outreach) and "Understanding The People We Teach." These two workshops were each attended by about 75 people from nine (9) different churches. We also provided an Outreach Bible Study workshop which was attended by 15 people from only one church. We were invited into one church to provide training for their workers.

I take this opportunity to express my appreciation to a fine, well trained and hard working Sunday School Assist Team. This team is composed of: Bill Wilkinson, Jim Clouse, Jerry Hyder, Ramon Smith, Steve Briggs, Pam Kurfees, Vicky King, Mary Barnwell and Robert Duncan.

My only regret as the Director of this team, is that such few took advantage of the training opportunities provided to this Association through this Assist Team.

SENIOR ADULTS

In November of last year 92 Senior Adults from 16 churches met at Mud Creek Baptist Church for an interesting meeting. The Duke Power Company representative gave us new calendars and a Christmas presentation.

On April 12 we met at Fruitland Baptist Church for a Sing-a-long. There were 90 present representing 18 churches. We gave $200 to the Spanish Church.

On September 14 we met at Camp Bearwalla. As always we enjoyed good food and fellowship. There were 91 present from 14 churches.

In each of our meetings the JOY SINGERS, the Senior Adult Choir in our Association, sang for us. We enjoy hearing them, as has many others. They sang twice in South Carolina and for Locust Grove Homecoming. Each month they sing at Four Seasons Manor and Pine Park Inn. We appreciate the leadership of Rev. Coppedge in this. If there are others who wish to join, you will be welcomed. Men are especially needed.

The dates for the coming year: November 1 at Balfour Baptist Church; April 25; September 12 and October 31.

Thank you for all your cooperation.

Doris McGee

YOUTH

Last year we had three associational youth events. All three turned out great! In November we met at Mud Creek for an Associational Basketball Tournament. There were 120 youth in attendance along with youth directors and parents. We had eight different churches participating in the tournament. Mud Creek won first place in the girls tournament.

In February we met again at Mud Creek for another tournament. But this time it was a Volleyball Tournament. We had twelve churches in this tournament with approximately 150 in attendance. Lunch and refreshments were served. Everyone shared that they had a great time. French Broad won first place.

Then in May we capped off the two tournaments with an Associational Youth Service. The service was held at Balfour Baptist Church. We had a great service together with over 150 people attending. Many different youth groups shared in the service. Some youth groups shared special music and others did songs and skits. Many youth gave their testimony. It was good to have the fun and fellowship in the tournaments but then to come together in a serious service was even better! We were so encouraged because at each event the attendance continued to get larger. We look forward to doing even more in the coming year.

WOMAN'S MISSIONARY UNION

The Associational Woman's Missionary Union has had a good year. We had a successful 1988 Christmas Toy Project. We furnished talc powder for Christmas gifts for the inmates in the Correctional Center for Women at Raleigh.

Woman's Missionary Union recognized and honored pastors in February with a Pastor Appreciation Dinner and named Rev. Rudy Aguero "Pastor of the Year."

The Annual Associational WMU meeting was held in May. The officers for the following year are: Director - Jean Orr; Baptist Women Director - Audrey Saunders; Baptist Young Women Director - Jean Griggs; Acteen Director - Eva McCrary; GA Director - Lynne Cabe; Mission Friends still open; Mission Action/ Personal Witnessing - Mary Clark; Enlistment/Enlargement - Clara Clark; Language Missions - Eva Aguero; Secretary - Wanda Love; and Nursing Fellowship Representative - Hilda Sitton.

Our Prayer Retreat was held in May at Camp Bearwalla. Marjorie McCullough, National WMU President, was the speaker.

The training session for officers was a workshop held at Mud Creek Baptist Church in September.

WMU plans for the coming year are the same as in the past plus a language activity and a Baptist Nursing Fellowship. These dates will be announced.

My wish is that you would pray with us as we seek to do God's will through missions.

NEW WORK COMMITTEE

Your committee has been meeting regularly and noted growth patterns in our area. We have also considered areas of high population concentration.

Population growth is exploding in Henderson County. We have approximately 7,000 attending on any given Sunday morning. We reported 346 baptisms and 588 other additions. Who is to reach out to the other 63,000?

Your committee has considered ten rapidly growing areas and studied four of these in depth.

We believe that in the next five years our Carolina Association should look to beginning work in at least three of these four areas.

This task calls for Vision, Dedication, and Cooperation of all our churches. We must join hands and hearts and put our feet in the path if unsaved and unchurched are reached for Christ. We have our marching orders in our Saviour's "Go - Ye."

Audrey Saunders

CAMP BEARWALLA

At Camp Bearwalla this year we had five full weeks of summer camp. We had a total of seven retreats, six picnics, two reunions and three day camps. Out of those we had one week of camp, three retreats, four picnics and two day camps which were within the Association. Most of these were repeat campers at Bearwalla. However, we had two picnics and three retreats that consisted of first time users of the camp.

There were a total of 75 decisions for Christ and countless rededications to the Lord. As interim director for the camp, I praise the Lord for the experience he has blessed me with by affording me the opportunity to direct the camp this summer. I also praise him for using Camp Bearwalla the way he has, and I pray that we as an association will utilize the camp to it's fullest potential that it may grow in it's ministry.

BAPTIST CHILDREN'S HOMES

A saying goes, "As a home goes, so go the nation." God help us if that is true today! Children's homes are no longer for orphans, but children from incest, drug addiction and alcoholic parents. Many are teen-age, unwed mothers.

Baptists do a wonderful job caring for these, but there is not enough room for all. With new facilities such as the home for unwed mothers at Lenoir; we need more. Funds alloted to Rev. Blackwell, head of Baptist Children's Homes, gifts from wills, estates, churches and private gifts are wisely and economically used. They take twenty dollars a month and feed a child a well balanced meal. Two hundred and fifty dollars will keep a child in school for a year.

The children are provided a home atmosphere with a house father and mother. Attention is given to all physical needs as well as spiritual needs.

Jesus said, "Suffer little children and bring them unto me for such is the kingdom of Heaven." Baptist Children's Homes try to do just that.

Janette Ward

BAPTIST RETIREMENT HOMES

This marks the 38th year of ministry by the Baptist Retirement Homes to the older adults of this state. Charged in 1951 with the mission of providing residential care for "aged Saints," the Homes provided care for older adults in four locations across the state (Albemarle, Asheville, Hamilton and Winston-Salem).

A new continuing care retirement community, Brookridge, located in Winston-Salem was opened within the last few weeks. Recognizing the growing need for quality residential care for older adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need:

1. To work with churches and associations in the development of regional continuing-care retirement communities in the West, the Piedmont, and the East.
2. To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units, and nursing-care units).
3. To work with churches and associations in the development of alternative forms of residential care for older adults (Respite Care, Adult Day Care, and Home Health Care).

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for Baptist older adults are to be provided. With the support of North Carolina Baptists, the Retirement Homes sees this challenge as a wonderful opportunity for ministry.

John Rymer

FOREIGN MISSIONS

A record $10.4 million of your gifts were spent for overseas relief and world hunger.

You supported 3,867 missionaries in 113 countries.

About four churches were begun every day. The number baptized in 1988 was 197,863. There were 10,800 Southern Baptist missionaries working in 74 countries.

There were 26,952 overseas Baptists who enrolled in formal ministries training. This was up 21% over 1987.

Work began with 22 new people groups in 15 countries.

We must commit our hearts, prayers and offerings to God and missions to reach lost souls and heal the sick and hungry for Christ's name.

Facts taken from "Answers," a pamphlet written for churches by R. Keith Parks, President, Foreign Mission Board, Southern Baptist Convention.

IN MEMORY OF
FRANKLIN L. SCHEUERMAN

Frank Scheuerman was the supervisor of maintenance at Camp Bearwalla until his sudden illness in July 1990. He began working as a volunteer at the camp in 1986, offering his time and skills to improve the camp property. For the past three years he was employed for the maintenance duties, but his concern for the camp caused him to give much of his personal time and energy. His wife, Betty, supported him in his endeavors and often worked along beside him in caring for the camp. Together they have spent many hours in service to the Carolina Baptist Association at Camp Bearwalla.

Frank was a member of French Broad Baptist Church, where he also gave his time and service to the church by painting and helping with other projects.

Frank was a native of Berea, KY, later operating a farm in Ohio before moving to Florida and then to Hendersonville. After he became disabled, while working for the City of Clearwater in 1979, he went on several volunteer construction projects with the Home Mission Board before volunteering to work at the camp.

Working with his hands was a way Frank chose to serve his Lord. For him "Loving the Lord" meant more than just words. He showed us this freely and the Carolina Baptist Association is deeply grateful for his dedication, his service, and his friendship.

MOUNT MORIAH BAPTIST CHURCH

The deacons of Mount Moriah Baptist Church recommended that the church allow the Spanish Mission to park their trailer in the church parking lot and to make the sanctuary, nursery and restrooms available to them free of charge. On the second Sunday, January 1985 the trailer was parked on the lot where it remained until the second Sunday, January 1990 - exactly five years. At this time they moved to the newly dedicated Spanish Mission building on Highway 64 East. Assistance was given in making the move to the new site - three deacons contributed the well, Billy Laughter assisted in moving dirt and planting trees.

PROCEEDINGS

OCTOBER 22, 1990

1. There was praise led by Walter Treadway then Rev. Greg Mathis declared the 113th Annual Meeting of the Carolina Baptist Association in session at Valley Hill Baptist Church. Rev Mathis recognized Jean Orr (a member of Valley Hill) to come for welcome.

Rev. Sam Gore was unable to attend meeting, his mother was ill and he had to go out of town.

2. Mrs. Jean Orr gave a welcome to Valley Hill Baptist with devotion from Hebrews 4:16 followed by prayer.

3. A devotion was given by Rev. Curtis Pace using scripture from Hebrews 13:8, Jesus - the same yesterday, today and forever. Rev. Pace then led in prayer.

4. There was a motion to accept the program as printed. It was seconded and passed.

5. Rev. Greg Mathis recognized new pastors and staff members - Hank Sanders, Pastor, Bearwallow Baptist Church; Marvin and Melinda Rose, Pastor, Choir Director, First Baptist Church, Saluda; Bryan and Kathy Proctor, Minister of Youth, Ebenezer Baptist Church; and Tony Halford, Minister of Youth, Refuge.

5. Walter Treadway led in hymn "How Great Thou Art."

6. Rev. Mathis recognized Rev. Paul Chandler as Parliamentarian for this meeting.

7. Mrs. Alex Booth gave the report of the Nominating Committee. She moved the adoption of this report as found on pages A5 & A6. There were two additions to be made. Billy Roberts of Horse Shoe Baptist Church to be added to Brotherhood and Walter Treadway of First, East Flat Rock to be added to Music. It was seconded and carried by a majority vote.

8. Mrs. Booth recognized new associational officers: Moderator, David Hyde; Vice Moderator, Keith Arledge; Clerk, Lucy Sitton; Treasurer, Ruby Lefler; Historian, Margaret King.

9. In the report on Enrollment there were 154 attending; 137 messengers and 17 visitors.

10. Rev. Curtis Pace reported for the Committee on Preacher and Place: The 114th Annual Session will be at Main Street Baptist Church on Monday evening, October 28, 1991 and the second session will be at Refuge Baptist Church on Tuesday afternoon and evening October 29, 1991. Rev. John Rymer will be bringing the Annual Sermon with Rev. Gene Adams as alternate. This carried by majority vote.

11. Under Miscellaneous Business there were two items:

1. Mrs. Margaret King reported from the Constitution Committee. After studying present document, the committee recommends the following additions in Article III, Membership, Section 3. (Changes underlined).

Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this committee and accepted by the Association in <u>either</u> the Annual Meeting <u>or quarterly Executive Committee Meeting,</u> shall agree to come under the watch care of the Association for a period of one year. At the end of one year, upon recommendation of the Committee, membership within the Association of such churches shall be determined by vote of the Association in Annual Meeting

or quarterly Executive Committee Meeting. During this period such churches shall be entitled to all rights and privileges of the Association except their members shall hold no office nor vote.

These changes are brought in form of a motion and will be voted on tomorrow night. Changes allow churches desiring membership in the association not only to be determined by vote in the annual meeting but in quarterly executive committee meetings as well. Rev. Ron Pinkerton explained why these changes should take place. First Contemporary Baptist Church in January of last year asked to become a member of our association, at that time we realized that our constitution would not allow them to come under watch care except at an annual meeting and they were not prepared at our last annual meeting to do that, so this means they have to wait two years to become members of our association. Dealing with this, the Executive Committee asked the Constitution Committee to take a look at that and bring a recommendation back to the meeting tonight.

Rev. Mathis and Mrs. King asked that the changes be looked over in the Constitution carefully and voted on tomorrow.

2. Mrs. Sandy Campbell made the announcement that if anyone had a recommendation for dedication of the Minutes, to please see her at the end of the meeting.

12. A report of the Association Missions Investment Club was given by Jim Crafton. Two years ago the association decided to initiate a program called the Associational Missions Investment Club (AMIC) which identifies five areas of missions giving we want to make available for membership among members of the association. We thought it to be appropriate since we have some very real missions here at home which are coordinated and operate out of our association to give our people the opportunity to give toward those things and not take away from our budget.

The five areas are: (1) The Brazil Project; (2) The Spanish Mission; (3) Camp Bearwalla; (4) New Church Property and (5) Debt retirement on the Recourse Center Building. The idea being that when you contribute to it, you would be investing in the missions in our association.

13. A report of the Brazil partnership was given by Ron Pinkerton. So far we have had an excellent partnership with or association in Brazil. As you know, we are paired with the Noresta de Capitol Association in Sao Paulo. Sixteen small churches had about 1,300 members when the partnership was started three years ago - now they have 2,000 members in their association and they have started two missions.

Our second construction trip will be in November. Six people are going from our association and Transylvania to help work with the church and association in finishing building one of the missions. Also, next February 28 we will be sending another team to Sao Paulo for a week of Bible study and evangelistic services. We need thirteen pastors and thirteen lay people. We urge churches to send your pastor, it makes a tremendous difference in your outlook toward missions being a part of a trip like this. We urge you to let this be a part of your experience as a church to send your pastor, a staff member or a church member as a part of this mission trip.

It has been a tremendous blessing to me, I have been down there three times. I find the people very hungry and very anxious

to hear the word of Christ. Many have accepted Christ as their personal Savior. It has been a blessing to know that the association has increased 1/3 in the three years we have been with them. We have through 1992 with this project so keep this in your thoughts and prayers and above all we need people to go with us as we send the teams down in our trip in February. We need commitments of those going by December 1.

Also, I have a message from David Campbell, who is our missionary in Sao Paulo, I talked to him today. We raised the money for a block machine for the association in Sao Paulo with the idea that they would take the block machine and build churches and homes. We sent the money in August and they appointed a committee to look at how the machine would be kept up and who would take responsibility for it. David tells me that they have come to the conclusion that they really can't use the machine in the way that they thought they could. They're afraid that they can't maintain it and they can't make the use of it that they would like to make. So they have come back with a request to our association, and it's going to the Transylvania Association also tonight, that we would allow them to take the money that we have designated for a block machine and use it to buy two cement mixers and one conveyer belt that is used to transport materials from the ground up to the second floor of the building under construction. Some equipment is needed to lay concrete beams which goes across their second floor, they need steel supports to hold them up while they pour the concrete.

They make a request that we would allow them to use the money that we sent to purchase these items. Our choice is to let them do this or he would return the money that we have given for the block machine. So, I bring this to you so that we can decided what to do with the money that was sent. Total amount is approx. $9,500.00. Motion made by Ray Ledford that the money be used in what ever way they need to use it. Seconded and passed.

14. The Strategy Planning Report was brought by Gail Boling. The Carolina Baptist Association Long Range Strategy Planning Committee was appointed by Rev. Greg Mathis at our last annual meeting and they are: Alex Booth, Chairman, Ray Ledford, Vice Chairman, Ron Pinkerton, Girtrue Young, David Hyde, Mervin Garrison, and Keith Arledge. Dr. Lawrence Childs, an associational planning consultant, helped us to design our associational strategy. There were five main major needs of our association: Togetherness, innovative ways to reach people, training resources, lay involvement and communication. These objectives were formulated from these five needs:

1) Shall seek to further develop the churches working together as a unit on mission for Christ.

2) Shall encourage innovative ways to reach people for Christ through evangelism, missions, and ministries.

3) Shall provide in-house leadership training and resources customized for individual churches.

4) Shall promote the concept that all Christians are ministers and seek to provide opportunities for ministry both in groups and individual church settings.

5) Shall seek to discover better methods of communicating information.

These objectives were adopted by a majority vote.

15. Rev. Nelson Aguero and Sherry Jackson reported on the Spanish Mission. Miss Jackson started by saying that it has been a pleasure for me to be part of the Spanish Mission for the last five years. The dedication of the building was in November of last year. This has been a blessing to us and I would like to thank all of you who have been a part in this whether giving of time or money. We had an average Sunday School attendance of 89. The highest Sunday School attendance this year was 97. We have developed a class for our youth and older children who have been meeting in the trailers behind the church building. We have had to divide them into another class. As you can see we are growing by leaps and bounds. With the exception of our nursery we have a Spanish speaking teacher for all the other classes. They have been working with the teachers helping them in any way they can. Also we had VBS this year and last year; this year we were more organized since we were in our own building and were able to do more things. We had a full church service in which one of our Spanish ladies led us. We had two missionaries worked together with us in Vacation Bible School as well as Backyard Bible Clubs. We had a average attendance in our VBS of 50 and during out Backyard Bible School there were 11 professions of faith. We have been very missions minded. Last year we took an offering for the Lottie Moon Christmas Offering of $132.90. Our people are very interested in sharing the gospel with others. We now need to start thinking about the expansion of our building. Think about what you can do to share with us.

Rev. Aguero states that he really appreciates everything that has been done for the Mission, especially the new building. We really, really use it!

16. Walter Treadway led the congregation in singing "To God Be The Glory."

17. Special Music by Walter Treadway, "I am His."

18. Rev. Ray Ledford of Pacolet Baptist Church brought the Annual Sermon. Rev. Ledford used as his text Luke 15 and made these points:

1. Our primary tasks may be as a preacher, teacher, deacon, etc. but our primary task as Christians is leading people to a saving knowledge of our Lord Jesus Christ.

2. There are three parables in this chapter. The parable of the lost sheep, the parable of the lost coin, and the parable of the lost son.

3. He then read Luke 15:1-7 and led in prayer.

4. We have these three parables which tell of God's activity in seeking the lost and his extending every effort to save the lost. We are failing in the past of reaching lost people and bringing them to the saving knowledge of Jesus Christ. Very, very few churches in the association are growing. Most of the growth we see in our churches, we are only swapping church members. We are failing miserably in this all important task that God has given us.

If we would be as persistent as those in the three parables, 53 churches of the Carolina Baptist Association would not be able to hold the people that would be there. We would break every record that had ever been built. Rev. Ray Ledford led in prayer.

19. Rev. Greg Mathis adjourned the meeting until tomorrow evening at Ebenezer Baptist Church at 4:00 p.m.

20. Walter Treadway led in several hymns, "Blessed Assurance" and "Jesus Saves".
21. Rev. Lawrence Goodman brought the welcome and devotions and led in prayer.
22. Report on Executive Committee was brought by Rev. Greg Mathis. At the beginning of the year there was an unsolicited offer to purchase the camp. A special called meeting of the Association was scheduled. Prior to the called meeting complications developed and the offer was withdrawn and the called meeting was canceled.
23. Report on General Board was brought by Rev. Greg Mathis. In the September meeting of the General Board a new budget was proposed. There were changes in the distribution of Cooperative Program funds. The new proposal would have 65% staying with the Baptist State Convention, 35% to Southern Baptist Convention; 20% of which would go directly to the Southern Baptist Convention and 15% would be designated for Southern Baptist mission work. Previously, 35% went directly to Southern Baptist Convention with no designation for use.
24. Rev. Max Smith presented the report from the Committee on Committees. Some positions had not been filled and he presented these names to fill those positions: Finance Committee - Marvin Rose, Saluda and Paul Decker, Main Street. Committee on Nominations - Bill Landreth, Locust Grove. The recommendation was approved.
25. Rev. Mervin Garrison brought the Missions Ministries report. Meeting needs is taking place every day. He encouraged pastors to recognize in some way individuals of the church who are helping others. It is not that they are doing it for the recognition, but sometimes it will encourage others to do likewise. So throughout our organizations lets encourage Mission Action - reaching the needs of people around us.
26. Mrs. Sandy Campbell, Chairman of Migrant and Spanish Committee gave her report. She expressed appreciation for all the help with the ministry of the Spanish Mission this past summer. Thanks to those who sent Bibles and new baby kits, especially Transylvania Association for their food for the Migrant Ministry. Pastor Rudy Aguero and Angel Cruz visited the migrants, eight of whom accepted Christ.
27. No one reported on the Membership or New Work Committees. Rev. Garrison stated that the Membership Committee accepts new church applications. A recommendation from the Constitution Committee concerning membership will be discussed later today.

28. Rev. Hyde asked that each person speaking state their name so that it will be properly recorded in the proceedings. Also, if the report is not printed in the Book of Reports to give a copy to the secretary.
29. Mr. Jim Clouse brought the report on Sunday School. There are 35,000 lost souls in Henderson County and if we don't tell them about Jesus and how to become a Christian they're not going to know how. So I challenge you as pastor and Sunday School directors to use the Assist Team and let us work for you to help meet this need.
30. Rev. Max Smith, Director of Discipleship Training stated that he was available to come to the churches to set up a meeting to look at the resources available to do discipleship training. We

have a wonderful resource center with many resource materials and equipment to meet discipleship training needs.
31. Jean Orr, WMU Director reported briefly on WMU work in the past year and plans for next year.
32. Rev. Hyde recognized Rev. Alex Booth to bring the camp recommendation.
33. Rev. Booth read the report as printed in the Advanced Book of Reports. Because of the lack of use and support for Camp Bearwalla the camp consultant recommended option number five, "advertise and sell the camp property."
34. Rev. Mathis expressed appreciation for all the work, study and research that Rev. Booth has put into the camp. The Associational Council considered the information and recommendation that he brought to us and as a result have recommended a committee which consists of: David Hyde, Mervin Garrison, Keith Arledge, Ray Jones, and Joe Wray be appointed and authorized to sell Camp Bearwalla at a fair market price. Should the association decide to do this, that upon the sale of the camp the moderator will appoint a committee to study the usage of the proceeds and bring a recommendation to the association.
35. This comes as a recommendation from the Associational Council. Discussion is open at this time and is scheduled to be voted on tonight. The reason for voting in the evening session is that some people could not attend this session because of their work schedule.
36. Mrs. Eloise Jones asked how many acres were included at Camp Bearwalla. Rev. Hyde answered that there were 56 acres.
37. Mr. Ed Jones asked if there had been an appraisal made of the property. Rev. Alex Booth stated that there was an unofficial evaluation to determine that the $318,000. was a fair offer. This was not a professional appraisal but was done by bankers and realtors who do know the property.
38. Doris McGee stated that since the report was made in September, if it was something so important why wasn't information mailed to the churches ahead of time so we could discuss it. Rev. Pinkerton stated that this matter was handled by the Associational Council and they would be the one to answer the question. Rev. Hyde stated that the Associational Council was not trying to keep the information from the churches, we realize that this was an important issue and we were busy compiling the information to inform the churches in the best way. The question of mailing out materials was not discussed, maybe it should have.
39. Rev. Mathis stated that the report was made in September and that did not mean that the Associational Council took immediate action. Since that report in September, even as late as yesterday, we were trying to get together exactly what we felt was the proper thing to present to you. Even when the walk in offer for the camp came in, and in everything we've done, we have tried to follow the proper procedures.
40. Robert Fields asked why did it take so long to elect a board of directors when this is the direction the association officers were given last fall. I think that we are going in the wrong direction. A number of people feel very strongly that we are going in the wrong direction. All the comments we have heard have been negative. There hasn't been any information given to the churches, that I know of, of why there has been a lack of use of the camp. Can someone tell me why are we dragging our feet.
41. Rev. Booth stated that he came as camp consultant well after the meeting last year and I realize what the association had done so I read very carefully the recommendation that was adopted.

There were no directions in that report, that recommendation, no methods. And while I was beginning to work on that the offer came to purchase and I simply backed off that and began to work with this offer. The way things proceeded by the time the final offer was withdrawn it was too late to anything before this session.
42. Mrs. Opal McLain asked if we have to pay taxes on the land. Rev. Hyde answered that because the camp is under us as a church facility we do not.
43. Mrs. Eloise Jones asked how many cabins and facilities are on the property. Rev. Booth stated that there are 56 acres, a pond, dining hall, swimming pool, 18-20 cabins. There is also a small chapel.
44. Mrs. Helen McNamara asked if we have other places for the youth to go. Rev. Hyde said that the association has no other facilities, but there are public facilities.
45. Mrs. Eloise Jones asked could we reinvest in property closer to town for churches to use.
46. Rev. Mathis stated that there has been absolutely no discussion or decision about that. The direction that has been taken is that should the association decide today to sell the camp we would come back with an offer that the association would accept or reject at a later time. Then a committee would be appointed to study usage of that money and how it would be used, invested, or spent and it would be decided upon at that time and eventually be decided by the association. There has been no decision made concerning that other than we would want to carefully think it out. 47. Mr. Coy Davis from Refuge said that through the leadership of the Holy Spirit he feels that God has a purpose for the camp and we should use it for His glory, we know souls have been saved. I feel the Lord gave us the camp and we should take advantage of it.
48. Rev. Zollie Ward, pastor of Refuge, said that he hesitates to say anything but will make one observation. The comment from our sister regarding a previous association that has a similar problem and with prayer and wisdom from the Lord they were able to achieve a good ministry later in the right time. It occurs to me that observation number five could be interpreted as negative, but I see that as very positive, almost obligatory. Camp Bearwalla is more of an obligation than it is an asset. I think we can actualize or realize the potential asset, even though at the time it may be in some ways an obligation. Perhaps number two may be a more appropriate picture for our attention and consideration in conjunction with option number three, two and three together. I understand from various sources, being informed as to what happened before, I don't know, I just know what I've been told. Number three was at one time was an option that was being used, and I am aware that Refuge has been actively involved in the camp and would like to see the potential for the ministry before in some way be carried on into the future. I would strongly support reconsideration of the option that is on the floor at this time.
49. Mrs. Nadine Ashe stated that she had heard that if the property were sold that the proceeds must go to the Foreign Mission Board. Rev. Booth said that he had heard that too and checked it out and it was not the case. This applied only to the property purchased by Doris and John McGee.
50. Mr. Bob Fields stated that he feels that Camp Bearwalla should remain a part of the association and be used by the association, by the churches. I don't know how many professions of faith it is going to take to make this a worthwhile project.

With God's help and with proper administration of the camp, with proper publicity we can make this work. I'm willing to volunteer to work on board of directors, act in anyway the association can use me to bring Camp Bearwalla back to where it should be.
51. Rev. Paul Chandler stated that he had been grieved from what has been happening to Camp Bearwalla. He said that he was enthused with Camp Bearwalla when he first came, but have become disenchanted as the years have gone by. Not disenchanted with the possibilities at Camp Bearwalla, not disenchanted with the opportunities which exist with us at Camp Bearwalla. I have become disenchanted with the lack of support on part of each of the churches in our association. Our brother has spoken on the point and has wondered why there has been no follow through on the $40,000, that was stipulated last year. I think that is just a testimonial to what I am saying, that we have not really put forth the effort that I believe the Lord would have us to put forth to see Camp Bearwalla as a testimony for the Lord and to use it as the Lord set forth for us to use it. I accept part of the blame, but don't accept it all. I say to you as I listen to all of this, I as a pastor whose ministry is winding down, hate to see us do away with something that I believe the Lord gave to use to use for his glory and an instrument to use with our young people who are the future leaders of our association. I ask that we prayfully consider all the options that have been presented here today before a vote has taken place.
52. Lawrence Goodman stated that probably no church over the past three years has used the camp any more than Ebenezer. As I listen today I kind of feel that it is like the situation in Washington- it has no solution. I would like to make a suggestion that we decide what we're going to do with Camp Bearwalla and do it. Whatever it is, whether to sell it or not, because for the last several years it has been a point of contention and has been hindering people from what they should do. Let's settle the issue rather than it being something that comes in every annual meeting. We've all made some mistakes in the past. Whatever the decision that is made here tonight, let's all get behind it 100% so that God can get the glory, whether it's to sell the property or keep it.
53. Walter Treadway led in a hymn.
54. Mrs. Margaret King brought the historian report. She referred to pages A1 & A2 in the Advanced Book of Reports and moved the adoption of the report. This was seconded and the report adopted.
55. Rev. Pinkerton expressed appreciation to Marguarite McCraw as our associational clerk for the past four years. Marguarite could not be with us because of illness. We certainly appreciate her work and dedication to us as an association. He also expressed appreciation to Paula Janes for volunteering to take Marguarite's place to take the minutes. We would also like to recognize those who have been church clerks and have passed away. Ralph Guice -Double Springs, 9 years; A.J. Nanney - Shaws Creek, 10 years. Our church clerk honor roll are: Mrs. Jeannine Merrill - Mud Creek; Mrs. Frances Buchanan - Shaws Creek; Mr. Gary Green - Ebenezer; Mrs. Lucy Sitton - Fruitland; Mrs. Betty Capps - Horse Shoe; Mrs. Carolyn Nicholson - Refuge; Mrs. Peggy Messer - Mt. Moriah; Mrs. Mildred Bresnahan - Pleasant Grove; Mrs. Cindy Hudson - Double Springs; Mrs. Alyne Jones - Mt. Gilead; Mrs. Erlene Blythe - Beulah; We appreciate those on honor roll they were the first one to get in their correct letters. But following soon after was others and we appreciate their effort also and those

names were mentioned. (The complete Honor Roll appears elsewhere in minutes) It takes a lot of work to get our statistics and we operate on statistics, it tells where we've been and where we're going. We appreciate those who have taken the effort and gotten the letters to us. We have one or two churches who have still not turned in their letter and we would very much like to have them in our book of minutes. Let me urge you that if your church has not completed the Uniform Church Letter and you don't see your report in the back of the Book of Reports, please try to make sure that you get that information to us.

56. Mr. M.M. Goss, a representative of Baptist Retirement Homes, pointed out that there are four institutions; Brookridge, Albermarle, Hamilton, and Asheville. He expressed thanks for all the support of Baptist Homes and stated that they are the youngest of the institutions supported by the Baptist State Convention.

57. Marie Bean, campus minister at Mars Hill College stated that 60-65% of the students at Mars Hill are Baptists and students on our campus have many needs when it comes a time in their life to make important decisions. Part of our responsibility is to help them make those decisions in a caring, Christ centered atmosphere. We have a beautiful new chapel and it is of great pride and joy to our campus. We provide funds to help students to become home missionaries. Last year we gave $3,000. and this year have raised or pledge it to $3,300. We try to be very involved in missions.

58. Mr. Jim Byrd, a representative of the NC Baptist Children's Home, gave his report. Jim and Iva have been house parents at Moody home since February. They minister to girls ages 13-19 with no where else to go. You support this ministry when you give to Baptist Children's Home offering.

59. Afternoon session was adjourned for dinner.

EVENING SESSION

60. At the evening session of the 113th Annual Meeting of the Carolina Baptist Association Walter Treadway lead in hymn "Because He Lives" and "Family of God".

61. Rev. Greg Mathis led in word of Prayer. Welcome and thanks to Ebenezer and the ladies and men who prepared the meal. Thank you to Rev. Lawrence Goodman. Recognized Dan Blackwell concerning the memorials.

62. Rev. Dan Blackwell started by stating that the Bible says "God has not appointed unto us wrath, but to obtain salvation by our Lord Jesus Christ who died for us that whether we wake or sleep we should live together with him." Rev. Blackwell listed those who have gone to be with the Lord in the last year. Rev. Dan Blackwell led in prayer.

63. Under Miscellaneous business under three items discussed:

A. Mrs. Alex Booth moved that Charity Baptist Church, which has been under watch care for the past year, be a member of the Carolina Baptist Association. Mrs. Margaret King state that the Constitution would have to be voted on before we could elect Charity as a member of the Association. Ron Pinkerton stated that Charity was brought at our annual meeting last year and this fulfills their one year watch care and that the church Mrs. King speaking of was First Contemporary Church. The motion to receive Charity as a full member carried by a majority vote.

B. Mrs. Margaret King read Article III, Membership, Section 3 of the Constitution again. This was read and discussed the night before but was to be voted on tonight. Rev. Greg Mathis stated that these changes allow churches desiring membership in the association not only to be determined by vote in the annual meeting but in quarterly executive committee meetings as well. Mrs. King recommended this amendment to the Constitution.

1. Rev. Mervin Garrison asked whether they were intending that First Contemporary Baptist be included retroactively to the January Executive Meeting or will they have to reapply at this annual meeting.

2. Mrs. King stated that according to parliamentary procedures that they would not have to reapply. Rev. Mathis asked Paul Chandler would it make it automatically retroactive to the January Meeting. Mr. Chandler stated that it would not. It would involve a motion to amend her recommendation. When she amends her recommendation that we have a Constitutional change, she amends it to include this church that has applied retroactively. Mrs. King said that yesterday this was read and that tonight we were just to vote. Rev. Chandler recommends that these two recommendations should be handled separately.

3. Rev. Mathis states that the motion at hand is just to change this in the Constitution. This is not to involve any churches, it is a new idea, a new change in the Constitution. Barry Wilson seconded. Carried by majority vote.

4. Mrs. Alex Booth moved that we accept First Contemporary Church under watch care of our association and make it retroactive to January 9, 1990. Rev. Greg Mathis said that this means that in the January Executive session they could be voted and approved to be brought in. This was seconded and passed by a majority vote.

C. Rev. David Hyde asked everyone to turn to the recommendations by Alex Booth in the book of reports. Dr. Booth's

recommendation because of the lack of use and support of Camp Bearwalla is option number five, recommendation to advertise and sell the camp property. A recommendation from the Associational Council came this afternoon that a committee be set up to sell Camp Bearwalla.

1. Rev. Lawrence Goodman spoke on this situation. Our church has been involved in the camp ministry as much as any church, but it has been a point of contention. I don't think that any one of us would deny that there have been some mistakes in handling different things, I've made some mistakes and so have you. The important thing is that we settle this matter tonight. That we can get on with the business. I believe that there is no solution to the problem that we are dealing with that is going to satisfy everybody. Not all of us are going to be happy whatever the decision is. I ask you and plead with you that whatever decision we make, we get behind it 100%, do what we have to do, and we can get on with the work of the association in reaching the people for Christ. I'm not telling you to vote for or against it, but lets do something concrete tonight so we can get on with the work of the Lord.

2. Rev. David Hyde said that he loves Camp Bearwalla and has been camp pastor there and knows that it has potential. Coming to you as director of the Associational Council, for several years now the camp has been a point of contention and I want it settled one way or the other. Last year when we made the plea it came forth that we said we really need the churches to get behind it. What really bothered the Associational Council is that the money did not come through. The projected income was 15,000 and we need 40,000. We gave this figure to the Associational Council with an opportunity to set things in place. The income did not increase, but decreased. Two churches gave close to 60% of that figure, my church gave 30% of that figure. Our problem is that we talk a good game about the camp but when the bottom line comes up it's not there. If we get there, great, you'll see me all for it but, up to this point we keep talking about it but the figures have not been there. Therefore, because it has been all these things, that is why this recommendation came to you. Churches and associations are having a difficult time with camps. The reason we came to these bottom line figures is we didn't see the support there and we didn't know what magic bell to ring and say, okay churches are we going to come through with the money.

The motion that is on the floor at this time is to sell the camp.

3. Mr. Bob Fields was against selling the camp. He said he would volunteer to do whatever he can toward the camp and is speaking in opposition to the proposal tonight. Everything that we've heard about the camp tonight and for the last year has been negative. There has not been anyone, that I know, that has come to Saluda, First and said that the camp needs help. I wonder how many churches feel the same way. We are not going to get anywhere if we don't go knocking on doors. We are not going to get help, we are not going to get money, we are not going to get people interested if we talk about it here once a year. There are only nine churches who contribute to camp. They are not going to invest in something that has no direction and can't offer anything to our young people. They let the buildings fall down. Get a board of director who will take the time.

4. Rev. Mervin Garrison said that when he came to this association eight years ago, he found the same spirit related to the camp that we have here today. I saw the potential of Camp

Bearwalla. I immediately went to French Broad and the next budget that was prepared after I came to the church, I asked them to increase the giving to the camp by one full percent. You can see in your books that we give four percent to the association undesignated, one percent to Camp Bearwalla, and one percent to the debt retirement. We have for seven years given that amount and it increases almost every year as our income increases. I have been behind the camp completely and whole heartily to support the work there. People in our church have volunteered and worked many hours in RA/GA camps, sometimes staffing 1/3 to 1/2 of the staff from one church for the week. I have served there myself during that week. We have brought youth groups there, just a couple weeks ago we had RA group for an overnight. We have taken other groups there, we have used the camp a great deal. We have adopted a cabin, we've maintained that cabin to a fair degree for about five years. We took up an offering and replaced all the mattresses in one cabin. I say this to share with you that French Broad Baptist Church has been a cooperating church and I have encouraged them to do so through these eight years and we have supported Camp Bearwalla. However, I feel under the current situation, that among 54 churches, only 9 churches have agreed and shown faith in that agreement, in the vote of last year by contributing financially directly to the support of this project, we are against a losing battle. Not only do we find it financially a burden, I have also been aware as I served as your moderator, overhearing conversations and observing the workings of the association from the inside, on several occasions through these years salaries of our staff people of the association have been deferred for days or weeks in order that the camp facilities might be maintained. If you look at the financial balances of today, it's again at the very bottom. It causes me to rejoice a great deal at the young people who have come to know the Lord at Camp Bearwalla. But these young people and others find Christ wherever we take the message to them. If we take the gospel and we provide the setting somewhere else they will hear it just as quickly as they will hear it at Camp Bearwalla. That does not mean to detract from Camp Bearwalla, it is an important place.

I feel the French Broad Baptist Church will continue to support the decision of the Carolina Baptist Association. If the association keeps the camp, we will continue to support the camp because we are a part of the association. We are committed to cooperation. However, if the association sells the camp, French Broad Church will continue to support the association just as fully because we are a cooperating church. Personally, and I speak only for myself, I feel that for the betterment of the association and for the ministry of the gospel of this place, in changing times, in time of great liability, the camp is not a safe place to take small children. Cabins are in a disgrace, some of them are about to fall down, the dam would not pass inspection. If it were used as a recreation facility, no structure could be build downstream from the dam because of the unsafe condition. I'm not saying this to scare from you using the camp, but it is the actual fact. Through many years of neglect even before we obtained the property, it has been in disrepair. We have tried and have given a great attempt at it. But I feel it is no longer an asset to our association.

5. Rev. Harold McKinnish asked that in the midst of all the negatives and positive, have we really sincerely prayed about finding a director for Camp Bearwalla? I feel with the right kind of spiritual leadership and revival and concern among the pastors

and churches, I believe it is possible to make the camp work. I know we want to get this thing behind us one way or the other, but have we really, really prayed about the spirit of God directing someone to us or us to them to give us leadership and direction.

6. Rev. Keith Arledge stated that he accepted the responsibility of serving on the Finance Committee several years ago and also serving on the Finance Committee of Camp Bearwalla. Let me say to each of you that I know that there are strong emotional feelings with regard to the preservation and the continued use of Camp Bearwalla. I can say that I have had that same feeling for a number of years. In response to Brother McKinnishs' plea for prayer, I can say to him and to you that I have been in prayer for a long time regarding Camp Bearwalla. You can't be on the Finance Committee and look at the results and not be in prayer. I have been in prayer. Whether we like it or not, times are changing, some say for the better, some for the worse. I'm sure if I polled each of you I would get a mixed response. Times are changing, people use to go to camps like that, they use to enjoy it, it was a fulfillment of a dream. When I was a child, I went to camp for a week. It was a great fulfillment of a boyhood dream and a wonderful time spent there. Young people are doing things but in different ways. We may not think they are good, but they are. Our facilities at the camp apparently have a bearing on the lack of response that we get when we make appeal to the churches to send their young people there. Within the last two years we had the opportunity to have an outstanding individual by the name of Bill Jackson visit us. Bill was instrumental in the development of our facilities for the Baptist State Convention. We had Bill to come up and walk over the cherished ground there. We walked over every bit of it and we looked at it. When we completed that visit, I turned to Bill and I asked him, what do you think about Camp Bearwalla? Bill said that he'd rather not give an answer at the moment, that I would hear from him later. Time went by. Serving on the Executive Committee of the General Board of the Baptist State Convention, I was at a meeting at Caswell. I ran into Bill and I said to him why I haven't heard from you? He said, "with my best opinion and best judgement, I was a little reluctant to share with you. I wouldn't recommend that the association keep trying to run Camp Bearwalla. I can give you many reasons for this." Now Bill served as a consultant for the camping industry throughout this nation and he's one of the few people who understands camping and how things have changed. Incidently, Pilot Mountain is selling their camp facility today, Durham is considering selling theirs. I know there is hope among many of you and I understand it. Hope is a cherished desire with a reasonable expectation of fulfillment. So those who have hope for the camp, how reasonable is the expectation of that being fulfilled. I have been in prayer, it is my best judgement to say to you that I believe that we should adopt the recommendation that has been made here tonight.

7. Zeke Crawford called for the question. Vote was by secret ballot requiring only a simple majority. Only messengers are allowed to vote on this matter. Ballots were given to the Enrollment Committee to count.

64. In the report on Enrollment there were 153 attending; 125 messengers and 28 visitors.

65. Mrs. Sandy Campbell brought the report of the Dedication of Minutes. In dedicating the minutes, we decided we would like to see them dedicated in memory of Mr. and Mrs. William Egerton of Saluda and Mr. Frank Scheuerman from French Broad. I have

worked many hours with Frank on the camp grounds and you wouldn't find a finer fellow, he was a jewel indeed. And to honor Rev. and Mrs. Bill Willingham and Mt. Moriah Baptist Church. They gave us a home for five years for the Spanish Mission. Also Mr. and Mrs. George Denton. That is the recommendation of this committee. Approval was given by an Amen.

66. Rev. Bill Landreth brought the report on resolutions. Scripture reference, 2 Timothy 2:15, "Study to show thyself approved unto God,....". We should resolve to make this our motto for the year, to show thyself approved unto God. Rev. Landreth gave the following resolutions: 1. Appreciation to Valley Hill and Ebenezer for the use of their church for the 113th annual session. 2. We resolve to support the Witnessing Life/Giving program that has been presented to us. 3. We resolve to support the Association Strategy Planning program, to strengthen our corporation of churches of the Carolina Baptist Association. 4. We are so grateful to all who have planned and worked to make this meeting successful and to all who have taken a part each evening. 5. We wish to express our thanks and appreciation to Ron Pinkerton, the staff of the Carolina Baptist Association, for their leadership and spiritual support to our churches. 6. We resolve to give our support to the decision made and approved by the voting delegates of the meeting.

We were handed a resolution that the committee has not had time to adequately review. This is concerning the Mar Hill college. The resolutions will study this resolution and report at our next Executive Committee meeting. These resolutions were passed by a majority vote.

67. Walter Treadway lead in a hymn "He is Lord".

68. The Enrollment Committee counted the ballots, 118 ballots were cast and 3 had no mark. The committee reported that there were 36 against and 79 for selling the camp. The motion carried.

69. Bruce McIntyre presented the budget. The task for putting together a budget for this fiscal year has been a most difficult one. Last year we presented a most challenging and optimistic budget for this fiscal year of $121,335. As of the end of September we have received $78,331. Mr. Pinkerton tells us that receipts go up in the 4th quarter. Based on that fact and what giving has been in the past, the Finance Committee has looked at that and they now project the total receipts for the year will be in the neighborhood of $110,000. Look on pages F12 and F13 of your Advanced Book of Report and find this year's budget as well as what is proposed for next year. If you look at the $110,000 projected versus the S121,335 budgeted you will see that the simple truth is that the money is just not coming into the association from the churches. There has been a lot of prayer from the Finance Committee on how plan the work of the association. This year we had a lot of requests from people, we looked at the requests from the various organizations and the first pass at the budget totalled $128,000. The Finance Committee decided not to present such an unrealistic budget. There is only $110,000. expected this year and we felt that we had no choice but to base our budget on what we now think will be the total receipts for 1990. If you look at the $121,000 that was presented last year and the number presented this year, you'll see that it is about 5% less that the budget that was presented last year. The $116,000 that was presented for this year's budget, represents about a 6% increase over the actual receipts that are expected for 1990. If you look at the line items, you'll see that a lot of the

programs have been cut, we had no choice. We are going to have to try to operate on the income that comes in from the churches. You'll also note that the Spanish Ministry has been added for the first time. Also, our Director of Missions recognizes that the money is just not coming in from the churches, so he has volunteered to take a cut in salary of almost $2,300. That is not a very popular thing that we would like to recommend to you. And it is not something that was unanimous on the Finance Committee. But, we felt like we had no choice but to accept what he brought to us as his recommendation. You will also notice that the salaries of the other staff members has been frozen. There will be no salary increases for the staff next year. These were made in a form of a motion.

1. Rev. Paul Chandler said that it disturbs him to see a staff not receive an increase in salaries in the times in which we are living. Mr. Chandler also said that it disturbs him very greatly to expect our Director of Missions to take such a salary decrease. He thinks it is not a very good testimony for our association and it shows a lack of faith on the part of many of us and he am ashamed of it.

2. The recommendation was voted on and it was passed.

70. There was a motion to accept the Advanced Book of Reports as printed. This was seconded and approved.

71. Rev. Mervin Garrison pointed out the item of $3000 budgeted for the camp next year. The association just voted to put the camp up for sale. I make a recommendation that if any money of the $3000 is left after the sale of the camp, that it be transferred to the Director of Missions salary with the attempt that it will replace the reduction of his salary.

1. Mrs. Doris McGee stated that she thought that the camp still owed money, according to the report, that we were still in debt and the money left over should go to the debt of camp.

2 Rev. Pinkerton stated that all camp debts will be cleared either by the association or the funds of camp. All camp debts will be cleared by December 31.

3. Mrs. Eloise Jones asked if it would be appropriate to amend the motion that if there is any money over what we owe the Director of Missions, to give a cost of living increase to the rest of the staff (the secretaries). This amendment to the motion was seconded.

4. Someone asked was it the $3,000. in the budget that we are talking about? Rev. Mathis agreed that it was.

5. The amendment to the motion was carried by a majority vote.

6. The motion on the floor, as amended, was carried by a majority vote.

72. Special music was by Bo Wiggins, "Thank You".

73. Rev. Greg Mathis introduced Ron Pinkerton as speaker.

74. Rev. Pinkerton expressed appreciation for the opportunity to serve with the churches and said he would do the very best that he could to carry out your wishes as you interpret them to me. My hope is that I can be your servant and that together we can accomplish God's will.

A. Rev. Pinkerton used as his text Ephesians 4:1-6. The main emphasis of his message was that we are to be one in Christ. We may come from different directions, have a lot of different functions, but Christ calls us to be one in Him, gathered together under His spirit in a like faith headed in the same direction. He

closed saying that individuals should serve each other and become the body of Christ and share His love with each other.

75. New officers were introduced: Moderator, Rev. David Hyde; Vice Moderator, Keith Arledge; Mrs. Lucy Sitton, Clerk; Mrs. Ruby Lefler, Treasurer; and Mrs. Margaret King, Historian.

76. Rev. Mathis declared the 113th Annual Session of the Carolina Baptist Association adjourned.

HISTORY

In Psalm 105:5, the Psalmist urged God's people to remember, "The marvelous works that God has done."

John Quincy Adams said at Plymouth on December 22, 1802: "Think of your forefathers - what they have done for you! Think of posterity - what you can do to preserve it."

The words of the Psalmist and the quotation have been uppermost in the mind of your Historian this year, as I have shared the purpose of this ministry. The responses that I have had, although small, tell me that there is an awareness - a great need for HISTORIANS in the churches. The duties of this committee would be to keep continuous records of the church's worth-while records which will serve as a beneficiary and an inspiration for the future generations. An awareness of the past can enrich the life and ministry of a church and the denomination.

I have received excellent cooperation from the Fruitland and Horse Shoe First Baptist Churches. Their histories are now on file in the association office. Could you add your church history?

If I can be of help with this ministry, please call 692-4565.

OTHER ASSOCIATIONAL ACTIVITIES:

Sao Paulo, Brazil Partnership project is doing well. One new church and two new missions have been started. There has been an increase of 700 church members since the project started two year ago. We have had 29 people to go to Brazil. The brick making machine used in Sao Paulo for making brick and the brick used in the church building program has been made possible by donations from members in the association and others. What a joy it is to know that God is using our churches and people to make a difference in the lives of people so far away.

Santee Association Hugo Relief Partnership Carolina Association was partnered with the Santee Baptist Association in South Carolina for Brotherhood Hurricane Hugo Relief efforts and assigned to the Emmanuel Baptist Church, Manning, SC. Food money and furnishings were collected and delivered. Teams went to clean up hurricane damage and minister to the physical, emotional and spiritual needs of people who have gone through the devastating experience of Hurricane Hugo.

Mision Bautista Hispana "Carolina's" new building was dedicated in October. A group of Spanish speaking Christians are now worshipping in their own church building because our association saw a need and responded.

Migrant Ministry is another way the Carolina Baptist Association is responding to needs of these transit families. Migrant Night will be October 7, 1990 at the Hendersonville First Baptist Church.

Christmas Toy Project for underprivileged children is an annual project. Parents of the needy children receive Christian witness and a New Testament, after which, they select toys for their children. The asscciation furnishes the New Testaments.

Woman's Missionary Union's Prayer Retreat was held at Valley Hill Baptist Church during the month of May with a guest speaker.

RA/GA Mission Camp was held July 29-August 3 at Camp Bearwalla.

WHY HAVE AN ASSOCIATION?

Each church and each Christian must ask the question, "Is Christianity private or am I responsible to God to be a part of His greater kingdom?" If Christianity is private, then churches would have difficulty existing. If the individual church makes Christianity private, the kingdom of God is like a great number of bricks with no mortar.

The Bible tells us that a person who commits his/her life to the lordship of Christ becomes a part of a body with a function to carry out in the mission of our Lord. Individual churches also have functions to carry out in the kingdom of God. The individual church must see itself as a part of the larger body of God's kingdom just as the individual Christian must see himself/herself as a part of the body of Christ.

The greatest danger the association faces at the present time is private church religion. Does the question Cain asked of God, "Am I my brother's keeper?" have any bearing on church relationships to other churches? Do large churches have any responsibilities to smaller churches? Should churches share leadership with each other? Should finances be shared for unmet ministry needs? Should one race of people help meet the needs of another race of people? Does the local church have any responsibility to God beyond its own doors?

If the answer to any of the questions above is "yes," then perhaps there is a need for churches to be a part of a body of churches to accomplish the mission of Christ. That would be a good reason for being an association of churches. The association <u>can be</u> a body of churches on mission for Christ just as individuals can be a church on mission for Christ. However, neither membership in a church nor in an association automatically accomplishes the mission of Christ. It takes commitment, effort and the greater number of participants, the greater the mission.

Why have an association? It <u>could</u> be a body - a body of churches on mission together to build the Kingdom of God.

Ron Pinkerton

MIGRANT MINISTRY

The Migrant Committee has met monthly beginning in April, to make plans for the 1990 season. A smaller number are attending services this year.

NAPLES - Alice Trantham

The church van has been used to transport children from a camp to Sunday School and worship services at the Spanish Mission Church. These are children who formerly were at Riley Jones Camp, which closed this year. Families have been visited. A picnic is planned, to include Mission Children's Sunday School Department, before migrant children leave the area.

EBENEZER - Maurice Lancaster

The camp was visited and health kits and clothing given. The people were encouraged to go to the Mission Church. We provided speakers for Adult English Services at Camp Bearwalla. No English speaking at camp or in churches.

HENDERSONVILLE FIRST - Imogene Crawford

The services were much the same as past years. Enrolled 54 with average attendance of 30. The WMU ladies served lunches. Health kits blankets and clothing were given to all.

SPANISH MISSION - Rev. Rudy Aguero

Viencte, Pauncho and Rudy are doing Bible study in three camps week nights. Backyard Bible study was held at the Mission from June to second week in August. This included migrant children. They were also included in VBS at the Mission. A week of Day Camp at Bonclarken Assembly was for migrant and mission children.

EAST FLAT ROCK FIRST - Sandy Campbell

Angel Cruz, Spanish teacher, and Sandy visited camps each week giving tracts and information sheets. We have enrolled 64 and attendance has been good. Lunches were served by Sunday School classes. Bibles, health kits, clothes and blankets were given out. Two babies received "baby bags." No children came this year.

EVANGELISTIC SERVICES

Two services were held at Camp Bearwalla. There were 85 Spanish speaking, there were no English speaking at camp or in churches this year. There were four professions of faith. Migrant Night at Hendersonville First was October 7, 1990 at 7:00 p.m. A reception followed the service.

Transylvania Association provided 335 food packs. Our thanks to them and all the Carolina Association churches that supported this mission work in our area. Matthew 25:40.

MISION BAUTISTA HISPANA "CAROLINA"

As pastor of the Spanish Mission for the past five years, this year has been a most fulfilling one. God has blessed us this year in so many ways.

Dedication of the new church was on December 19, 1989 with the help of volunteers who worked many long hours to make it possible. We cannot list all of the names of those who helped, but we are grateful for each and every one.

I would like to express personal gratitude to the association for the use of one of their offices for more than three years, until I was able to move to the new building.

Another blessing we received this year was two missionaries from the Home Mission Board. Valerie Parham and Melanie Jones served at the Mission for three months. They taught in Backyard Bible Clubs each week, Sunday School, Vacation Bible School, lead in music, and also helped in the Spanish community. Both worked together with three Spanish missionaries from Bonclarken - Luis, Varonica and Lillian. Each one was a blessing to us.

We also want to express thanks to all who donated Bibles, tracts, hymnals and New Testaments. Also to Bob and Sandy Campbell who donated the playground unit and Mr. Pittilo for the paved sidewalks and extension of the parking lot. Thanks to all who have made donations to the Mission.

Our high attendance this year in worship service was 122. The average attendance in Vacation Bible School was 50.

Thank you for all your support and prayers and please continue to remember us.

DISCIPLESHIP TRAINING

Discipleship Training is growing in the Southern Baptist Convention, State Convention and in the Carolina Baptist Association. In 1987, the minutes of the Carolina Baptist Association showed 1200 people enrolled in church training and in 1989 1600. There is a resurgence and renewed interest and involvement in Discipleship Training. I believe that there is more training being done in our churches than our records show. I encourage you to keep accurate records and report these each year in your annual letter. There are many methods available for training and it is often unclear how to report these. If I can be of help to you concerning this, let me know. Also, the Associational office how has a video on how to report Discipleship training statistics.

Remember, we need to train our people. New Member training, membership training, and potential worker training are musts if we expect to grow and survive the cults and the old and new religions that are experiencing growth here in our area and the world.

Let each church be determined to train its members in the years to come. There are many materials and methods available from Discipleship Training at the Sunday School Board and from the Associational Resource Center. Let us know what you need and how we can help you in training your people. Look for Discipleship Training events in our association and state convention and take advantage of them. If you need help, please contact me. I'll be happy to share with you and your church about Discipleship Training.

MEDIA

Media goal set for 1989-90 included the following: Follow up on continuing goals of processing materials, providing mediagraphies and promotion were met. Ninety new videos have been processed and placed in circulation. They are:

Home Missions - 13; Foreign Missions - 6; Men in Missions-20; Deacons - 3; Baptist Polity - 7; Evangelism - 8; Annuity - 5; Stewardship - 4; Sao Paulo - 2; Baptist Foundation - 3; New Age - 3; Mormonism - 3; Communion - 1; Annie Armstrong - 1; children's tapes - 7 and for youth - 6.

The use of our video tape ministry has been active all year. A number of tapes on all subjects have been checked out by churches and individuals. The series "Excellence in Teaching," consisting of 13 tapes, has been used in its entirety by two churches.

In the goal to reach 5 churches established or reorganizing Media Library Centers, 4 were reached. Plans for next year include training on a one on one basis. Three churches have been reached this way.

A Copyright Update by Pearl LeVar was the January meeting. In April Charles Magnet led a workshop on the Care and Maintenance of Equipment and the next meeting will be the book study, "Being God's People: A Southern Baptist Church on Bold Mission," taught by David Hyde on November 22 and 23, 1990. These activities met the goal for quarterly meetings.

As Director of Media Library Services, I attended a planning session in Charlotte to make plans for the State Media Library Conference at Caraway in April. In March I taught a Promotion Workshop at Transylvania Baptist Association. At the State Media Library Conference in April, I taught the Promotion Workshop. In May I attended Key Leadership at Ridgecrest and attended the Media Conference. A meeting to preview materials on Satanic worship and Hard Rock music led to a meeting with youth directors with a local counselor who shared information and offered to meet with churches and parents to discuss the implications of both areas. Mediagraphies were prepared and distributed to a number of churches.

Plans for the following year include teaching the book, "Instructional Media" in January, a visit to the Center for Christian Education Ministries at Mars Hill College in April, a picnic at Jackson Park in July, and using the video "How to use Audiovisuals" in November. Again emphasis will be placed on working with churches on an individual basis to train, assist and encourage media staff personnel.

SUNDAY SCHOOL

Our associational Sunday School team got off to a late start this year. Having been elected in January. Due to this we decided to spend most of our time preparing for the years ahead. This we have done and our basic team is ready.

We have attended conferences at Ridgecrest, made a personal visit to SBC in Nashville and a personal visit to North Carolina Baptist Headquarters in Cary.

We have reorganized the Associational Sunday School by dividing our churches into 6 groups. We established 3 officers for each group. These are Sunday School directors, Outreach directors, and Sunday School secretaries.

Our Assist Team had a retreat to lay plans for next year.

We have put together overhead projection cels containing information on the Southern Baptist Convention, the state convention, Carolina Association, our challenges, our opportunities, the next 5 years theme and a challenge to church growth.

We have put together a two-hour presentation and workshop for adult Sunday School leaders. We made a presentation at an associational meeting and spoke to the Ministers' Conference. We have spoken by phone to 40 of our Sunday School directors. We have conducted a Sunday School Preparation Week Clinic.

We are now ready for the churches to assist us in training their Sunday School leaders.

We suggest that those churches with full time staff, other than the pastor, share those individuals with others through the Associational Sunday School Organization.

We need recommendations from the churches for Group Leaders of Sunday School directors, Outreach directors and Sunday School secretaries. We need churches to communicate their needs and ask for help.

We have reorganized our associational Sunday School work to better serve 54 churches.

The level of accomplishments during the next 5 years will only be limited by our churches willingness to share leaders, be part of a team of 54 and not an individualist, and the churches ability to furnish people to fill our needs and then to bring their people to workshops not only to learn but to share their ideas with others.

We are a Bible teaching, soul winning, ministering unit that continually will "Study to show ourselves approved, a workman that needeth not to be ashamed, rightly dividing the word of truth."

SENIOR ADULTS

On November 1, 1989, one hundred and four of our associational senior adults met at Balfour Baptist Church with 17 churches represented. The Duke Power representative gave us new calendars and a Christmas program. We gave $150 to the Brazilian block machine project. We gave $100 toward this when we met in April at the Tuxedo Baptist Church. Seventy-five senior adults from 11 churches were present and enjoyed a program concerning update of Medicare. In September we returned to our usual place - Camp Bearwalla.

The associational senior adult Joy Singers brought joy to many hearts as they sang each Tuesday in a different rest home/retirement center, as well as special occasions. Would you care to join them?

Up coming meetings: October 31, 1990 at Ebenezer Baptist Church; April 11, 1991 at Mud Creek Baptist Church; September 11, 1991 at Camp Bearwalla and November 6, 1991 at Etowah Baptist Church.

If I can help you, call me at 685-8343.

VACATION BIBLE SCHOOL

VACATION BIBLE SCHOOL is an important part of the Sunday School Program. The Associational Vacation Bible School Team attended the State Clinics in March. Two identical Clinics were held in April for those working in Bible School in the Association. The Clinics are designed to help Pastors, Directors, and all workers in planning for VBS in the individual churches. We are thankful again for a good report of the many Bible Schools in our association in the summer of 1990.

WOMAN'S MISSIONARY UNION

The associational WMU has sponsored a number of events that have been very successful in the past year.

In November 1989, the Woman's World Day of Prayer was held with local retired missionaries as guest speakers.

The WMU again sponsored the power project for gifts for women prisoners for Christmas 1989.

In December 1989, toys were once again distributed to needy families for Christmas gifts for children and we have the privilege of witnessing to parents. This is a very successful and worthy project.

A banquet to honor our pastors was held in February 1990. This is a night our mission leaders show our pastors, in a small way, how much we appreciate them.

In April 1990, for the first time the Baptist Nursing Organization met with a dinner and inspirational speakers. This will probably be an annual event.

In May 1990, the Annual Prayer Retreat was held for the first time in a local church. The event was very meaningful and successful.

Also in May, our Spanish organization sponsored an International Dinner and this is planned to be an annual event.

In May, I as WMU Director, attended Key Leadership at Ridgecrest and attended, with a number of others from our area, the State WMU meeting at Ridgecrest. The association WMU Council attended a workshop at Fruitland in July to equip ourselves to train other mission leaders at the workshop September 10, 1990.

It is our desire as a WMU Council to be here for others when needed and to be able to sponsor events that will be helpful to mission groups and to be able to start missions in churches where there is none at the present time. Above all, we want to do God's will. During the coming year, we will do our best to carry out our responsibilities.

CAMP BEARWALLA

Last year the Carolina Baptist Association voted to change the operation of Camp Bearwalla to a Board of Directors. A prerequisite for this move was the support sum of forty thousand dollars. When financial support for the camp fell instead of increased, and a survey revealed little interest in using the camp, the camp consultant discovered that a walk-in offer had been made to purchase the camp.

The Associational Council considered the offer and met with Mr. J.B Wilson to settle on a recommendation to a called meeting of the Association. Professional help was obtained to determine that the offer was fair and proper. Information on the offer was sent with the announcement of a called meeting of the Association. The offer was suddenly changed when some silent partners with Mr. Wilson withdrew their backing.

A second offer to purchase by Mr. Wilson was considered; but when the Council decided that it could not recommend the offer to the called meeting, the offer was withdrawn.

During this long process, the camp was operated on and interim basis by employing Dennis and Kay Geouge. The process of electing a Board of Directors was delayed so long that it could not be done before the annual meeting.

The use of the camp has been minimal with only one week of use by Carolina Baptist Association. The financial operation has been disappointing. The following statistical summary is provided for your information. More detailed records can be seen at the office.

NOTE THAT THIS REPORT IS ONLY THROUGH AUGUST

Anticipated income from churches in 1990	$ 15,500.00
Actual income (through August)	5,318.16
Anticipated income from camp operation	38,850.00
Actual income (through August)	16,073.30
TOTAL INCOME THROUGH AUGUST	$ 21,391.46
TOTAL EXPENSES THROUGH AUGUST	$ 27,649.36

It is estimated that the final figures will require a supplement from the regular associational budget of between three and five thousand dollars.

OBSERVATIONS FOR YOUR CONSIDERATION:

1. Churches in Carolina Baptist Association will not make use of Camp Bearwalla enough to make it a worthy association project.
2. Any successful effort to raise enough financial support for Camp Bearwalla through associational churches will detract from financial support for the regular associational budget.
3. If Camp Bearwalla is operated under a Board of Directors, it must depend heavily upon use by groups outside Carolina Baptist Association.
4. The deteriorating condition of Camp Bearwalla and normal maintenance cause a financial drain on Carolina Baptist Association.
5. Camp Bearwalla is more of an obligation than it is an asset.

OPTIONS CONSIDERED

1. Prepare a plan for following through with the recommendation received by the Association in 1989.
2. Raise the forty thousand dollars needed to follow through with the 1989 recommendation through churches in the Association.
3. Protect and improve the camp property through a plan of church sponsored projects.
4. Cease operation of the camp and do no further maintenance or improvements.
5. Advertise and sell the camp property.

** Because of lack of use and support for Camp Bearwalla, the camp consultant recommends option number five.

NORTH CAROLINA MISSIONS

North Carolina missions cover the entire work of our Convention and its outreach. In the year 1989 16,490 students were enrolled in our seven colleges. One thousand and fifty-four of these were at Chowan, our junior college. There were 1256 graduates from Chowan and 3,353 graduates from the remaining six colleges. Fruitland Baptist Bible Institute graduated a total of thirty-four throughout the year of 1989.

North Carolina has several areas of partnership work. The Brotherhood Department is working in Poland. We are working in the Eastern European area in connection with the Foreign Mission Board. We are also working in partnership with Brazil. Thanks to all of you who have gone or sent with financial support and prayers.

Migrant work, ethnics, and resort ministries are carried out by both our state and associations. Baptist Hospital at Winston-Salem, and the Children's Home are all a part of our State Missions.

Our North Carolina disaster van was used with the Hugo disaster. Many associations and local churches gave much needed assistance in this area. Thanks to all who served in this ministry.

We are proud of North Carolina Missions. It is not too late to send in your offering. Most of all I urge you to pray for God's continued blessings and leadership in our state.

BAPTIST CHILDREN'S HOMES

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

The Cooperative Program continues to anchor our budget planning from the churches. Baptist Children's Homes receive $1.5 million from Cooperative Program receipts each year. This is the stack pole around which we build our income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes.

In 1991 BCH will celebrate the 20th Anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

BAPTIST HOSPITAL

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession... One thing that hasn't changed is the institution's tradition of delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this $190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of medical center employees. Under construction, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center for Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to Hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing our atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,465 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina and from thirty-four other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its

reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14, 000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA

Making life for older adults the best of times is the continuing goal of Baptist Retirement Homes of North Carolina, Inc., which operates four residential facilities for older adults around the state - in Albemarle, Asheville, Hamilton and Winston-Salem.

In Asheville, our efforts include a move toward expanding the Western North Carolina Baptist Home. The Board of Trustees of Baptist Retirement Homes applied in July for permission to construct the 60 nursing care beds the state is allocating to Buncombe County in 1990.

State approval of its plans will be the next step toward adding a health-care unit to the facility, a unit offering skilled and intermediate nursing care. Currently the only nursing care provided by Baptist Retirement Homes is the 85-bed nursing-care unit at Brookridge Retirement Community in Winston-Salem, the newest facility operated by Baptist Retirement Homes. Around the state, the other homes face a promising year.

In Winston-Salem, Brookridge Retirement Community celebrates its first birthday in 1990. It is the largest of the facilities, providing five levels of care - independent living in garden homes, independent living in apartments, and assisted living, intermediate nursing care and skilled nursing care in its health-care unit - to 350 old adults.

The ministry of the Homes is supported in part by gifts through the Cooperative Program of Giving. Our Baptist people can be justly proud of this ministry, and it merits our continued support in the days to come.

ANNUITY BOARD, SBC

On July 1, 1990, the Annuity Board changed the administration of all its life, comprehensive medical and disability plans to The Prudential Insurance Company of America.

Participants' coverages, deductibles and copayments transferred automatically. Benefits remained the same.

The Prudential has more than 100 employees dedicated exclusively to serving Southern Baptists.

Participants now can simply call The Prudential's toll-free number for pre-certification of new hospital admissions, second surgical opinion authorizations and information about claims. The Prudential toll-free number is 1-800-323-7384.

The Annuity Board has issued new medical identification cards and claim forms to participants.

For more information about how your minister and other paid church workers can benefit from this new relationship, call the Annuity Board: 1-800-262-0511. Or write the Annuity Board, SBC, Attn: Member Services, P.O. Box 2190, Dallas, TX 75221-2190.
